BOARD OF SUPERVISORS

MEMBERSHIP, OBLIGATIONS AND RESPONSIBILITIES

A Community Development District ("District") is a special-purpose unit of local government which is established pursuant to and governed by Chapter 190, Florida Statutes.

The Board

The Community Development District ("District") is governed by a five (5)-member Board of Supervisors ("Board"). Member of the Board "Supervisor(s)" are elected in accordance with Section 190.006, F.S., either upon a one (1)-vote per one (1)-acre basis ("landowner voting") or through traditional elections ("resident voting"), depending upon the number of registered voters in the District and the length of time which has passed since the establishment of the District.

A CDD Board typically meets once per month, but may meet more often if necessary. Board meetings typically last from one (1) to three (3) hours, depending upon the business to be conducted by the Board. Prior to the meeting, each Supervisor is supplied with an agenda package which will contain the documents pertaining to the business to be considered by the Board at a particular meeting. A Supervisor should be willing to spend time reviewing these packages prior to each meeting, and may consult with District Staff (General Counsel, Management, Engineering, etc.) concerning the business to be addressed.

Qualifications of Supervisors

Each Supervisor must be a resident of the state of Florida and a citizen of the United States. Once a District has transitioned to resident voting, Supervisors must also be residents of the District.

Compensation

By statute, Board Members are entitled to be paid \$200 per meeting for their service, up to an annual cap of \$4,800 per year. To achieve the statutory cap, the District would have to meet twice each month, which is rare.

Sometimes Supervisors who are employees of the primary landowner waive their right to compensation, although this is not always the case.

Responsibilities of Supervisors

The position of Supervisor is that of an elected local public official. It is important to always remember that serving as an elected public official of a District carries with it certain restrictions and obligations. Each Supervisor, upon taking office, must subscribe to an oath of office acknowledging that he/she is a public officer, and as a recipient of public funds, a supporter of the constitutions of the State of Florida and of the United States of America.

Each Supervisor is subject to the same financial disclosure requirements as any other local elected official and must file a Statement of Financial Interests disclosing

sources of income, assets, debts, and other financial data, with the Supervisor of Elections in the County where he/she resides.

A Supervisor must act in accordance with the Code of Ethics for Public Officers and Employees, codified at Part III, Chapter 112, F.S., which addresses acceptance of gifts, conflicts of interest, etc. By law, it is not a conflict of interest for an employee of the developer to serve on a CDD Board of Supervisors.

Since a District is a unit of local government, the Sunshine Law (Chapter 286, F.S.) applies to Districts and to the Supervisors who govern them. In brief, the Sunshine Law states that two(2) or more Supervisors may never meet outside of a publicly noticed meeting of the Board and/to discuss District business.

Florida's Public Records Law (Chapter 119, F.S.) also applies to Districts and Supervisors. All records of the District, and the records of each individual Supervisor relating to the District, are public records. As such, any member of the public may inspect them upon request. Supervisors are therefore urged to keep any District records or documents in a separate file to allow ease of access by the public or press.

Conclusion

The position of Supervisor of a Community Development District is an important one, requiring both the time and the dedication to fulfill the responsibilities of a position of public trust. It should not be undertaken lightly. Each new Supervisor should enter office fully cognizant of the ethical, legal, and time requirements which are incumbent upon those who serve as Supervisors.

I. HISTORY OF FLORIDA'S ETHICS LAWS

Florida has been a leader among the states in establishing ethics standards for public officials and recognizing the right of citizens to protect the public trust against abuse. Our state Constitution was revised in 1968 to require a code of ethics, prescribed by law, for all state employees and non-judicial officers prohibiting conflict between public duty and private interests.

Florida's first successful constitutional initiative resulted in the adoption of the Sunshine Amendment in 1976, providing additional constitutional guarantees concerning ethics in government. In the area of enforcement, the Sunshine Amendment requires that there be an independent commission (the Commission on Ethics) to investigate complaints concerning breaches of public trust by public officers and employees other than judges.

The Code of Ethics for Public Officers and Employees is found in Chapter 112 (Part III) of the Florida Statutes. Foremost among the goals of the Code is to promote the public interest and maintain the respect of the people for their government. The Code is also intended to ensure that public officials conduct themselves independently and impartially, not using their offices for private gain other than compensation provided by law. While seeking to protect the integrity of government, the Code also seeks to avoid the creation of unnecessary barriers to public service.

Criminal penalties, which initially applied to violations of the Code, were eliminated in 1974 in favor of administrative enforcement. The Legislature created the Commission on Ethics that year "to serve as guardian of the standards of conduct" for public officials, state and local. Five of the Commission's nine members are appointed by the Governor, and two each are appointed by the President of the Senate and Speaker of the House of Representatives. No more than five Commission members may be members of the same political party, and none may be lobbyists, or hold any public employment during their two-year terms of office. A chair is selected from among the members to serve a one-year term and may not succeed himself or herself.

In 2018, Florida's Constitutional Revision Commission proposed, and the voters adopted, changes to Article II, Section 8. The earliest of the changes will take effect December 31, 2020, and will prohibit officials from abusing their position to obtain a disproportionate benefit for themselves

or their spouse, child, or employer, or for a business with which the official contracts or is an officer, partner, director, sole proprietor, or in which the official owns an interest. Other changes made to the Constitution place restrictions on lobbying by certain officeholders and employees, and put additional limits on lobbying by former public officers and employees. These changes will become effective December 31, 2022.

II. ROLE OF THE COMMISSION ON ETHICS

In addition to its constitutional duties regarding the investigation of complaints, the Commission:

- Renders advisory opinions to public officials;
- Prescribes forms for public disclosure;
- Prepares mailing lists of public officials subject to financial disclosure for use by Supervisors of Elections and the Commission in distributing forms and notifying delinquent filers;
- Makes recommendations to disciplinary officials when appropriate for violations of ethics and disclosure laws, since it does not impose penalties;
- Administers the Executive Branch Lobbyist Registration and Reporting Law;
- Maintains financial disclosure filings of constitutional officers and state officers and employees; and,
- Administers automatic fines for public officers and employees who fail to timely file required annual financial disclosure.

III. THE ETHICS LAWS

The ethics laws generally consist of two types of provisions, those prohibiting certain actions or conduct and those requiring that certain disclosures be made to the public. The following descriptions of these laws have been simplified in an effort to provide notice of their requirements. Therefore, we suggest that you also review the wording of the actual law. Citations to the appropriate laws are in brackets.

The laws summarized below apply generally to all public officers and employees, state and local, including members of advisory bodies. The principal exception to this broad coverage is the exclusion of judges, as they fall within the jurisdiction of the Judicial Qualifications Commission.

Public Service Commission (PSC) members and employees, as well as members of the PSC Nominating Council, are subject to additional ethics standards that are enforced by the Commission on Ethics under Chapter 350, Florida Statutes. Further, members of the governing boards of charter schools are subject to some of the provisions of the Code of Ethics [Sec. 1002.33(26), Fla. Stat.], as are the officers, directors, chief executive officers and some employees of business entities that serve as the chief administrative or executive officer or employee of a political subdivision. [Sec. 112.3136, Fla. Stat.].

A. PROHIBITED ACTIONS OR CONDUCT

1. Solicitation and Acceptance of Gifts

Public officers, employees, local government attorneys, and candidates are prohibited from soliciting or accepting anything of value, such as a gift, loan, reward, promise of future employment, favor, or service, that is based on an understanding that their vote, official action, or judgment would be influenced by such gift. [Sec. 112.313(2), Fla. Stat.]

Persons required to file financial disclosure FORM 1 or FORM 6 (see Part III F of this brochure), and state procurement employees, are prohibited from **soliciting** any gift from a political committee, lobbyist who has lobbied the official or his or her agency within the past 12 months, or the partner, firm, employer, or principal of such a lobbyist or from a vendor doing business with the official's agency. [Sec. 112.3148, Fla. Stat.]

Persons required to file FORM 1 or FORM 6, and state procurement employees are prohibited from directly or indirectly **accepting** a gift worth more than \$100 from such a lobbyist, from a partner, firm, employer, or principal of the lobbyist, or from a political committee or vendor doing business with their agency. [Sec. 112.3148, Fla. Stat.]

However, notwithstanding Sec. 112.3148, Fla. Stat., no Executive Branch lobbyist or principal shall make, directly or indirectly, and no Executive Branch agency official who files FORM 1 or FORM 6 shall knowingly accept, directly or indirectly, **any expenditure** made for the purpose of lobbying. [Sec. 112.3215, Fla. Stat.] Typically, this would include gifts valued at less than \$100 that formerly were permitted under Section 112.3148, Fla. Stat. Similar rules apply to members and employees of the Legislature. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. Stat.]

Also, persons required to file Form 1 or Form 6, and state procurement employees and members of their immediate families, are prohibited from accepting any gift from a political committee. [Sec. 112.31485, Fla. Stat.]

2. Unauthorized Compensation

Public officers or employees, local government attorneys, and their spouses and minor children are prohibited from accepting any compensation, payment, or thing of value when they know, or with the exercise of reasonable care should know, that it is given to influence a vote or other official action. [Sec. 112.313(4), Fla. Stat.]

3. Misuse of Public Position

Public officers and employees, and local government attorneys are prohibited from corruptly using or attempting to use their official positions or the resources thereof to obtain a special privilege or benefit for themselves or others. [Sec. 112.313(6), Fla. Stat.]

4. Abuse of Public Position

Public officers and employees are prohibited from abusing their public positions in order to obtain a disproportionate benefit for themselves or certain others. [Article II, Section 8(h), Florida Constitution.]

5. *Disclosure or Use of Certain Information*

Public officers and employees and local government attorneys are prohibited from disclosing or using information not available to the public and obtained by reason of their public position, for the personal benefit of themselves or others. [Sec. 112.313(8), Fla. Stat.]

6. *Solicitation or Acceptance of Honoraria*

Persons required to file financial disclosure FORM 1 or FORM 6 (see Part III F of this brochure), and state procurement employees, are prohibited from **soliciting** honoraria related to their public offices or duties. [Sec. 112.3149, Fla. Stat.]

Persons required to file FORM 1 or FORM 6, and state procurement employees, are prohibited from knowingly **accepting** an honorarium from a political committee, lobbyist who has lobbied the person's agency within the past 12 months, or the partner, firm, employer, or principal of such a lobbyist, or from a vendor doing business with the official's agency. However, they may accept the payment of expenses related to an honorarium event from such individuals or entities, provided that the expenses are disclosed. See Part III F of this brochure. [Sec. 112.3149, Fla. Stat.]

Lobbyists and their partners, firms, employers, and principals, as well as political committees and vendors, are prohibited from **giving** an honorarium to persons required to file FORM 1 or FORM 6 and to state procurement employees. Violations of this law may result in fines of up to \$5,000 and prohibitions against lobbying for up to two years. [Sec. 112.3149, Fla. Stat.]

However, notwithstanding Sec. 112.3149, Fla. Stat., no Executive Branch or legislative lobbyist or principal shall make, directly or indirectly, and no Executive Branch agency official who files FORM 1 or FORM 6 shall knowingly accept, directly or indirectly, **any expenditure** made for the purpose of lobbying. [Sec. 112.3215, Fla. Stat.] This may include honorarium event related expenses that formerly were permitted under Sec. 112.3149, Fla. Stat. Similar rules apply to members and employees of the Legislature. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. Stat.]

B. PROHIBITED EMPLOYMENT AND BUSINESS RELATIONSHIPS

1. *Doing Business With One's Agency*

(a) A public employee acting as a purchasing agent, or public officer acting in an official capacity, is prohibited from purchasing, renting, or leasing any realty, goods, or services for his or her agency from a business entity in which the officer or employee or his or her spouse or child owns more than a 5% interest. [Sec. 112.313(3), Fla. Stat.]

(b) A public officer or employee, acting in a private capacity, also is prohibited from renting, leasing, or selling any realty, goods, or services to his or her own agency if the officer or employee is a state officer or employee, or, if he or she is an officer or employee of a political subdivision, to that subdivision or any of its agencies. [Sec. 112.313(3), Fla. Stat.]

2. *Conflicting Employment or Contractual Relationship*

(a) A public officer or employee is prohibited from holding any employment or contract with any business entity or agency regulated by or doing business with his or her public agency. [Sec. 112.313(7), Fla. Stat.]

(b) A public officer or employee also is prohibited from holding any employment or having a contractual relationship which will pose a frequently recurring conflict between the official's private interests and public duties or which will impede the full and faithful discharge of the official's public duties. [Sec. 112.313(7), Fla. Stat.]

(c) Limited exceptions to this prohibition have been created in the law for legislative bodies, certain special tax districts, drainage districts, and persons whose professions or occupations qualify them to hold their public positions. [Sec. 112.313(7)(a) and (b), Fla. Stat.]

3. Exemptions—Pursuant to Sec. 112.313(12), Fla. Stat., the prohibitions against doing business with one's agency and having conflicting employment may not apply:

- (a) When the business is rotated among all qualified suppliers in a city or county.
- (b) When the business is awarded by sealed, competitive bidding and neither the official nor his or her spouse or child have attempted to persuade agency personnel to enter the contract.
NOTE: Disclosure of the interest of the official, spouse, or child and the nature of the business must be filed prior to or at the time of submission of the bid on Commission FORM 3A with the Commission on Ethics or Supervisor of Elections, depending on whether the official serves at the state or local level.
- (c) When the purchase or sale is for legal advertising, utilities service, or for passage on a common carrier.
- (d) When an emergency purchase must be made to protect the public health, safety, or welfare.
- (e) When the business entity is the only source of supply within the political subdivision and there is full disclosure of the official's interest to the governing body on Commission FORM 4A.
- (f) When the aggregate of any such transactions does not exceed \$500 in a calendar year.
- (g) When the business transacted is the deposit of agency funds in a bank of which a county, city, or district official is an officer, director, or stockholder, so long as agency records show that the governing body has determined that the member did not favor his or her bank over other qualified banks.
- (h) When the prohibitions are waived in the case of ADVISORY BOARD MEMBERS by the appointing person or by a two-thirds vote of the appointing body (after disclosure on Commission FORM 4A).
- (i) When the public officer or employee purchases in a private capacity goods or services, at a price and upon terms available to similarly situated members of the general public, from a business entity which is doing business with his or her agency.

(j) When the public officer or employee in a private capacity purchases goods or services from a business entity which is subject to the regulation of his or her agency where the price and terms of the transaction are available to similarly situated members of the general public and the officer or employee makes full disclosure of the relationship to the agency head or governing body prior to the transaction.

4. Additional Exemptions

No elected public officer is in violation of the conflicting employment prohibition when employed by a tax exempt organization contracting with his or her agency so long as the officer is not directly or indirectly compensated as a result of the contract, does not participate in any way in the decision to enter into the contract, abstains from voting on any matter involving the employer, and makes certain disclosures. [Sec. 112.313(15), Fla. Stat.]

5. Legislators Lobbying State Agencies

A member of the Legislature is prohibited from representing another person or entity for compensation during his or her term of office before any state agency other than judicial tribunals. [Art. II, Sec. 8(e), Fla. Const., and Sec. 112.313(9), Fla. Stat.]

6. Additional Lobbying Restrictions for Certain Public Officers and Employees

A statewide elected officer; a member of the legislature; a county commissioner; a county officer pursuant to Article VIII or county charter; a school board member; a superintendent of schools; an elected municipal officer; an elected special district officer in a special district with ad valorem taxing authority; or a person serving as a secretary, an executive director, or other agency head of a department of the executive branch of state government shall not lobby for compensation on issues of policy, appropriations, or procurement before the federal government, the legislature, any state government body or agency, or any political subdivision of this state, during his or her term of office. [Art. II Sec 8(f)(2), Fla. Const. and Sec. 112.3121, Fla. Stat.]

7. *Employees Holding Office*

A public employee is prohibited from being a member of the governing body which serves as his or her employer. [Sec. 112.313(10), Fla. Stat.]

8. *Professional and Occupational Licensing Board Members*

An officer, director, or administrator of a state, county, or regional professional or occupational organization or association, while holding such position, may not serve as a member of a state examining or licensing board for the profession or occupation. [Sec. 112.313(11), Fla. Stat.]

9. *Contractual Services: Prohibited Employment*

A state employee of the executive or judicial branch who participates in the decision-making process involving a purchase request, who influences the content of any specification or procurement standard, or who renders advice, investigation, or auditing, regarding his or her agency's contract for services, is prohibited from being employed with a person holding such a contract with his or her agency. [Sec. 112.3185(2), Fla. Stat.]

10. *Local Government Attorneys*

Local government attorneys, such as the city attorney or county attorney, and their law firms are prohibited from representing private individuals and entities before the unit of local government which they serve. A local government attorney cannot recommend or otherwise refer to his or her firm legal work involving the local government unit unless the attorney's contract authorizes or mandates the use of that firm. [Sec. 112.313(16), Fla. Stat.]

11. *Dual Public Employment*

Candidates and elected officers are prohibited from accepting public employment if they know or should know it is being offered for the purpose of influence. Further, public employment may not be accepted unless the position was already in existence or was created without the

anticipation of the official's interest, was publicly advertised, and the officer had to meet the same qualifications and go through the same hiring process as other applicants. For elected public officers already holding public employment, no promotion given for the purpose of influence may be accepted, nor may promotions that are inconsistent with those given other similarly situated employees. [Sec. 112.3125, Fla. Stat.]

C. RESTRICTIONS ON APPOINTING, EMPLOYING, AND CONTRACTING WITH RELATIVES

1. *Anti-Nepotism Law*

A public official is prohibited from seeking for a relative any appointment, employment, promotion, or advancement in the agency in which he or she is serving or over which the official exercises jurisdiction or control. No person may be appointed, employed, promoted, or advanced in or to a position in an agency if such action has been advocated by a related public official who is serving in or exercising jurisdiction or control over the agency; this includes relatives of members of collegial government bodies. NOTE: This prohibition does not apply to school districts (except as provided in Sec. 1012.23, Fla. Stat.), community colleges and state universities, or to appointments of boards, other than those with land-planning or zoning responsibilities, in municipalities of fewer than 35,000 residents. Also, the approval of budgets does not constitute "jurisdiction or control" for the purposes of this prohibition. This provision does not apply to volunteer emergency medical, firefighting, or police service providers. [Sec. 112.3135, Fla. Stat.]

2. *Additional Restrictions*

A state employee of the executive or judicial branch or the PSC is prohibited from directly or indirectly procuring contractual services for his or her agency from a business entity of which a relative is an officer, partner, director, or proprietor, or in which the employee, or his or her spouse, or children own more than a 5% interest. [Sec. 112.3185(6), Fla. Stat.]

D. POST OFFICE HOLDING AND EMPLOYMENT (REVOLVING DOOR) RESTRICTIONS

1. *Lobbying by Former Legislators, Statewide Elected Officers, and Appointed State Officers*

A member of the Legislature or a statewide elected or appointed state official is prohibited for two years following vacation of office from representing another person or entity for compensation before the government body or agency of which the individual was an officer or member. Former members of the Legislature are also prohibited for two years from lobbying the executive branch. [Art. II, Sec. 8(e), Fla. Const. and Sec. 112.313(9), Fla. Stat.]

It does apply to OPS employees.

3. 6-Year Lobbying Ban

For a period of six years after vacation of public position occurring on or after December 31, 2022, a statewide elected officer or member of the legislature shall not lobby for compensation on issues of policy, appropriations, or procurement before the legislature or any state government body or agency. Unless waived by the agency head, a former executive or judicial branch employee or PSC employee may not be paid more for contractual services provided by him or her to the former agency during the first year after leaving the agency than his or her annual salary before leaving. [Sec. 112.3185(5), Fla. Stat.]

These prohibitions do not apply to PSC employees who were so employed on or before Dec. 31, 1994.

5. *Lobbying by Former Local Government Officers and Employees*

E. VOTING CONFLICTS OF INTEREST

State public officers are prohibited from voting in an official capacity on any measure which they know would inure to their own special private gain or loss. A state public officer who abstains, or who votes on a measure which the officer knows would inure to the special private gain or loss of any principal by whom he or she is retained, of the parent organization or subsidiary or sibling of a corporate principal by which he or she is retained, of a relative, or of a business associate, must make every reasonable effort to file a memorandum of voting conflict with the recording secretary in advance of the vote. If that is not possible, it must be filed within 15 days after the vote occurs. The memorandum must disclose the nature of the officer's interest in the matter.

No county, municipal, or other local public officer shall vote in an official capacity upon any measure which would inure to his or her special private gain or loss, or which the officer knows would inure to the special private gain or loss of any principal by whom he or she is retained, of the parent organization or subsidiary or sibling of a corporate principal by which he or she is retained, of a relative, or of a business associate. The officer must publicly announce the nature of his or her interest before the vote and must file a memorandum of voting conflict on Commission Form 8B with the meeting's recording officer within 15 days after the vote occurs disclosing the nature of his or her interest in the matter. However, members of community redevelopment agencies and district officers elected on a one-acre, one-vote basis are not required to abstain when voting in that capacity.

No appointed state or local officer shall participate in any matter which would inure to the officer's special private gain or loss, the special private gain or loss of any principal by whom he or she is retained, of the parent organization or subsidiary or sibling of a corporate principal by which he or she is retained, of a relative, or of a business associate, without first disclosing the nature of his or her interest in the matter. The memorandum of voting conflict (Commission Form 8A or 8B) must be filed with the meeting's recording officer, be provided to the other members of the agency, and be read publicly at the next meeting.

If the conflict is unknown or not disclosed prior to the meeting, the appointed official must orally disclose the conflict at the meeting when the conflict becomes known. Also, a written memorandum of voting conflict must be filed with the meeting's recording officer within 15 days of

the disclosure being made and must be provided to the other members of the agency, with the disclosure being read publicly at the next scheduled meeting. [Sec. 112.3143, Fla. Stat.]

F. DISCLOSURES

Conflicts of interest may occur when public officials are in a position to make decisions that affect their personal financial interests. This is why public officers and employees, as well as candidates who run for public office, are required to publicly disclose their financial interests. The disclosure process serves to remind officials of their obligation to put the public interest above personal considerations. It also helps citizens to monitor the considerations of those who spend their tax dollars and participate in public policy decisions or administration.

All public officials and candidates do not file the same degree of disclosure; nor do they all file at the same time or place. Thus, care must be taken to determine which disclosure forms a particular official or candidate is required to file.

FORM 9 NEED NOT BE FILED if no such gift was received during the calendar quarter.

Information to be disclosed includes a description of the gift and its value, the name and address of the donor, the date of the gift, and a copy of any receipt for the gift provided by the donor. [Sec. 112.3148, Fla. Stat.]

State government entities, airport authorities, counties, municipalities, school boards, water management districts, and the South Florida Regional Transportation Authority, may give a gift worth more than \$100 to a person required to file FORM 1 or FORM 6, and to state procurement employees, if a public purpose can be shown for the gift. Also, a direct-support organization for a governmental entity may give such a gift to a person who is an officer or employee of that entity. These gifts are to be reported on FORM 10, to be filed by July 1.

The governmental entity or direct-support organization giving the gift must provide the officer or employee with a statement about the gift no later than March 1 of the following year. The officer or employee then must disclose this information by filing a statement by July 1 with his or her annual financial disclosure that describes the gift and lists the donor, the date of the gift, and the value of the total gifts provided during the calendar year. The disclosure must be filed by July 1, for expenses received during the previous calendar year, with the officer's or employee's FORM 1 or FORM 6. State procurement employees file their statements with the Commission on Ethics. [Sec. 112.3149, Fla. Stat.]

This may include gifts or honorarium event related expenses that formerly were permitted under Sections 112.3148 and 112.3149. [Sec. 112.3215, Fla. Stat.] Similar prohibitions apply to legislative officials and employees. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. If such person or entity makes a gift worth between \$25 and \$100 to a reporting individual or state procurement employee (that is not accepted in behalf of a governmental entity or charitable organization), the gift should be reported on FORM 30. The donor also must notify the recipient at the time the gift is made that it will be reported.

The FORM 30 should be filed by the last day of the calendar quarter following the calendar quarter in which the gift was made. This may include gifts that formerly were permitted under Section 112.3148. [Sec. 112.3215, Fla. Stat.] Similar prohibitions apply to legislative officials and employees. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. Stat.] In addition, gifts from political committees are prohibited. [Sec. 112.31485, Fla. Stat.]

VI. ADVISORY OPINIONS

Conflicts of interest may be avoided by greater awareness of the ethics laws on the part of public officials and employees through advisory assistance from the Commission on Ethics.

A. Who Can Request an Opinion

Any public officer, candidate for public office, or public employee in Florida who is in doubt about the applicability of the standards of conduct or disclosure laws to himself or herself, or anyone who has the power to hire or terminate another public employee, may seek an advisory opinion from the Commission about himself or herself or that employee.

B. How to Request an Opinion

Opinions may be requested by letter presenting a question based on a real situation and including a detailed description of the situation. Opinions are issued by the Commission and are binding on the conduct of the person who is the subject of the opinion, unless material facts were omitted or misstated in the request for the opinion. Published opinions will not bear the name of the persons involved unless they consent to the use of their names; however, the request and all information pertaining to it is a public record, made available to the Commission and to members of the public in advance of the Commission's consideration of the question.

C. How to Obtain Published Opinions

All of the Commission's opinions are available for viewing or download at its website:
www.ethics.state.fl.us.

VII. COMPLAINTS

A. Citizen Involvement

The Commission on Ethics cannot conduct investigations of alleged violations of the Sunshine Amendment or the Code of Ethics unless a person files a sworn complaint with the Commission alleging such violation has occurred, or a referral is received, as discussed below.

If you have knowledge that a person in government has violated the standards of conduct or disclosure laws described above, you may report these violations to the Commission by filing a sworn complaint on the form prescribed by the Commission and available for download at www.ethics.state.fl.us. The Commission is unable to take action based on learning of such misdeeds through newspaper reports, telephone calls, or letters.

You can download a complaint form (FORM 50) from the Commission's website: www.ethics.state.fl.us, or contact the Commission office at the address or phone number shown on the inside front cover of this booklet.

B. Referrals

The Commission may accept referrals from: the Governor, the Florida Department of Law Enforcement, a State Attorney, or a U.S. Attorney. A vote of six of the Commission's nine members is required to proceed on such a referral.

C. Confidentiality

The complaint or referral, as well as all proceedings and records relating thereto, is confidential until the accused requests that such records be made public or until the matter reaches a stage in the Commission's proceedings where it becomes public. This means that unless the Commission receives a written waiver of confidentiality from the accused, the Commission is not free to release any documents or to comment on a complaint or referral to members of the public or press, so long as the complaint or referral remains in a confidential stage.

A COMPLAINT OR REFERRAL MAY NOT BE FILED WITH RESPECT TO A CANDIDATE ON THE DAY OF THE ELECTION, OR WITHIN THE 30 CALENDAR DAYS PRECEDING THE ELECTION DATE, UNLESS IT IS BASED ON PERSONAL INFORMATION OR INFORMATION OTHER THAN HEARSAY.

D. How the Complaint Process Works

Complaints which allege a matter within the Commission's jurisdiction are assigned a tracking number and Commission staff forwards a copy of the original sworn complaint to the accused within five working days of its receipt. Any subsequent sworn amendments to the complaint also are transmitted within five working days of their receipt.

Once a complaint is filed, it goes through three procedural stages under the Commission's rules. The first stage is a determination of whether the allegations of the complaint are legally sufficient: that is, whether they indicate a possible violation of any law over which the Commission has jurisdiction. If the complaint is found not to be legally sufficient, the Commission will order that the complaint be dismissed without investigation, and all records relating to the complaint will become public at that time.

In cases of very minor financial disclosure violations, the official will be allowed an opportunity to correct or amend his or her disclosure form. Otherwise, if the complaint is found to be legally sufficient, a preliminary investigation will be undertaken by the investigative staff of the Commission. The second stage of the Commission's proceedings involves this preliminary investigation and a decision by the Commission as to whether there is probable cause to believe that there has been a violation of any of the ethics laws. If the Commission finds no probable cause to believe there has been a violation of the ethics laws, the complaint will be dismissed and will become a matter of public record. If the Commission finds probable cause to believe there has been a violation of the ethics laws, the complaint becomes public and usually enters the third stage of proceedings. This stage requires the Commission to decide whether the law was actually violated and, if so, whether a penalty should be recommended. At this stage, the accused has the right to request a public hearing (trial) at which evidence is presented, or the Commission may order that such a hearing be held. Public hearings usually are held in or near the area where the alleged violation occurred.

When the Commission concludes that a violation has been committed, it issues a public report of its findings and may recommend one or more penalties to the appropriate disciplinary body or official.

When the Commission determines that a person has filed a complaint with knowledge that the complaint contains one or more false allegations or with reckless disregard for whether the complaint contains false allegations, the complainant will be liable for costs plus reasonable attorney's fees incurred by the person complained against. The Department of Legal Affairs may bring a civil action to recover such fees and costs, if they are not paid voluntarily within 30 days.

E. Dismissal of Complaints At Any Stage of Disposition

The Commission may, at its discretion, dismiss any complaint at any stage of disposition should it determine that the public interest would not be served by proceeding further, in which case the Commission will issue a public report stating with particularity its reasons for the dismissal. [Sec. 112.324(12), Fla. Stat.]

F. Statute of Limitations

All sworn complaints alleging a violation of the Sunshine Amendment or the Code of Ethics must be filed with the Commission within five years of the alleged violation or other breach of the public trust. Time starts to run on the day AFTER the violation or breach of public trust is committed. The statute of limitations is tolled on the day a sworn complaint is filed with the Commission. If a complaint is filed and the statute of limitations has run, the complaint will be dismissed. [Sec. 112.3231, Fla. Stat.]

VIII. EXECUTIVE BRANCH LOBBYING

Any person who, for compensation and on behalf of another, lobbies an agency of the executive branch of state government with respect to a decision in the area of policy or procurement may be required to register as an executive branch lobbyist. Registration is required before lobbying an agency and is renewable annually. In addition, each lobbying firm must file a compensation report

with the Commission for each calendar quarter during any portion of which one or more of the firm's lobbyists were registered to represent a principal. As noted above, no executive branch lobbyist or principal can make, directly or indirectly, and no executive branch agency official or employee who files FORM 1 or FORM 6 can knowingly accept, directly or indirectly, **any expenditure** made for the purpose of lobbying. [Sec. 112.3215, Fla. Stat.]

Paying an executive branch lobbyist a contingency fee based upon the outcome of any specific executive branch action, and receiving such a fee, is prohibited. A violation of this prohibition is a first degree misdemeanor, and the amount received is subject to forfeiture. This does not prohibit sales people from receiving a commission. [Sec. 112.3217, Fla. Stat.]

Executive branch departments, state universities, community colleges, and water management districts are prohibited from using public funds to retain an executive branch (or legislative branch) lobbyist, although these agencies may use full-time employees as lobbyists. [Sec. 11.062, Fla. Stat.]

Online registration and filing is available at www.floridalobbyist.gov. Additional information about the executive branch lobbyist registration system may be obtained by contacting the Lobbyist Registrar at the following address:

IX. WHISTLE-BLOWER'S ACT

In 1986, the Legislature enacted a "Whistle-blower's Act" to protect employees of agencies and government contractors from adverse personnel actions in retaliation for disclosing information in a sworn complaint alleging certain types of improper activities. Since then, the Legislature has revised this law to afford greater protection to these employees.

While this language is contained within the Code of Ethics, the Commission has no jurisdiction or authority to proceed against persons who violate this Act. Therefore, a person who has disclosed information alleging improper conduct governed by this law and who may suffer adverse consequences as a result should contact one or more of the following: the Office of the Chief Inspector General in the Executive Office of the Governor; the Department of Legal Affairs; the Florida Commission on Human Relations; or a private attorney. [Sec. 112.3187 - 112.31895, Fla. Stat.]

X. ADDITIONAL INFORMATION

As mentioned above, we suggest that you review the language used in each law for a more detailed understanding of Florida's ethics laws. The "Sunshine Amendment" is Article II, Section 8, of the Florida Constitution. The Code of Ethics for Public Officers and Employees is contained in Part III of Chapter 112, Florida Statutes.

Additional information about the Commission's functions and interpretations of these laws may be found in Chapter 34 of the Florida Administrative Code, where the Commission's rules are published, and in The Florida Administrative Law Reports, which until 2005 published many of the Commission's final orders. The Commission's rules, orders, and opinions also are available at www.ethics.state.fl.us.

If you are a public officer or employee concerned about your obligations under these laws, the staff of the Commission will be happy to respond to oral and written inquiries by providing information about the law, the Commission's interpretations of the law, and the Commission's procedures.

MANAGEMENT SERVICES MASTER AGREEMENT

This **Management Services Master Agreement** (the “Agreement”) is made on October____, 2023
between:

- 1) **KINGSTON ONE COMMUNITY DEVELOPMENT DISTRICT**, a Community Development District with its principal place of business located in Hillsborough County, Florida (hereinafter the “District”); and
- 2) **INFRAMARK, LLC**, a Texas limited liability company registered in Florida, with its principal place of business at 2005 Pan Am Circle Ste 300, Tampa FL 33607 (hereinafter the “Service Company”)

BACKGROUND

The District desires to procure management services required for the District as set forth in Schedule A attached to this Agreement (“Services”) and the Service Company desires to provide said operations and maintenance services to the District.

In consideration of the mutual promises in this Agreement, the parties agree as follows:

1) TERM AND TERMINATION

1.1 The term of this Agreement shall be for an initial period of one (1) years from commencement date defined in first paragraph of page one of services hereunder, and shall automatically renew for additional one (1) year terms unless either party terminates for any reason, in writing by certified mail return receipt requested, sixty (60) days prior to the renewal date.

1.2 The failure of either party to comply with the terms of this Agreement shall constitute a default. Upon default by one party, the other party shall send written Notice of Termination. Such notice shall clearly specify the nature of the default and provide the defaulting party forty-five (45) days to cure the default. If the default is capable of being cured within forty-five (45) days, but is not cured, the Agreement shall terminate at midnight of the forty-fifth (45th) day following receipt of the Notice. In the case of default that cannot be cured within forty-five (45) days, this Agreement shall not terminate so long as the defaulting party has given written notice of the extension to the other party and the defaulting party has commenced and is diligently pursuing a cure.

1.3 This Agreement may be terminated upon the dissolution or court-declared invalidity of the District.

1.4 Upon termination, the Service Company shall be paid in full for all services rendered and reimbursed for all reasonable costs and/or expenses incurred on behalf of the District through the date of termination.

1.5 If District incurs costs for damages due to a default of the Service Company that results in termination of this

Agreement, District may deduct such costs or damages from the final payment due to Service Company. Such deduction will not exceed the final payment owed to Service Company and will constitute full and final settlement between District and Service Company for all claims against Service Company by District and a release by District of any and all further claims against Service Company.

1.6 The Service Company may, at its discretion, suspend service immediately should the District fail to make payments in a timely manner, until such time as the account is made current.

2) SERVICE COMPANY’S SERVICES

2.1. Service Company shall provide the services as set forth in Schedule A attached to this Agreement (the “Services”).

2.2. Upon the first home closing in the District (the “Active Site Development and Resident Services Stage”), the Service Company shall perform the Field Management Services Set forth in Schedule B.

2.3. Service Company may perform additional services or beyond the Services specified in Schedules A and B with the mutual consent of both parties. The parties shall separately negotiate the costs of any such additional services.

2.4. Service Company may offer and/or District may request, that additional services be provided under this Agreement. In the event that the Service Company and the District agree upon a change in the scope of services to be provided under this Agreement, such agreement as well as the change in compensation, if any, shall be agreed to in writing by both Parties and will be invoiced in accordance with this Agreement.

2.5. In performing the services, Service Company may rely on information supplied by the District and Service Company shall not be required to independently verify the accuracy and completeness of such information. In addition, although the Service Company may participate in the accumulation of information developed by others necessary for use in documents required by the District, Service Company is not responsible for verifying the accuracy of such information.

2.6. Nothing in this Agreement shall prohibit the Service Company from (a) performing water and wastewater utility management, customer services, utility billing, and operation and maintenance services for the District under a separate agreement; and (b) providing for the benefit of any other district services similar to the services provided to District. District hereby waives any and all conflicts of interest or potential conflicts of interest, it being specifically agreed to and understood that Service Company's provision of such services to the District or to any other district shall not constitute a conflict of interest under this Agreement.

2.7. Even though Service Company's employees may include licensed attorneys and engineers, the District acknowledges that Service Company is not performing in the capacity of a law firm or an engineering firm when providing services under this Agreement. Service Company may offer general interpretation of documents, but legal opinions are obtainable only from the District's legal counsel.

2.8. Service Company shall provide the Services in a professional and workmanlike manner, and in accordance with generally accepted industry practices. THE SERVICE COMPANY EXPRESSLY DISCLAIMS ALL OTHER EXPRESS AND IMPLIED WARRANTIES UNDER LAW.

2.9. If the scope of services requires the Service Company to administer or supervise the District's personnel, the Service Company shall not be responsible for any damages, losses, settlement payments deficiencies, liabilities, costs and expenses resulting from the failure of the District's employees to follow the instructions of the Service Company.

3) DISTRICT OBLIGATIONS

3.1. District shall:

3.1.1. Perform all duties and discharge all responsibilities and obligations not expressly assumed by the Service Company pursuant to the terms of this Agreement;

3.1.2. Obtain and maintain all state, federal, and local permits and licenses required;

3.1.3. Comply with applicable law relating to the management of the District to the extent that the responsibility of complying with those laws is not specifically assumed by the Service Company under this Agreement (the Service Company shall not be responsible for the District's failure to comply with any provision of applicable law that is not otherwise specifically assumed by the Service Company hereunder); and

3.2. The Service Company shall have no liability for vendor late charges if the late charges are not the result of the Service Company's fault or negligence.

3.3. The District represents and warrants that:

3.3.1. It is duly incorporated, validly existing, and in good standing under the laws of its state;

3.3.2. It has all requisite power, financial capacity, and authority to execute, deliver, and perform its obligations under this Agreement;

3.3.3. The execution, delivery, and performance of this Agreement has been duly and validly authorized by it by all necessary action, and this Agreement constitutes the legal, valid, and binding agreement of it and is enforceable against it in accordance with its terms;

3.3.4. It shall comply with all applicable federal, state, local, or other laws and regulations applicable to the performance by it of its obligations under this Agreement and shall obtain all applicable permits and licenses required of it in connection with its obligations under this Agreement;

Authority lies in a majority vote of the Directors, and no Director shall act independently unless authorized by a Board Resolution that empowers him to make specific decisions independently or spend funds within a specified dollar range. District shall also appoint a liaison to communicate Board decisions to Service Company. If no liaison is named, it shall be the Chairman. The District acknowledges and agrees that in the course of providing the Services, it may be necessary for Service Company to use District computer systems, data systems, or networks, or to come into contact with District residents' personal information. District shall notify Service Company of any protocols for said systems and information, and Service Company shall follow all such protocols as provided, and shall not be liable for the loss or compromise of District systems or information. If no protocols are provided, then Service Company shall treat such systems and information with the same degree of care and confidentiality as it treats its own systems and information, but no less than a reasonable degree of care. Notwithstanding anything in this Agreement to the contrary, Service Company is not liable for any liabilities, losses, damages, expenses, fines, or penalties incurred by the District or any third party as a result of a data security breach or other cyber security breach to the District's computer systems, operating systems, and all other technological or information systems related to the Services provided hereunder, except to the extent such liability, loss, damage, expense, fine, or penalty is the direct result Service Company's negligence or willful misconduct.

Friday through 9:00 A.M. the following Monday. The Service Company shall not charge for travel time to and from meetings.

4.4. Additional services not described on Schedules A and B which are rendered by the Service Company for or on behalf of the District, with the District's prior written consent, including, but not limited to, preparation of special schedules in assisting auditors, preparation for lawsuits or court appearances, and/or the coordination of insurance claims, major construction projects, or emergency repairs due to acts of God, when requested by the District, will be billed at the rate of \$125.00 per hour or as otherwise agreed by Service Company, to be paid by the District upon receipt of statement. The billing and/or supervision of construction for restoration due to insurance claims or special construction projects shall be billed as a part of the claim at the rate of fifteen percent (15%) of the actual cost of new construction or reconstruction if so requested and approved by the Board of Directors. Such costs and expenses are payable by the District to the Service Company. The District shall pay all reasonable legal fees and expenses should it become necessary for the Service Company to seek legal assistance to recover any balance owed by the District under this Agreement.

4.7. For each fiscal year of the District, the compensation payable to the Service Company under the terms and conditions of this Agreement shall be in an amount approved by the

District in its final fiscal year budget. Each fiscal year the District will consider price adjustments proposed by the Service Company to compensate for market conditions and the anticipated type and amount of work to be performed by the Service Company during the upcoming fiscal year of the District. In no event shall the compensation payable to the Service Company be reduced, unless agreed to by the District and Service Company, in writing. Should the District not approve a price adjustment proposed by the Service Company, the Service Company shall have the option to terminate the Agreement with sixty (60) days' written notice to the District.

4.8. If the fiscal year budget is not approved prior to the first day of the fiscal year, the Service Company's compensation under this Agreement will continue at the rate currently in effect at the time of the renewal. The subsequent approval of the budget will result in a retroactive fee adjustment, which will be invoiced in the first month following approval of the budget.

4.9. Any and all late payments due to either party from the other shall accrue interest at a rate of one and one-half percent (1 ½%) per month from the original due date and until payment is received, unless waived by agreement.

5) INDEMNIFICATION AND LIMITATION

**Re: Kingston One Community Development District
Proposal for District Counsel General Legal Representation**

Board of Supervisors:

Thank you for this opportunity to provide you with our proposal for the provision of legal services to Kingston One Community Development District (the "District"). The purpose of this letter is to set forth our proposal for legal representation as District Counsel for the District.

General representation of the District includes services, as requested by the District, including the following: (i) attendance at meetings of the Board of Supervisors of the District; (ii) preparation and review of contracts; (iii) representation of the District in administrative hearings and before the applicable county commissions; (iv) coordination with district management and supervisors on legal issues; (v) consultation with supervisors on the Government in the Sunshine Law, Public Records Law and ethical issues; and (vi) general monitoring compliance by the District with applicable laws and notice requirements. Representation also includes compliance with Section 119.0701, Florida Statutes in relation to public records, as applicable. As required, certain disclosure provisions are attached as Exhibit "A" and included pursuant to the requirements of applicable law.

Our fees for general legal services to be provided to the District will be based upon the amount of time expended by our attorneys and paralegals. The two attorneys that are expected to provide services to the District are Gregory L. Urbancic, Esq. and Meagan Magaldi, Esq., although this may change over time or pursuant to the particular legal issue presented. The current hourly rate to be charged for Greg Urbancic's general legal services to the District would be \$375.00 per hour and Meagan Magaldi's currently hour rate would be \$225.00 per hour. The hourly rates for other attorneys in our firm that may work on this matter range from \$175.00 to \$550.00. Hourly charges for paralegal services are presently \$125.00 per hour. These rates may be modified over time. Our statement reflects the rates in effect at the time invoiced services were performed. It is our practice to charge clients the regularly hourly rate for time for traveling in connection with business for our clients.

Costs or disbursements we advance on the District's behalf will be charged to the District. Such costs will include long distance telephone and toll charges, authorized travel expenses, copying charges, messenger service, expedited mail, filing fees, court costs, recording fees and other out-of-pocket expenses

which we reasonably incur in connection with our representation of the District. We will render statements to the District monthly covering services rendered and disbursements incurred during the preceding month. We expect payment of each statement upon its rendition and in no event later than thirty days.

The District may terminate our representation at any time by notifying us in writing, arranging to pay the final bill, and approving written instructions of the disposition of the papers and property which are in our possession. Upon such termination, the District's papers and property will be returned to the District promptly upon our receipt of payment of outstanding statements for services and disbursements in our final bill. Our files pertaining to the matter will be retained. Termination of services will not affect the District's responsibility to pay for legal services rendered and disbursements incurred before termination and in connection with an orderly transition of the matter.

We are subject to the rules of professional conduct, which describe several types of conduct or circumstances which require or allow us to withdraw from representing a client. Nonpayment of fees or disbursements, misrepresentation or failure to disclose material facts, action contrary to our advice and conflict of interest with another client are examples of several such circumstances or conduct. We will try to identify in advance and discuss with you any situation which may lead to our withdrawal. If withdrawal ever becomes necessary, we will immediately give the District written notice of our withdrawal.

The scope of the work described herein does not include work with regard to any proposed issuance of bonds by the District (including any applicable Circuit Court validation, preparing and issuing an issuer's counsel opinion letter, or reviewing engineer's reports and assessment methodologies relating to any bond issue). Should the District pursue such an issuance of bonds in the future, our firm would be willing to provide these services to the District in a manner to be agreed upon at a later date.

To evidence the District's consent to this arrangement, please sign the bottom portion of this letter where indicated and return a copy to us. We appreciate the opportunity to represent the District in this matter and look forward to working with the District. Our representation of the District will commence upon receipt of the executed retention letter.

Please contact us if you have any questions regarding this proposal.

Sincerely,

A handwritten signature in blue ink, appearing to read 'G. Urbancic', with a long horizontal flourish extending to the right.

All rights in and title to all plans, drawings, specifications, ideas, concepts, designs, sketches, models, programs, software, creation, inventions, reports, or other tangible work product originally developed by Engineer pursuant to this Agreement (“**Work Product**”) shall be and remain the sole and exclusive property of the District when developed and shall be considered work for hire.
- b. Engineer shall deliver all Work Product to the District upon completion thereof unless it is necessary for Engineer in the District’s sole discretion, to retain possession for a longer period of time. Upon early termination of Engineer’s services hereunder, Engineer shall deliver all such Work Product whether complete or not. The District shall have all rights to use any and all Work Product. Engineer shall retain copies of the Work Product for its permanent records, provided the Work Product is not used without the District’s prior express written consent. Engineer agrees not to recreate any Work Product contemplated by this Agreement, or portions thereof, which if constructed or otherwise materialized, would be reasonably identifiable with the project. If said work product is used by the District for any purpose other than that purpose which is intended by this Agreement, the District shall indemnify Engineer from any and all claims and liabilities which may result from such re-use, in the event Engineer does not consent to such use.
- c. The District exclusively retains all manufacturing rights to all materials or designs developed under this Agreement. To the extent the services performed under this Agreement produce or include copyrightable or patentable materials or designs, such materials or designs are work made for hire for the District as the author, creator, or inventor thereof upon creation, and the District shall have all rights therein including, without

limitation, the right of reproduction, with respect to such work. Engineer hereby assigns to the District any and all rights Engineer may have including, without limitation, the copyright, with respect to such work. The Engineer acknowledges that the District is the motivating factor for, and for the purpose of copyright or patent, has the right to direct and supervise the preparation of such copyrightable or patentable materials or designs.

11. Accounting Records. Records of Engineer pertaining to the services provided hereunder shall be kept on a basis of generally accepted accounting principles and shall be available to the District or its authorized representative for observation or audit at mutually agreeable times.

12. Reuse of Documents. All documents including drawings and specifications furnished by Engineer pursuant to this Agreement are instruments of service. They are not intended or represented to be suitable for reuse by District or others on extensions of the work for which they were provided or on any other project. Any reuse without specific written consent by Engineer will be at the District's sole risk and without liability or legal exposure to Engineer. All documents including drawings, plans and specifications furnished by Engineer to District are subject to reuse in accordance with Section 287.055(10), Florida Statutes.

13. Cost Estimates. Since Engineer has no control over the cost of labor, materials or equipment or over a contractor's methods of determining prices, or over competitive bidding or market conditions, his opinions of probable cost provided as a service hereunder are to be made on the basis of his experience and qualifications and represent his best judgment as a design professional familiar with the construction industry, but Engineer cannot and does not guarantee that proposals, bids, or the construction costs will not vary from opinions of probable cost prepared by him. If the District wishes greater assurance as to the construction costs, it shall employ an independent cost estimator at its own expense. Services to modify approved documents to bring the construction cost within any limitation established by the District will be considered additional services and justify additional fees.

14. Insurance. Engineer shall, at its own expense, maintain insurance during the performance of its services under this Agreement, with limits of liability not less than the amounts set forth in **Exhibit C**. If any such policy of insurance is a "claims made" policy, and not an "occurrence" policy, the Engineer shall, without interruption, maintain the insurance for at least five (5) years after the termination of this Agreement.

The District, its officers, supervisors, agents, staff, and representatives shall be named as additional insured parties on all of the insurance policies listed in **Exhibit C** except with respect to the Worker's Compensation Insurance and the Professional Liability for Errors and Omissions Insurance. Engineer shall furnish the District with the Certificate of Insurance and any applicable endorsements evidencing compliance with the requirements of this Section. No certificate shall be acceptable to the District unless it provides that any change or termination within the policy periods of the insurance coverage, as certified, shall not be effective without written notice to the District per the terms of the applicable policy. Insurance coverage shall be from a reputable insurance carrier, licensed to conduct business in the state of Florida.

If Engineer fails to have secured and maintained the required insurance, the District has the right (without any obligation to do so, however), to secure such required insurance in which event, Engineer shall pay the cost for that required insurance and shall furnish, upon demand, all information that may be required in connection with the District's obtaining the required insurance.

15. **Contingent Fee.** Engineer warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for Engineer, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for Engineer, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement.

16. **Audit.** Engineer agrees that the District or any of its duly authorized representatives shall, until the expiration of three (3) years after expenditure of funds under this Agreement, have access to and the right to examine any books, documents, papers, and records of Engineer involving transactions related to the Agreement. Engineer agrees that payment made under the Agreement shall be subject to reduction for amounts charged thereto that are found on the basis of audit examination not to constitute allowable costs. All required records shall be maintained until an audit is completed and all questions arising therefrom are resolved, or three (3) years after completion of all work under the Agreement.

17. **Indemnification.** Engineer agrees to indemnify and hold the District and the District's officers and employees harmless from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorney's fees, which may come against the District and the District's officers and employees, to the extent caused wholly or in part by negligent, reckless, or intentionally wrongful acts, omissions, or defaults by Engineer or persons employed or utilized by Engineer the course of any work done under this Agreement. To the extent a limitation on liability is required by Section 725.06 of the *Florida Statutes* or other applicable law, liability under this section shall in no event exceed the greater of the insurance limits set forth in **Exhibit C** or Two Million Dollars (\$2,000,000). Engineer agrees such limitation bears a reasonable commercial relationship to the contract and was part of the project specifications or bid documents.

18. **INDIVIDUAL LIABILITY.** UNDER THIS AGREEMENT, AND SUBJECT TO THE REQUIREMENTS OF SECTION 558.0035, *FLORIDA STATUTES*, WHICH REQUIREMENTS ARE EXPRESSLY INCORPORATED HEREIN, AN INDIVIDUAL EMPLOYEE OR AGENT MAY NOT BE HELD INDIVIDUALLY LIABLE FOR NEGLIGENCE.

19. Sovereign Immunity. Engineer agrees and covenants that nothing in this Agreement shall constitute or be construed as a waiver of the District's limitations on liability pursuant to Section 768.28, *Florida Statutes*, or any other statute or law.

20. Public Records. Engineer agrees and understands that Chapter 119, Florida Statutes, may be applicable to documents prepared in connection with work provided to the District and agrees to cooperate with public record requests made thereunder. In connection with this Agreement, Engineer agrees to comply with all provisions of Florida's public records laws, including but not limited to Section 119.0701, Florida Statutes, the terms of which are incorporated herein. Among other requirements, Engineer must:

- a. Keep and maintain public records required by the District to perform the service;
- b. Upon request from the District's custodian of public records, provide the District with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, *Florida Statutes* or as otherwise provided by law;
- c. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the Agreement if the Engineer does not transfer the records to the District; and
- d. Upon completion of this Agreement, transfer, at no cost, to the District all public records in possession of Engineer or keep and maintain public records required by the District to perform the service. If Engineer transfers all public records to the District upon completion of this Agreement, Engineer shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Engineer keeps and maintains public records upon completion of the Agreement, Engineer shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the District, upon request from the District's custodian of public records, in a format that is compatible with the information technology systems of the District.

IF THE ENGINEER HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ENGINEER'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE PUBLIC RECORDS CUSTODIAN AT REAL ESTATE ECONOMETRICS, INC., BRIAN LAMB C/O INFRAMARK, LLC AT (813)

21. **Employment Verification.** Engineer agrees that it shall bear the responsibility for verifying the employment status, under the Immigration Reform and Control Act of 1986, of all persons it employs in the performance of this Agreement.

22. **Conflicts of Interest.** Engineer shall bear the responsibility for acting in the District's best interests, shall avoid any conflicts of interest and shall abide by all applicable ethical canons and professional standards relating to conflicts of interest.

23. **Subcontractors.** Engineer may subcontract portions of the services, subject to the terms of this Agreement and subject to the prior written consent of the District, which may be withheld for any or no reason. Without in any way limiting any terms and conditions set forth in this Agreement, all subcontractors of Engineer shall be deemed to have made all of the representations and warranties of Engineer set forth herein and shall be subject to any and all obligations of Engineer hereunder. Prior to any subcontractor providing any services, Engineer shall obtain from each subcontractor its written consent to and acknowledgment of the terms of this Agreement. Engineer shall be responsible for all acts or omissions of any subcontractors.

24. **Independent Contractor.** The District and Engineer agree and acknowledge that Engineer shall serve as an independent contractor of the District. Neither Engineer nor employees of Engineer, if any, are employees of the District under the meaning or application of any federal or state unemployment, insurance laws, or any other potentially applicable laws. Engineer agrees to assume all liabilities or obligations by any one or more of such laws with respect to employees of Engineer, if any, in the performance of this Agreement. Engineer shall not have any authority to assume or create any obligation, express or implied, on behalf of the District and Engineer shall have no authority to represent as agent, employee, or in any other capacity the District unless set forth differently herein or authorized by vote of the Board.

25. **Assignment.** Neither the District nor Engineer shall assign, sublet, or transfer any rights under or interest in this Agreement without the express written consent of the other. Nothing in this paragraph shall prevent the Engineer from employing such independent professional associates and consultants as Engineer deems appropriate, pursuant to the terms of this Agreement.

26. **Third-Parties.** This Agreement is solely for the benefit of the parties hereto and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third- party not a formal party to this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or corporation other than the parties hereto any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and all of the provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the parties and their respective representatives, successors, and assigns.

27. **Controlling Law; Venue.** This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. The

parties agree and consent to, for the purposes of venue, the jurisdiction of the courts of Lee County, Florida.

28. Termination. The District may terminate this Agreement for cause immediately upon notice to Engineer. The District or Engineer may terminate this Agreement without cause upon thirty (30) days written notice. At such time as Engineer receives notification of the intent of the District to terminate the contract, Engineer shall not perform any further services unless directed to do so in writing by the District. In the event of any termination or breach of any kind, Engineer shall not be entitled to consequential damages of any kind (including but not limited to lost profits), but instead Engineer's sole remedy will be to recover payment for services rendered to the date of the notice of termination, subject to any offsets the District may have against the Engineer.

29. Recovery of Costs and Fees. In the event either party is required to enforce this Agreement by court proceedings or otherwise, then the prevailing party shall be entitled to recover from the other party all costs incurred, including reasonable attorneys' fees and paralegals' fees, expert witness fees and costs, at all judicial levels.

30. Amendments. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both of the parties hereto and formally approved by the Board.

31. Agreement. This Agreement reflects the negotiated agreement of the parties, each represented by competent legal counsel. Accordingly, this Agreement shall be construed as if both parties jointly prepared it, and no presumption against one party or the other shall govern the interpretation or construction of any of the provisions of this Agreement.

32. Notices. Any notice provided by this Agreement to be served in writing upon either of the parties shall be deemed sufficient if hand delivered, sent by commercial next-business-day courier, regular U.S. mail or email, to the authorized representative of the other party at the addresses below or to such other addresses as the parties hereto may hereafter designate in writing. Re: **Kingston One Community Development District Special Assessment Bonds
(Multiple Series)**

Dear Mr. Chairman and Board Members:

Greenberg Traurig, P.A. would be pleased to serve as Bond Counsel to the Kingston One Community Development District (the “District”) in connection with its proposed issuance of the above-referenced bonds (the “Bonds”), a portion of the proceeds of which are to be used to finance certain public infrastructure within the District. We would propose to perform all of the services customarily performed by bond counsel, including tax analysis in connection with the issuance of each series of Bonds, trust indentures (which we shall prepare), including the preparation of all bond resolutions, the drafting of all closing papers, the delivery of our tax opinions to the investors and assistance to the underwriter in the preparation of the preliminary and final limited offering memoranda. For our bond counsel services we would propose a legal fee of not to exceed \$60,000 for each series of Bonds.

We will also seek reimbursement of our reasonable documented expenses; such fees and expenses payable at, and contingent upon, the closing of the Bond issues (other than our expenses which are not contingent on the closing of the Bonds). Our fees assume that the requirements of Circular 230 will not be applicable to the Bonds; but in any event could not exceed the above stated amount without notice to the Board of Supervisors.

If for any reason the District is unable to complete its financing or shall abandon issuing the Bonds utilizing special assessment bonds to finance the costs of the capital improvement plan, our proposed bond counsel fees would be payable in the amounts described below on or before the close of the applicable calendar year. Such amount due would be equal to our normal hourly rates, discounted by 10%, plus our reasonable documented out-of-pocket expenses. In all cases, if we were to be paid under such formula, our total fee for services provided as bond counsel would not exceed \$60,000 per issue. We presume that under that scenario, where there are no bond proceeds

available to pay our fees, payment would be made from general fund moneys of the District or moneys provided by the developer.

If our fee quote is acceptable to you, please indicate by signing below.

Please be assured that we will dedicate the necessary resources of the firm to achieve the District's goals in an expedited manner. If you have any questions, please feel free to give me a call. We look forward to the opportunity to work with you on this financing.

Very truly yours,

GREENBERG TRAURIG, P.A.

Re: Agreement for Underwriter Services & Rule G-17 Disclosure

Dear Mr. Lamb:

Thank you for the opportunity to work with the Kingston One Community Development District (the "Issuer") regarding the underwriting of the Issuer's Special Assessment Bonds, Series 2023 and future series of bonds (the "Bonds"). The Issuer and FMSbonds, Inc. ("FMS"), solely in its capacity as underwriter, agree to the proposed terms set forth herein in Attachment I. By executing this letter both parties agree to the terms set forth herein.

FMS's role is limited to act as Underwriter within the Scope of Services set forth herein as Attachment I, and not as a financial advisor or municipal advisor. FMS is not acting as a municipal advisor for the developer in connection with the subject transaction. Any information that FMS has previously provided was solely for discussion purposes in anticipation of being retained as your underwriter. Attachment II, attached hereto, contains the Municipal Securities Rulemaking Board (MSRB) Rule G-17 Disclosure, as set forth in the amended and restated MSRB Notice 2019-20 (November 8, 2019)¹ (the "Notice"). We ask that you provide this letter to the appropriate person at the Issuer.

We look forward to working with you.

Yours truly,

¹ Interpretive Notice Concerning the Application of MSRB Rule G-17 to underwriters and Underwriters of Municipal Securities (effective March 31, 2021).

ATTACHMENT I

Section 1 Scope of Services of FMS: FMS proposes that its duties as Underwriter shall be limited to the following:

1. To provide advice to the Issuer on the structure, timing and terms of the Bonds;
2. To coordinate the financing process;
3. To conduct due diligence;
4. To assist in the preparation of an offering memorandum;
5. To review the assessment methodology and Bond documents;
6. To market and offer Bonds to investors.

Section 2 Terms and Conditions:

1. Underwriter Fee ("Underwriting Fee"). FMS shall act as sole lead underwriter. The Underwriting Fee to FMS for acting as Underwriter shall be 2% of the par amount of any Bonds issued. The Underwriting Fee shall be due and payable only upon the closing of the Bonds. The Underwriting Fee may be modified pursuant to a bond delegation or award resolution approved by the Board and consented to by the Underwriter.
2. Price and Interest Rates: The offering price and interest rates are expected to be based on recent comparable transactions in the market, if any. FMS and the Issuer will jointly determine the offering price and interest rates immediately prior to the start of the order period, based on market conditions then prevailing.
3. Bond Purchase Agreement. The obligations of the Underwriter and those of the Issuer would be subject to the satisfactory completion of due diligence and to the customary representations, warranties, covenants, conditions, including provisions respecting its termination contained in the form of a bond purchase agreement FMS will prepare and as generally used in connection with the offering of Bonds for this type of transaction.
4. Costs of Issuance. The Issuer shall be responsible for the payment of all expenses relating to the offering, including but not limited to, attorney fees, consultant fees, costs associated with preparing offering documents, if any, the purchase agreement, regulatory fees and filing fees and expenses for qualification under blue sky laws designated by FMS and approved by the Issuer.
5. Assumptions. The proposed terms and statements of intention set forth in this attachment are based on information currently available to FMS about the Issuer and the market for special assessment bonds similar to the Bonds and the assumptions that:

- a) the financial condition and history of the project shall be substantially as understood, and the financial information for the relevant and appropriate period ended to be included in the final offering memorandum will not vary materially from those set forth in the material furnished to FMS;
 - b) no adverse developments shall occur which materially and adversely affect the underlying security and financial condition of the Issuer and the primary landowner and developer;
 - c) the offering memorandum will comply with all applicable laws and regulations;
 - d) there will not be any unanticipated substantial delays on the part of the Issuer in completing the transaction; and
 - e) all conditions of the Underwriter to purchase Bonds will be included in the bond purchase agreement and conditions shall be satisfied or waived, in the sole discretion of the Underwriter.
6. Information. The Issuer agrees to reasonably and actively assist FMS in achieving an underwriting that is satisfactory to FMS and the Issuer. To assist FMS in the underwriting the Issuer will (a) provide and cause the Issuer's staff and its professionals to provide FMS upon request with all information reasonably deemed necessary by FMS to complete the underwritings, included but not limited to, information and evaluations prepared by the Issuer and its advisors and the primary landowner and developer; and (b) otherwise assist FMS in its underwriting efforts.
7. Term of Engagement. The term of our engagement shall commence as of the date the covering letter is executed by the Issuer and continue in full force and effect unless terminated by either party. In event of termination by the Issuer without cause, FMS shall be entitled to recover its reasonable out of pocket expenses incurred up to the date of termination.
8. No Commitment. Notwithstanding the foregoing, nothing herein shall constitute an agreement to provide a firm commitment, underwriting or placement or arrangement of any securities by FMS or its affiliates. Any such commitment, placement or arrangement shall only be made a part of an underwriting agreement or purchase agreement at the time of the sale of the Bonds.

The engagement contemplated hereby is solely for the benefit of the Issuer and FMS and their respective successors, assigns and representatives and no other person or entity shall acquire or have any right under or by virtue hereof.

This engagement contains the entire understanding of the parties relating to the transactions contemplated hereby and supersedes all prior agreements, understandings and negotiations with respect thereto.

9. No Financial Advisor. FMS's role is limited to that of an Underwriter and not a financial advisor or municipal advisor.

ATTACHMENT II

MSRB Rule G-17 Disclosure --- The Issuer recognizes that FMSbonds, Inc. will serve as the underwriter (the "Underwriter") and not as a financial advisor or municipal advisor, in connection with the issuance of the bonds relating to this financing (herein, the "Bonds"). As part of our services as Underwriter, FMSbonds, Inc. may provide advice concerning the structure, timing, terms, and other similar matters concerning the issuance of the Bonds. Any such advice, if given, will be provided by FMSbonds, Inc. as Underwriter and not as your financial advisor or municipal advisor in this transaction. The Issuer may choose to engage the services of a municipal advisor with a fiduciary obligation to represent the Issuer's interest in this transaction.

Pursuant to the Notice, we are required by the MSRB to advise you that:

- MSRB Rule G-17 requires a broker to deal fairly at all times with both municipal issuers and investors.
- The Underwriter's primary role is to purchase the Bonds in an arm's-length commercial transaction with the Issuer. As such, the Underwriter has financial and other interests that differ from those of the Issuer.
- Unlike a municipal advisor, the Underwriter does not have a fiduciary duty to the Issuer under the federal securities laws and is, therefore, not required by federal law to act in the best interests of the Issuer without regard to its own financial or other interests.
- The Underwriter has a duty to purchase the Bonds from the Issuer at a fair and reasonable price, but must balance that duty with its duty to use its best efforts to resell the Bonds with purchases at prices that are fair and reasonable.
- The Bonds may be sold into a trust either at the time of issuance or subsequent to issuance. In such instance FMSbonds, Inc., not in its capacity of Underwriter, may participate in such trust arrangement by performing certain administrative roles. Any compensation paid to FMSbonds, Inc. would not be derived from the proceeds of the Bonds or from the revenues pledged thereunder.

The Underwriter will be compensated in accordance with the terms of a bond purchase contract by and between the Underwriter and Issuer. Payment or receipt of the Underwriter's compensation will be contingent on the closing of the transaction. While this form of compensation is customary in the municipal securities market, it presents a conflict of interest since an Underwriter may have an incentive to recommend a transaction that is unnecessary or to recommend that the size of a transaction be larger than is necessary. The Issuer acknowledges no such recommendation has been made by the Underwriter.

Please note nothing in this letter is an expressed or an implied commitment by us to provide financing or to place or purchase the Bonds. Any such commitment shall only be set forth in a bond purchase contract or other appropriate form of agreement for the type of transaction undertaken by you.

Further, our participation in any transaction (contemplated herein or otherwise) remains subject to, among other things, the execution of a bond purchase contract (or other appropriate form of agreement), further internal review and approvals, satisfactory completion of our due diligence investigation and market conditions.

FMSbonds, Inc. is acting independently in seeking to act as Underwriter in the transaction contemplated herein and shall not be deemed for any purpose to be acting as an agent, joint venturer or partner of any other principal involved in the proposed financing. FMSbonds, Inc. assumes no responsibility, express or implied, for any actions or omissions of, or the performance of services by, the purchasers or any other brokers in connection with the transactions contemplated herein or otherwise.

If you or any other representative of the Issuer have any questions or concerns about these disclosures, please make those questions or concerns known immediately to the undersigned. In addition, you should consult with your own financial, municipal, legal, accounting, tax and other advisors, as applicable, to the extent deemed appropriate.

The MSRB requires that we seek the Issuer's acknowledgement that it has received this letter. We request that the person at the Issuer who has the authority to bind the Issuer (herein, "Authorized Issuer Representative") acknowledge this letter as soon as practicable and by nature of such acknowledgment that such person is not a party to any conflict of interest relating to the subject transaction. If our understanding is incorrect, please notify the undersigned immediately.

Depending on the structure of the transaction that the Issuer decides to pursue, or if additional actual or perceived material conflicts are identified, we may be required to send you additional disclosures. At that time, we also will seek your acknowledgement of receipt of any such additional disclosures.

We look forward to working with you in connection with the issuance of the Bonds, and we appreciate the opportunity to assist you in this transaction. Thank you.

FMSbonds, Inc.

Billing for fees and expenses related to EAS is appropriate in instances where particular inquiries, events or developments are unexpected, even if the possibility of such circumstances could have been identified at the inception of the transaction, or as changes in law, procedures, or the cost of doing business demand. At our option, EAS may be charged on an hourly (time expended multiplied by current hourly rate), flat or special fee basis at such rates or in such amounts in effect at the time of such services, which may be modified by us in our sole discretion from time to time. * The quoted fee does not include services as Disclosure Agent pursuant to Securities & Exchange commission Rule 15c12-12, as amended. U.S. Bank Trust Company, N.A. will discuss this service with the Obligor if applicable pursuant to the terms of the bond issues.

Account approval is subject to review and qualification. Fees are subject to change at our discretion and upon written notice. Fees paid in advance will not be prorated. The fees set forth above and any subsequent modifications thereof are part of your agreement. Finalization of the transaction constitutes agreement to the above fee schedule, including agreement to any subsequent changes upon proper written notice. In the event your transaction is not finalized, any related out-of-pocket expenses will be billed to the client directly. Absent your written instructions to sweep or otherwise invest, all sums in your account will remain uninvested and no accrued interest or other compensation will be credited to the account. Payment of fees constitutes acceptance of the terms and conditions set forth.

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT:

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. For a nonindividual person such as a business entity, a charity, a trust or other legal entity, we ask for documentation to verify its formation and existence as a legal entity. We may also ask to see financial statements, licenses, identification and authorization documents from individuals claiming authority to represent the entity or other relevant documentation.

- 1.3** All claims submitted for reimbursement must be accompanied by a written statement that they are true and correct as to every material matter.

2.0 TRANSPORTATION.

- 2.8 No traveler shall be allowed either mileage or transportation expense when he/she is gratuitously transported by another person, or when he/she is transported by another traveler who is entitled to mileage or transportation expense. However, a traveler on a private aircraft shall be reimbursed the actual amount charged and paid for his/her fare for such transportation up to the cost of a commercial airline ticket for the same flight if one is available, even though the owner or pilot of the aircraft is also entitled to transportation expense for the same flight.

3.0 INCIDENTAL EXPENSES.

Pursuant to Chapter 190, Florida Statutes, and after a community development district ("District") has been established and the landowners have held their initial election, there shall be a subsequent landowners' meeting for the purpose of electing members of the Board of Supervisors ("Board") every two years until the District qualifies to have its board members elected by the qualified electors of the District. The following instructions on how all landowners may participate in the election are intended to comply with Section 190.006(2)(b), Florida Statutes.

A landowner may vote in person at the landowners' meeting, or the landowner may nominate a proxy holder to vote at the meeting in place of the landowner. Whether in person or by proxy, each landowner shall be entitled to cast one vote per acre of land owned by him or her and located within the District, for each position on the Board that is open for election for the upcoming term. A fraction of an acre shall be treated as one (1) acre, entitling the landowner to one vote with respect thereto. Please note that a particular parcel of real property is entitled to only one vote for each eligible acre of land or fraction thereof; therefore, two or more people who own real property in common, that is one acre or less, are together entitled to only one vote for that real property.

At the landowners' meeting, the first step is to elect a chair for the meeting, who may be any person present at the meeting. The landowners shall also elect a secretary for the meeting who may be any person present at the meeting. The secretary shall be responsible for the minutes of the meeting. The chair shall conduct the nominations and the voting. If the chair is a landowner or proxy holder of a landowner, he or she may nominate candidates and make and second motions. Candidates must be nominated and then shall be elected by a vote of the landowners. Nominees may be elected only to a position on the Board that is open for election for the upcoming term.

Five seats on the Board will be up for election by landowners. The 2 candidates receiving the highest number of votes will receive a 4-year term and the 3 candidates receiving the next highest number of votes will receive a 2-year term. The term of office for each successful candidate shall commence upon election.

A proxy is available upon request. To be valid, each proxy must be signed by one of the legal owners of the property for which the vote is cast and must contain the typed or printed name of the individual who signed the proxy; the street address, legal description of the property or tax parcel identification number; and the number of authorized votes. If the proxy authorizes more than one vote, each property must be listed and the number of acres of each property must be included. The signature on a proxy does not need to be notarized.

BUDGET INTRODUCTION

Background Information

The Kingston One Community Development District is a local special purpose government authorized by Chapter 190, Florida Statutes, as amended. The Community Development District (CDD) is an alternative method for planning, financing, acquiring, operating and maintaining community-wide infrastructure in master planned communities. The CDD also is a mechanism that provides a "solution" to the State's needs for delivery of capital infrastructure to service projected growth without overburdening other governments and their taxpayers. CDDs represent a major advancement in Florida's effort to manage its growth effectively and efficiently. This allows the community to set a higher standard for construction along with providing a long-term solution to the operation and maintenance of community facilities.

The following report represents the District budget for Fiscal Year 2024, which begins on October 1, 2023. The District budget is organized by fund to segregate financial resources and ensure that the segregated resources are used for their intended purpose, and the District has established the following fund(s).

<u>Fund Number</u>	<u>Fund Name</u>	<u>Services Provided</u>
001	General Fund	Operations and Maintenance of Community Facilities

Facilities of the District

The District's existing facilities include storm-water management (lake and water control structures), wetland preserve areas, street lighting, landscaping, entry signage, entry features, irrigation distribution facilities, recreational center, parks, pool facility, tennis courts and other related public improvements.

Maintenance of the Facilities

In order to maintain the facilities, the District conducts hearings to adopt an operating budget each year. This budget includes a detailed description of the maintenance program along with an estimate of the cost of the program. The funding of the maintenance budget is levied as a non-ad valorem assessment on your property by the District Board of Supervisors.

4.6 Procedure Under Consultant's Competitive Negotiations Act.

In order to comply with the requirements of Section 287.055, Florida Statutes (regarding certain types of professional services), the following procedures are outlined for selection of firms or individuals to provide professional services exceeding the thresholds herein described and in the negotiation of such contracts.

- (1) Qualifying Procedures. In order to be eligible to submit a bid or proposal, a firm must, at the time of receipt of the bid or proposal:
 - (a) Hold all required applicable state professional licenses in good standing.
 - (b) Hold all required applicable federal licenses in good standing, if any.
 - (c) If the bidder is a corporation, hold a current and active Florida Corporate Charter or be authorized to do business in Florida in accordance with Chapter 607, Florida Statutes.
 - (d) Meet any pre-qualification requirements set forth in the project or bid specifications. Qualification standards may include, but are not limited to, capability and adequacy of personnel, past record, and experience of the bidding entity.

Evidence of compliance with this Rule may be submitted with the bid, if requested by the District.

- (2) Public Announcement. Prior to a public announcement that professional services are required for a project, the Board shall identify the project as meeting the threshold requirement. Except in cases of valid public emergencies as certified by the Board, the District shall announce each occasion when professional services are required for a project by publishing a notice providing a general description of the project and method for interested consultants to apply for consideration. The notice shall appear in at least one (1) newspaper of general circulation in the District and in such other places as the District deems appropriate. The District may maintain lists of persons interested in receiving such notices. These persons are encouraged to submit annually statements of qualifications and performance data. The District shall make reasonable efforts to provide copies of any notices to such persons who provide their name and address to the District Manager for inclusion on the list, but the failure to do so shall not give such consultants any bid protest or other rights or otherwise disqualify any otherwise valid procurement process. The Board has the right to reject any and all bids, and such reservation shall be included in the public announcement. Bidders not receiving a contract award shall not be entitled to recover any costs of bid preparation or submittal from the District.

(3) Competitive Selection.

- (a) The Board shall review and evaluate the data submitted in response to the notice described above regarding qualifications and performance ability, as well as any statements of qualification on file. The Board shall conduct discussions with, and may require public presentation by firms regarding their qualifications, and/or public presentation, select and list the firms, in order of preference, deemed to be the most highly capable and qualified to perform the required professional services, after considering these and other appropriate criteria:
1. The ability and adequacy of the professional personnel employed by each firm.
 2. Each firm's past performance for the District in other professional employment settings.
 3. The willingness of each firm to meet time and budget requirements.
 4. The geographic location of each firm's headquarters or office in relation to the project.
 5. The recent, current, and projected workloads of each firm.
 6. The volume of work previously awarded to each firm.
 7. Whether a firm is a certified minority business enterprise.

Nothing in these Rules shall prevent the District from evaluating and eventually selecting a firm if less than three (3) responses, including responses indicating a desire not to submit a formal bid on a given project, are received.

- (b) If the selection process is administered by a person other than the full Board, the selection made will be presented to the full Board with a recommendation that competitive negotiations be instituted with the selected firms in order of preference listed.

(4) Competitive Negotiation.

- (a) After the Board has authorized the beginning of competitive negotiations, the District may begin such negotiations with the firm listed as the most qualified to perform the required professional services.
- (b) In negotiating a lump-sum or cost-plus-a-fixed-fee professional contract for more than the threshold amount provided in Section 287.017, Florida Statutes, for CATEGORY FOUR, the firm receiving the award shall be

required to execute a truth-in-negotiation certificate stating that “wage rates and other factual unit costs supporting the compensation are accurate, complete, and current at the time of contracting.” In addition, any professional service contract under which such a certificate is required, shall contain a provision that “the original contract price and any additions thereto, shall be adjusted to exclude any significant sums by which the Board determines the contract price was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs.”

- (c) Should the District within twenty-one (21) days be unable to negotiate a satisfactory agreement with the firm determined to be the most qualified at a price deemed by the District to be fair, competitive, and reasonable then unless modified by the Board, negotiations with that firm shall be terminated and the District shall immediately begin negotiations with the second most qualified firm. If a satisfactory agreement with the second firm cannot be reached within twenty-one (21) days (unless modified by the Board to the contrary) those negotiations shall be terminated and negotiations with the third most qualified firm shall be undertaken.
 - (d) Should the District be unable to negotiate a satisfactory agreement with any of the selected firms within twenty-one (21) days (unless modified by the Board to the contrary) additional firms shall be selected by the District, in order of their competence and qualifications. Negotiations shall continue, beginning with the first-named firm on the list, until an agreement is reached or the list of firms is exhausted.
 - (e) Once an agreement with a firm or individual is reached, notice of the award or intent to award, including the rejection of some or all bids, shall be provided in writing to all bidders by email or United States Mail, or by hand delivery, or by overnight delivery service, and by posting same in the District Office and on the website for seven (7) days.
- (5) Continuing Contract. Nothing in this Rule shall prohibit a continuing contract between a firm or an individual and the District.

- (1) Notice. The District shall give all bidders or proposers written notice of a decision to award or to reject all bids by posting the notice in the District Office for seven (7) days, with a copy being provided to all submitting firms by United States Mail (which shall be deemed delivered two (2) days after delivery to the U.S. Postal Service), or by certified/registered mail return receipt requested, or by hand delivery, or by overnight delivery service (which shall be deemed delivered by the next business day). The notice shall include the following statement: “Failure to file a written protest with the District within seventy-two (72) hours following the receipt of notice of the District’s decision to award a contract shall constitute a waiver of any objection to the award of such contract.”
- (2) Filing.
 - (a) Any firm or person who is affected adversely by a District decision to award a contract shall file with the District a written notice of protest within seventy-two (72) hours after receipt of the notice of the District’s decision, and shall file a formal written protest with the District within ten (10) calendar days after timely filing the initial notice of protest. For purposes of this Rule, wherever applicable, filing will be perfected and deemed to have occurred upon receipt of the District. Failure to timely file a notice of protest or failure to timely file a formal written protest shall constitute a waiver of any right to object to or protest the District’s decision or contract award. The formal written protest shall state with particularity the facts and law upon which the protest is based.

- (b) With respect to a protest regarding the Bid Documents, including specifications or other requirements contained in an Invitation to Bid or in a Request for Proposals, the notice of protest shall be filed in writing within seventy-two (72) hours after the receipt of the proposed project plans and specifications or other contract documents. The formal protest setting forth with particularity the facts and law upon which the protest is based shall be filed within ten (10) calendar days after the initial notice of protest was filed. Failure to timely file a notice of protest or failure to timely file a formal written protest shall constitute a waiver of any right to object to or protest with respect to the aforesaid plans, specifications or contract documents.
- (3) Award Process. Upon receipt of a timely filed notice of protest, the District shall abate the contract award process until the protest is resolved by final Board action. However, if the District determines particular facts and circumstances require the continuance of the contract award process without delay in order to avoid immediate and serious danger to the public health, safety, or welfare, the contract award process may continue. In such circumstances, the contract awarded shall be conditioned on the outcome of the protest.
- (4) Informal Proceeding. If the Board determines a protest does not involve a disputed issue of material fact, the Board may, but is not obligated to, schedule an informal proceeding to consider the protest. Such informal proceeding shall be at a time and place determined by the Board. Notice of such proceeding shall be posted in the office of the District not less than three (3) calendar days prior to such informal proceeding, with copies being mailed to the protestant and any substantially affected person or parties. Within fifteen (15) calendar days following the informal proceeding, the Board shall issue a written decision setting forth the factual, legal, and policy grounds for its decision.

6.0 Design-Build Contract Competitive Proposal Selection Process.

- (1) Scope. The District may utilize design-build contracts for any public construction project for which the Board determines that use of such contracts in the best interest of the District. When letting a design-build contract, the District shall use the following procedure:
 - (a) The District shall utilize a design criteria professional meeting the requirements of Section 287.055, Florida Statutes when developing a design criteria package, evaluating the responses or bids submitted by

design-build firms, and determining compliance of the project construction with the design criteria package. The design criteria professional may be an employee of the District or may be retained using Section 4.6, Procedure Under Consultant's Competitive Negotiations Act.

- (b) A design criteria package for the construction project shall be developed and sealed by the design criteria professional. The package shall include concise, performance-oriented drawings or specifications of the project, and shall include sufficient information to put interested firms on notice of substantially all of the requirements of the project. If the project utilizes existing plans, the design criteria professional shall create a design criteria package by supplementing the plans with project specific requirements, if any. All design criteria packages shall require firms to submit information regarding the qualifications, availability and past work of the firms, including the partners and members thereof.
- (c) The Board, in consultation with the design criteria professional, shall establish the standards and procedures for the evaluation of design-build proposals which may include, but not be limited to, based on price, technical, and design aspects of the project, weighted for the project.
- (d) After the design criteria package and the standards and procedures for evaluation of proposals have been developed, competitive proposals from qualified firms shall be solicited, pursuant to the design criteria by the following procedure:
 - 1. A Request for Proposals shall be advertised at least once in a newspaper of general circulation in the county in which the District is located. The notice shall allow at least seven (7) days for submittal of proposals, unless the Board, for good cause, determines a shorter period of time is appropriate. For sealed proposals, the notice shall allow for at least twenty-one (21) days, unless the Board, for good cause, determines a shorter period of time is appropriate. Any design-build project projected to cost more than five hundred thousand dollars (\$500,000) must be noticed at least thirty (30) days prior to the date for submittal of proposals.
 - 2. The District may maintain qualifications information, including: capabilities, adequacy of personnel, past record, experience, whether the firm is a certified minority business enterprise as defined by the Florida Small Business and Minority Assistance Act of 1985, and other factors, on design-build firms. Such firms shall receive a copy of the request for proposals by mail.
 - 3. In order to be eligible to submit a proposal a firm must, at the time of receipt of the proposals:

- (a) Hold the required applicable state professional license in good standing, as defined by Section 287.055(2)(h), Florida Statutes;
- (b) Hold all required applicable federal licenses in good standing, if any;
- (c) Hold a current and active Florida Corporate Charter or be authorized to do business in Florida in accordance with Chapter 607, Florida Statutes, if the bidder is a corporation;
- (d) Meet any special prequalification requirements set forth in the design criteria package.

Evidence of compliance with these Rules may be submitted with the bid, if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the proposal.

- (e) The Board shall select no fewer than three (3) design-build firms as the most qualified, based on the information submitted in the response to the request for proposals, and in consultation with the design criteria professional, shall evaluate their proposals based on the evaluation standards and procedures established prior to the solicitation of requests for proposal. If less than three (3) proposals which meet the design criteria are received, the District may purchase design-build services or may reject the proposals for lack of competitiveness. If no proposals meeting the design criteria are received, the District may proceed with the procurement of design-build services in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the design-build services without further competitive selection processes.
- (f) The Board shall negotiate a contract with the firm ranking the highest based on the evaluation standards, and shall establish a price which the Board determines to be fair, competitive, and reasonable. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the most qualified at a price considered by the Board to be fair, competitive and reasonable, negotiations with that firm must be terminated. The Board shall then undertake negotiations with the second most qualified firm, based on the ranking by the evaluation standards. Failing accord with the second most qualified firm, the Board must terminate negotiations. The Board shall then undertake negotiations with the third firm. Should the Board be unable to negotiate a satisfactory contract with any of the selected firms, the Board shall select additional firms in order of their rankings based on the evaluation standards and continue negotiations until an agreement is reached.

- (g) After the Board contracts with a firm, the firm shall bring to the Board for approval, detailed working drawings of the project.
 - (h) The design criteria professional shall evaluate the compliance of the project construction with the design criteria package, and shall provide the Board with a report of the same.
- (2) Emergency Purchase. The Board may, in case of public emergency, declare an emergency and immediately proceed with negotiations with the best qualified design-build firm available at the time. The fact that an emergency purchase has occurred shall be noted in the minutes of the next Board meeting.

RESOLUTION 2024-15

A RESOLUTION SETTING FORTH THE POLICY OF THE KINGSTON ONE COMMUNITY DEVELOPMENT DISTRICT BOARD OF SUPERVISORS WITH REGARD TO THE SUPPORT AND LEGAL DEFENSE OF THE BOARD OF SUPERVISORS AND DISTRICT OFFICERS AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Board of Supervisors (“Board”) and the officers of the Kingston One Community Development District (“District”) are constantly presented with the necessity for making decisions regarding various phases of District policy and management; and

WHEREAS, it is absolutely essential to the effective operation of the District that such decisions be made in an environment where the threat of personal liability for the Board and its officers is maintained at a minimum; and

WHEREAS, the Board wishes to formalize a policy with regard to the support and legal protection of the Board and its officers so as to reduce the threat of personal liability to such individuals and allow for an effective decision-making environment.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE KINGSTON ONE COMMUNITY DEVELOPMENT DISTRICT THAT:

1. As set forth in this Resolution, the District, in accordance with Florida law, agrees that the following Board members and officers of the District shall be provided the benefit of the indemnification, support and legal defense provisions provided in this Resolution:

- a. All members of the Board of Supervisors; and
- b. The District Manager, Secretary and Assistant Secretaries, Treasurer and Assistant Treasurers, and other District officers.

2. As set forth in this Resolution and in accordance with Sections 111.07 and 768.28, Florida Statutes, the District hereby agrees to provide legal representation to defend any and all civil actions, including federal civil rights and other federal civil claims, arising from a complaint for damages or injuries suffered as a result of any action or omission of action of all Board members and officers, present or former, arising out of and in the scope of his or her employment or function, unless, in the case of a tort action, the Board member or officer acted in bad faith, with malicious purpose, or in a manner exhibiting wanton and willful disregard of human rights, safety, or property. Defense of such civil actions includes, but is not limited to, any civil rights lawsuit seeking relief personally against any Board member or officer for an act or omission under color of state law, custom or usage, wherein it is alleged that such Board member or officer has deprived another person of rights secured under the Federal Constitution or laws, including, by way of example, actions under 42 U.S.C. § 1983 or other federal statute.

The District hereby further agrees to provide legal representation to defend against any other litigation arising against a Board member or officer from the performance of their official duties while serving a public purpose, including civil, administrative or criminal actions as permitted by law. By these provisions, the District does not waive any immunity from liability or limited waiver of such immunity as granted under Florida law. Rather, the District is stating that to the extent the State does not through its laws protect the Board and its officers from liability, the District is committed to doing so to the extent described in this Resolution and as permitted by law.

3. The District may insure itself in order to cover all reasonable costs and fees directly arising out of or in connection with any legal claim or suit that directly results from a decision or act made by a Board member or officer while performing the duties and functions of his or her position.

4. This Resolution is intended to evidence the District's support of Board members and officers who perform acts and render decisions in the good faith performance of their duties and functions. The District will neither support nor defend those actions or omissions committed by an individual outside the scope of his or her office or committed in bad faith or with malicious purpose or in a manner exhibiting wanton and willful disregard of human rights, safety, or property. By adoption of this Resolution, the District Board member(s) and/or officer(s) in question are each presumed to have acted within the scope of his or her office and are presumed to be acting in good faith, without a malicious purpose and not in a manner exhibiting wanton and willful disregard of human rights, safety or property. The District's Board of Supervisors may overcome this presumption only by unanimous vote of those participating and voting, in accordance with Section 7 herein.

5. In the event that the District has expended funds to provide an attorney to defend a Board member or officer who is found to be personally liable by virtue of actions outside the scope of his or her employment or function, or is found to have acted in bad faith, with malicious purpose, or in a manner exhibiting wanton and willful disregard of human rights, safety, or property, the individual shall be required to reimburse the District for funds so expended. The District may recover such funds in a civil action against such individual.

6. The District agrees to pay any final judgment, including damages, fines, penalties or other damages, costs, and attorney's fees and costs, arising from any complaint for damages or injuries suffered as a result of any action or omission of action of any Board member or officer as described in Section 111.07, Florida Statutes. If the action arises under Section 768.28, Florida Statutes, as a tort claim, the limitations and provisions of that section governing payment shall apply. If the action is a civil rights action arising under 42 U.S.C. § 1983, or similar federal statutes, payment for the full amount of judgment may be made unless the individual has been determined in the final judgment to have caused the harm intentionally. The District agrees to pay any compromise or settlement of any claim or litigation described in this paragraph, provided, however, that the District determines such compromise or settlement to be in the District's best interest.

7. To rebut the presumption of the automatic payment of judgments or provision of legal representation pursuant to this Resolution, at least one of the following determinations shall be made by a unanimous decision of the District's Board of Supervisors participating and voting:

- a. The actions of the Board member and/or officer were outside the scope of his or her duties and authority; or
- b. The acts or omissions of the Board member and/or officer constituted bad faith, malicious purpose, intentional infliction of harm or were done in a manner exhibiting wanton and willful disregard of human rights, safety or property; or
- c. The Board member and/or officer received financial profit or advantage to which he or she was not legally entitled.

8. To ensure the provision of legal representation pursuant to this Resolution, the following must be met:

- a. A copy of the summons, complaint, notice, demand letter or other document or pleading in the action, or a letter setting forth the substance of any claim or complaint, must be delivered to the District Chairman, Vice Chairman, District Manager or District Attorney within fourteen (14) calendar days after actual receipt of any such document together with a specific request in writing that the District defend or provide representation for the Board member and/or officer; and
- b. The Board member and/or officer must cooperate continuously and fully with the District in the defense of the action.

9. Any indemnification, legal defense or other protection provided pursuant to this representation shall not extend to:

- a. Consulting or other outside professional or business activities for which the Board member and/or officer received financial or other material compensation, which are outside the scope of his or her District duties and authority; and
- b. Any independent contractor for whom defense or indemnification is not authorized pursuant to Section 1(b) of this Resolution unless the Board votes to authorize such indemnification, legal defense, or other protection; and
- c. Any fine, penalty or other punishment imposed as a result of conviction for a criminal offense, and any legal fees and costs incurred to defend criminal prosecution in which a conviction is obtained; and
- d. Any indemnification or defense prohibited by law.

10. In the event legal representation or defense is provided pursuant to this Resolution, the Board member and/or officer may either:

- a. Retain legal counsel appointed by the District, in which case legal counsel shall be paid directly by the District; or
- b. Retain legal counsel chosen by the Board member and/or officer, in which case the District shall have the right to:
 - i. Approve, in advance, any agreement for legal fees or disbursements; and
 - ii. Pay all or part of the legal fees, costs and other disbursements and to set a maximum for legal fees, costs and other disbursements; and
 - iii. Direct the defense and settle or compromise the action or claim; and
 - iv. Reduce or offset any monies that may be payable by the District by any court costs or attorneys' fees awarded to the Board member or officer.

11. The benefits of the policy adopted in this Resolution shall not enlarge the rights that would have been available to any third-party plaintiff or claimant in the absence of this policy.

12. To the extent permitted by law, this policy shall inure to the benefit of the heirs, personal representatives, and estate of the Board member and/or officer.

13. The District reserves the right to change, modify or withdraw this Resolution in its sole discretion, except as to actions, demands or other claims based on acts or omissions that occurred before the effective change, modification or withdrawal of this Resolution.

14. This Resolution shall be effective as of its adoption on the date listed below and shall apply to any acts or omissions occurring after that date.

- a) An initial Public Comment Period shall be provided at the start of each Board meeting before consideration of any propositions by the Board. In the event there are propositions that come before the Board that are not listed on the agenda, the Presiding Officer shall announce a Public Comment Period on such proposition prior to the Board voting on the matter.
- b) Speakers shall be permitted to address any agenda item or non-agenda matter(s) of personal or general concern, during the initial Public Comment Period.

- c) Individuals wishing to make a public comment are limited to three (3) minutes per person. Potential speakers may not assign his/her three (3) minutes to extend another speaker's time.
- d) The Presiding Officer may extend or reduce the time periods set forth herein in order to facilitate orderly and efficient District business, provided however that a reasonable opportunity for public comment shall be provided consistent with the requirements of Section 286.0114, Florida Statutes. The Presiding Officer may also elect to set and announce additional Public Comment Periods if he or she deems it appropriate.

SECTION 2. DESIGNATING A PROCEDURE TO IDENTIFY INDIVIDUALS SEEKING TO BE HEARD. Unless otherwise directed and declared by the Presiding Officer, individuals seeking to be heard on propositions before the Board shall identify themselves by a show of hands at the beginning of each Public Comment Period, as announced by the Presiding Officer. Alternatively, in the event that public attendance is high, and/or if otherwise in the best interests of the District in order to facilitate efficient and orderly District business, the Presiding Officer may require individuals to complete speaker cards that include the individual's name, address, the proposition on which they wish to be heard, the individual's position on the proposition (i.e., "for," "against," or "undecided"), and if appropriate, to indicate the designation of a representative to speak for the individual or the individual's group. In the event large groups of individuals desire to speak, the Presiding Officer may require each group to designate a representative to speak on behalf of such group. Any attorney hired to represent an individual or company's interests before the Board shall notify the Board of such representation prior to proving any public comment.

Sections 1 and 2 herein shall be deemed to apply only to District Board meetings, but the Presiding Officer of a District workshop in his or her discretion may elect to apply such Sections to District workshops.

SECTION 3. PUBLIC DECORUM. The following policies govern public decorum at public meetings and workshops:

- a) Each person addressing the Board shall proceed to the place assigned for speaking and should state his or her name and address in an audible tone of voice for the public record.
- b) All remarks shall be addressed to the Board as a body and not to any member thereof or to any staff member. No person other than a Board Supervisor or District staff member shall be permitted to enter into any discussion with an individual speaker while he or she has the floor, without the permission of the Presiding Officer.
- c) Nothing herein shall be construed to prohibit the Presiding Officer from maintaining orderly conduct and proper decorum in a public meeting. Speakers shall refrain from disruptive behavior, and from making vulgar or threatening

remarks. Speakers shall refrain from launching personal attacks against any Board Supervisor, District staff member, or member of the public. The Presiding Officer shall have the discretion to remove any speaker who disregards these policies from the meeting.

- d) In the case that any person is declared out of order by the Presiding Officer and ordered expelled, and does not immediately leave the meeting facilities, the following steps may be taken:
- i. The Presiding Officer may declare a recess.
 - ii. The Presiding Officer may contact the local law enforcement authority.
 - iii. In case the person does not remove himself or herself from the meeting, the Presiding Officer may request that he or she be placed under arrest by local law enforcement authorities for violation of Section 871.01, Florida Statutes, or other applicable laws.

SECTION 4. EXCEPTIONS. The Board recognizes and may apply all applicable exceptions to Section 286.0114, including those set forth in Section 286.0114(3) and other applicable law. Additionally, the Presiding Officer may alter the procedures set forth in this Public Comment Policy for public hearings and other special proceedings that may require a different procedure under Florida law.

SECTION 5. SEVERABILITY. If any provision of this resolution is held to be illegal or invalid, the other provisions shall remain in full force and effect.

SECTION 6. EFFECTIVE DATE. This Resolution shall become effective upon its passage and shall remain in effect unless rescinded or repealed. Furthermore, upon its passage, this Resolution supersedes any Public Comment Policy previously adopted by the District.

MASTER SERVICES AGREEMENT
ADA SITE COMPLIANCE, LLC

This Master Services Agreement (this "Agreement") is entered into as of October 12, 2023, between Kingston One CDD, a unit of government, with a place of business and notice address at 2005 Pan Am Circle, Suite 300, Tampa, FL 33607 ("Customer") and ADA Site Compliance, LLC, a Delaware limited liability company authorized to do business in Florida, with a place of business and notice address at 6400 Boynton Beach Boulevard, No. 742721, Boynton Beach, FL 33474 ("ADASC"), and shall become effective upon Customer and ADASC executing a Statement of Work, which shall be attached to this Agreement and incorporated herein by this reference. Customer and ADASC may also each be referred to herein individually as a "Party," and collectively as the "Parties."

IN CONSIDERATION of the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, wishing to be legally bound by this Agreement, agree as follows:

1. PRODUCTS AND SERVICES.

1.1. Statement(s) of Work. Pursuant to this Agreement, ADASC shall provide Customer with ADASC's website and web application technological and/or human expert accessibility auditing and related services ("Services") and products and/or software (collectively, as applicable, the "Products") set forth in one or more Statements of Work to be mutually executed by the Parties that reference and are subject to the terms of this Agreement (each, a "SOW"). In return for such Services, Products, and Deliverables (hereinafter defined) (collectively, the "Services"), Customer shall pay ADASC the fees and expenses set forth in the applicable SOW/Proposal in accordance with the payment terms set forth therein.

1.2. Customer Requested Changes. At any time, Customer may request a change to the Services that have been described in a SOW (in each case, a "Change"). Upon receipt of a Change request from Customer, ADASC agrees to respond in writing within five (5) business days of its receipt thereof, advising Customer of any additional cost, scheduling, or other impacts on the Services arising from the requested Change. If the Parties agree to proceed with any requested Change, the terms associated with such Change must be incorporated into an amendment to the applicable SOW that is mutually executed by the Parties prior to ADASC's implementation of the Change. If the Parties do not agree to proceed with any requested Change, the Parties shall continue to operate in accordance with the terms of the then-existing Agreement and SOW(s).

1.3. Deliverables. Unless otherwise provided in a SOW, with respect to any compliance audit reports, data, software, tools, remediation services or other works of any kind designated to be made, conceived, or developed by ADASC in connection with a SOW (collectively, as applicable, the "Deliverables"), Customer shall have the right to review such Deliverables upon their

completion by ADASC only to determine if they conform to the applicable written specifications stated in the SOW (collectively, the "Acceptance Criteria"). Customer will notify ADASC within seven (7) business days of delivery of the Deliverables if, in Customer's good faith determination, the Deliverables have not met the Acceptance Criteria, and that therefore acceptance has not occurred. In the event acceptance of any Deliverables does not occur, ADASC will, at its cost, make any necessary changes to the Deliverable within a commercially reasonable time frame so that they conform to the Acceptance Criteria, and resubmit the Deliverables to Customer. If Customer does not, however, notify ADASC within seven (7) business days of the delivery of any Deliverables that such Deliverables have not met the Acceptance Criteria, the Deliverable shall be deemed to conform to the specifications in the applicable SOW, and to have been accepted by Customer.

2. INVOICES AND PAYMENTS.

2.1. Invoices. All payments are due within Thirty (30) days of the execution of the proposal. Customer will reimburse ADASC for travel and other pre-approved expenses. All payments required by this Agreement are exclusive of federal, state or other governmental taxes and excises, and Customer will be responsible for all such taxes and amounts and agrees to defend and hold ADASC harmless from any claim against ADASC for any such amount.

2.2. Disputed Amounts. Late payments (other than Disputed Amounts that are determined not to be in fact due or owing to ADASC) not received within five (5) days of the due date stated in all applicable SOWs will be subject to a late fee of 1.5% per month on all unpaid balances. Customer agrees that it will be responsible for all of ADASC's costs and expenses, including collection agency fees, court costs, and reasonable attorneys' fees, incurred by ADASC to collect any monies owed by Customer or to otherwise enforce the terms of this Agreement. ADASC reserves the right to suspend or terminate Services and to withhold Deliverables immediately without notice for non-payment of monies owed under this Agreement.

Customer may only withhold payment of amounts that it in good faith disputes to be due or owing ("Disputed Amounts"). In such case, Customer shall nonetheless pay any undisputed amounts and provide to ADASC a sufficiently detailed written explanation of the basis for its withholding of the Disputed Amounts no later than ten (10) days after their due date. Any controversy relating to amounts owed by Customer hereunder shall be considered a "Dispute" (defined below) and subject to the resolution procedures provided in this Agreement. If it is determined that any Disputed Amounts are in fact owed to ADASC, Customer shall pay to ADASC such Disputed Amounts within five (5) days of such resolution, plus any applicable late fees, interest, and/or ADASC's reasonable costs of collection. To the extent the provisions of this section conflict with the State's Prompt Payment Act or the Customer's adopted

dispute resolution procedures pursuant thereto, the Prompt Payment Act and such adopted procedures shall control.

3. TERM AND TERMINATION.

3.1. Term. This Agreement shall become effective when Customer and ADASC first execute a Proposal or SOW and shall remain in effect until terminated as provided herein ("Term").

3.2. Termination by either Party for Cause. This Agreement and/or any individual SOW may be terminated by either Party (i) in the event the other Party fails to cure or take reasonable steps to cure a breach of any material term of this Agreement or any applicable SOW within ten (10) business days of receipt of written notice describing such breach; or (ii) immediately upon the giving of written notice by such Party in the event the other Party is adjudged insolvent or bankrupt, or upon the institution of any proceeding against the other Party seeking relief, reorganization, or arrangement under any laws relating to insolvency, or upon the appointment of a receiver, liquidator, or trustee of any of the other Party's property or assets, or upon liquidation, dissolution, or winding up of the other Party's business.

3.3 Termination Without Cause. Either Party may terminate without cause upon sixty (60) days prior written notice to the other Party. However, upon any termination of this Agreement, ADASC shall be entitled to payment for all Services rendered up until the effective termination of this Agreement, subject to any amounts being under Dispute, which shall be addressed in accordance with Section 8.3 of this Agreement.

3.4 Transition Services. ADASC shall work with the Customer to ensure a seamless and smooth transition in the event of termination, with or without cause, to the Customer's contracted entity ("Contracted Entity") assisting with the transition of the Services after termination ("Transition Services"); provided, however, that ADASC shall only be required to provide such Transition Services for a reasonable amount of time, not to exceed one (1) month after the effective date of the termination. Upon Customer's request, ADASC shall include as part of its Transition Services consultations with the Contracted Entity, provided that ADASC shall be entitled to payment for such consultations at a rate of \$250 per hour. If any other Transition Services are provided, ADASC shall be reimbursed for such services at a price mutually agreed to by the Parties.

3.5 Support Services. Notwithstanding any of the provisions under Section 3.4, in the event of termination of this Agreement by either party for any reason, all Services performed by ADASC shall immediately cease. ADASC will not continue to provide support for the ADASC Theme, including but not limited to, any updates, modifications, improvements, audits, use of the ADASC

compliance shield, or any Services more particularly set forth in the Proposal or SOW.

4. REPRESENTATIONS, WARRANTIES & COVENANTS

4.1. General. The essence of this Agreement is the following: ADASC represents, warrants, and covenants that (a) the Services shall be performed and/or provided by qualified personnel in a professional and workmanlike manner; and (b) the Services provided by ADASC shall not infringe, misappropriate, or otherwise violate the intellectual property rights of any third party. Each Party also represents and warrants that it has the full right and authority to enter into this Agreement and perform its obligations hereunder.

4.2. Disclaimer of All Other Warranties. CUSTOMER ACKNOWLEDGES THAT ASSESSING ACCESSIBILITY AND REMEDIATION IS HIGHLY COMPLEX, SUBJECTIVE AND CHANGEABLE, AND AS SUCH, ACHIEVING ABSOLUTE OR TOTAL COMPLIANCE IS DIFFICULT WITHOUT CLEAR REGULATORY GUIDANCE. THEREFORE, ADASC MAKES NO WARRANTY THAT THE SERVICES WILL FIND ALL ACCESSIBILITY CONCERNS IN CUSTOMER'S WEBSITES, APPS, PDFS, OR SERVER(S), OR THAT THE SOLUTIONS SUGGESTED AND ADVICE PROVIDED IN ANY REPORT ADASC MAY PROVIDE TO CUSTOMER FROM TIME TO TIME WILL BE COMPLETE OR ERROR-FREE. WHILE TECHNOLOGICAL AUDITING SUCH AS THAT PROVIDED BY ADASC (WHICH TYPICALLY CAN DETECT APPROXIMATELY 30% OF ACCESSIBILITY ISSUES) MAY BE A GOOD STARTING POINT IN CUSTOMER'S EFFORTS TOWARD COMPLIANCE, HUMAN EXPERT AUDITING IS ALSO NECESSARY. ADASC STRONGLY RECOMMENDS THAT CUSTOMER REGULARLY ENGAGE IN HUMAN EXPERT AUDITING AND TECHNOLOGICAL AUDITING OF ITS WEBSITE(S), APPLICATION(S), AND SERVER(S) IN ORDER TO ASSURE THE HIGHEST POSSIBLE LEVEL OF ACCESSIBILITY, COMPLIANCE, AND USABILITY; NEVERTHELESS CUSTOMER ACKNOWLEDGES THAT EVEN WITH THE RECOMMENDED UTILIZATION OF BOTH TECHNOLOGICAL AUDITING SERVICES AND ROUTINE HUMAN AUDITS, ABSOLUTE OR TOTAL COMPLIANCE REMAINS DIFFICULT WITHOUT CLEAR REGULATORY GUIDANCE. ADASC DOES NOT GUARANTY ANY SPECIFIC LEVEL OF ACCESSIBILITY OR COMPLIANCE AND ASSUMES NO RESPONSIBILITY IN THE EVENT A CLAIM IS MADE AGAINST CUSTOMER BASED UPON OR ALLEGING A LACK OF OR FAILURE IN ACCESSIBILITY OR COMPLIANCE WITH APPLICABLE ACCESSIBILITY LAWS, REGULATIONS, AND/OR STANDARDS. ADASC SPECIFICALLY DISCLAIMS ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY REPRESENTATIONS OR

WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT OR FITNESS FOR A PARTICULAR PURPOSE.

4.3. Customer's Covenant of Compliance with Laws. Customer is responsible for complying with applicable laws pertaining to Customer's website, web applications, and business, including, without limitation, tax laws, laws governing electronic commerce, and US Export laws.

5. CONFIDENTIALITY.

5.1 Confidentiality. Customer and ADASC each agree to hold Confidential Information in confidence and not to disclose it to any third party without the prior written consent of the other party. Customer and ADASC agree to use the Confidential Information only for the purpose of performing under this Agreement. Further, the receiving party shall use the same degree of care it uses with respect to its own Confidential Information to prevent the unauthorized disclosure to a third party of any Confidential Information of the disclosing party, but in no event less than reasonable care. As used in this Agreement, "Confidential Information" shall mean non-public, proprietary ADASC Material, and which is considered non-public and confidential under State Statutes, and other law, and which is disclosed by ADASC or on its behalf whether before, on or after the date hereof, directly or indirectly, in writing, orally, by visual inspection or otherwise, to Customer or any of its employees or agents. The ADASC Theme (as defined herein) is deemed Confidential Information. Customer Confidential Information shall mean any material made confidential pursuant to State Statutes. The obligations to protect Confidential Information under this section shall not apply to information which: (a) is or becomes publicly known through no act or failure to act on the part of the receiving party; (b) was rightfully in the receiving party's possession prior to disclosure by the disclosing party; (c) became rightfully known to the receiving party, without confidentiality restrictions, from a source other than the disclosing party; (d) is approved by the disclosing party for disclosure; (e) is or was developed independently by the receiving party without use of the Confidential Information and without violation of any confidentiality restriction; (f) is required to be disclosed by law; or (g) is work product paid for by the Customer pursuant to this Agreement and not deemed ADASC Material hereunder.

6. INTELLECTUAL PROPERTY.

6.1. ADASC Materials. Except as provided herein, as between the Parties, ADASC shall retain all right, title, and interest in and to (i) all patents, trademarks, service marks, copyrights, trade secrets, know-hows, and other intellectual property or proprietary rights (collectively, "IP") of ADASC used in or otherwise associated with the Services provided to Customer hereunder, and (ii) all trade secrets, technical specifications, and data to the extent they are IP

and inventions which are authored, conceived, devised, developed, reduced to practice, or otherwise performed by ADASC, none of which shall be deemed a "work made for hire" under the Copyright Act of 1976 (collectively "ADASC Materials"), and nothing contained herein shall be construed to restrict, impair, transfer, license, convey, or otherwise alter or deprive ADASC of any of its intellectual property or other proprietary interests associated therewith. The ADASC Materials shall include (i) any website theme and specialized coding for such theme authored, conceived, devised, developed, modified, and/or reduced to practice by ADASC outside of ADASC's performance under this Agreement (the "ADASC Theme") and (ii) any specialized coding for the ADASC Theme authored, conceived, devised, developed, modified, and/or reduced to practice by ADASC under this Agreement, but shall not include any other website theme and the coding of such theme authored, conceived, devised, developed, modified, and/or reduced to practice by ADASC pursuant to an SOW or Customer as a derivative work. Subject to the foregoing, and Customer's payment of the applicable fees set forth in an SOW or Proposal, ADASC grants Customer a non-exclusive, non-transferable worldwide limited right and license to access and use the Deliverables and the ADASC Materials in connection with the ordinary and intended use by Customer thereof as provided hereunder and in the applicable SOW ("Single Use License"). The Single Use License set forth in the immediately preceding sentence (x) includes Customer's right to view, download, and print the Deliverables for Customer's use, and without in any case removing ADASC's copyright, trademark, or other intellectual property ownership notices; (y) is limited to only one Customer website, and (z) includes Customer's right to use the ADASC Theme, in whole or in part, to develop derivative works on Customer's one website. Notwithstanding the Single Use License granted to Customer under this Section, under no circumstances may the Products, Deliverables, or ADASC Materials, or any portion thereof or any derivative work, be used as the basis for creating a product that is intended for sale, license, or distribution to others (regardless of whether such distribution is for profit or free) in a manner that would compete, directly or indirectly, with ADASC in offering the Products, Deliverables, or ADASC Materials for sale, license or distribution. Customer has no right to distribute the ADASC Theme, whether modified or unmodified, to any third party. The use of the Products, Deliverables and/or ADASC Materials in contravention of the Single Use License granted under this Section is strictly prohibited and will be deemed a material breach of this Agreement.

6.2. Customer Materials; Publicity and Trademarks. (A) Notwithstanding anything else provided in this Agreement, Customer shall own the website, the website's domain name and all related uniform resource locators, and all website and application content, including without limit, all documents, content, pictures, video, audio, and text on the website, authored, conceived, devised, developed, modified, and/or reduced to practice by ADASC pursuant to this Agreement, and all metadata associated therewith, created or modified by ADASC pursuant to this Agreement and/or provided or made available by Customer to ADASC, under all circumstances ("Customer

Materials”). In the event of a termination of this Agreement for any reason, ADASC shall take all necessary steps to transfer, or otherwise allow Customer to retain such Customer Materials as further provided in Section 3.

(B) Notwithstanding anything provided in Section 6.2(A), the ADASC Theme and any specialized coding for the ADASC Theme authored, conceived, devised, developed, modified, and/or reduced to practice by ADASC under this Agreement is ADASC Material. In the event of termination of this Agreement for any reason, the Single Use License defined under Section 6.1 of this Agreement shall immediately terminate, and the Transition Services under Section 3.4 shall come into effect.

(C) Customer will not, at any time, have the right or license to, and agrees that it will not, without ADASC’s prior written consent, manufacture, sell, or otherwise distribute a device, service, or product that was developed or manufactured using any ADASC Intellectual Property, either for its own account or for any third party, or assist any third party in so doing. Customer agrees that it will not engage in, nor will it authorize others to engage in, the reverse engineering, disassembly, decompilation, or the recompilation of any ADASC Intellectual Property except as permitted under this Agreement.

(D) Additionally, to the extent applicable, ADASC shall take commercially reasonable precautions consistent with industry standards to protect confidential information, including, e.g., credit card information and other sensitive information protected under the State’s Public Records Laws. Except as provided herein, as between the Parties, Customer shall retain all right, title, and interest in and to all IP of Customer provided or made available to ADASC in connection with ADASC’s Services (collectively in this paragraph, “Customer IP”) and nothing contained herein shall be construed to restrict, impair, transfer, license, convey, or otherwise alter or deprive Customer of any of its IP or other proprietary interests associated therewith, if any. Subject to the foregoing, Customer grants ADASC a non-exclusive, non-transferable worldwide limited right and license to access and use such Customer IP in connection with the provision of the Services to Customer hereunder. Further, Customer permits ADASC to identify Customer as a customer of ADASC in ADASC’s marketing materials (including using Customer’s name and logo for such limited purposes).

(E) Customer further acknowledges and agrees that for ADASC to perform the Services, it must, in some cases, give ADASC remote access to areas behind logins that are to be audited hereunder, including, without limitation to content management systems and/or servers (collectively, the “System”), and agrees that it will furnish to ADASC all necessary information and/or user names and passwords required to do so. ADASC agrees to follow commercially reasonable security policies for accessing Customer’s System including any specific security procedures as may be communicated to ADASC by Customer in writing prior to ADASC accessing the System. ADASC hereby recognizes that all data

may be a public record and therefore is required to be retained unless otherwise directed in writing by the Customer.

6.3 Right to Display ADASC Compliance Shield / Accessibility Policy. Customer may display an ADASC-provided compliance shield and customized accessibility policy on its websites or web applications. The provided ADASC compliance shield and customized accessibility policy shall remain under the full ownership and control of ADASC. ADASC shall retain the right at any time and in its sole discretion to withdraw its authorization to display such compliance shield and customized accessibility policy. Customer is expressly prohibited from using an ADASC compliance shield and customized accessibility policy for any purpose not specifically authorized by this Agreement or by an applicable SOW, and in no event may use such shield for or on behalf of any other party or in connection with any domain name and/or organization name other than those being serviced in connection with the Services.

6.4 Recording of Training Sessions. Customer shall not record any training session(s) relating to the Services provided without the prior written consent of ADASC. ADASC shall retain all intellectual property rights to the recorded material and grants Customer a Limited License to display, share, and/or incorporate into its own training material, the recorded material for current and future employees of Customer. Customer shall not, including but not limited to, display, share, assign, license, sell, or otherwise disseminate the recorded material to any third party, including but not limited to, any parent company, subsidiary, associated department, subdivision, affiliates, committee, officer, board of directors, governing body, or any entity not in direct privity of this Agreement, any recorded materials under this Limited License.

This Limited License shall remain in effect in perpetuity, or so long as Customer, as an entity, remains intact and has not altered its structure. In the event of, including but not limited to, any merger, buy-out, acquisition, or any event that may change, alter, or compromise the status of Customer, Customer shall request and obtain a new license from ADASC prior to the continued use of any and all recorded materials.

6.5 Derivative Works. All rights, title, copyright, and interest in all Derivative Works and improvements created by, or on behalf of, Customer will be the property of Customer so long as the Works do not violate the language set forth in Section 5 or Section 6 of this Agreement. Customer shall be entitled to protect intellectual property in all such derivative works and improvements as it may see fit, including by seeking copyright or patent protection. Notwithstanding the immediately preceding sentence, Customer may mark with its own copyright notice and register copyrights in derivative works as works that constitute original works of authorship, so long as such derivative

works are identified in such registration as based upon pre-existing works of ADASC.

7. INDEMNITY.

7.1 ADASC agrees to indemnify and hold harmless the Customer and its officers, supervisors, staff, employees, successors, assigns, members, affiliates, attorneys or representatives from any and all liability, claims, actions, suits, liens, demands, costs, interest, expenses, damages, penalties, fines, or judgments against the Customer, or loss or damage, whether monetary or otherwise, including but not limited to an ADA website related claim by a third-party, arising out of, wholly or in part by, ADASC's willfully reckless or willfully negligent act or omission.

7.2 Neither Party shall be liable to the other Party for consequential damages or lost profits pursuant to this Agreement.

7.3 Notwithstanding any provision to the contrary within this Agreement, Customer does not waive any Sovereign Immunity or the limitations contained in State Statutes, or any successor statute or statutes thereto, or other provisions of law.

8. GENERAL PROVISIONS.

8.1. Order of Precedence. The terms of this Agreement and any SOW are intended to complement each other, and to the extent they conflict, the terms of any SOW shall supersede conflicting terms and conditions in this Agreement, but solely with respect to Services provided pursuant to such SOW.

8.2. Subcontractors. Unless otherwise provided in a SOW, ADASC may provide Services hereunder through subcontractors and/or affiliates and such subcontractors and/or affiliates shall be bound by the terms of this Agreement.

8.3. Dispute Resolution. Before initiating any legal claim or action (except with respect to equitable relief), the Parties agree to attempt in good faith to settle any dispute, controversy, or claim arising out of or related to this Agreement or the Services (collectively, a "Dispute") through discussions which shall be initiated upon written notice of a Dispute by either Party to the other Party. If the Parties cannot resolve the Dispute within fifteen (15) business days, then the Parties shall attempt to settle the Dispute by mediation. If mediation is unsuccessful, the Parties may then proceed to filing a claim in the appropriate jurisdictional court. The Parties hereby consent to the exclusive jurisdiction of the federal and state courts in Palm Beach County, Florida for purposes of any claims for equitable relief or claim in anyway related to this Agreement and waive any defense of inconvenient forum or venue. The prevailing party in any such dispute shall be entitled to claim its costs and fees

incurred in litigating any such dispute, including reasonable attorney's fees, court, and experts' costs through all appeals.

8.4. Status. ADASC is an independent contractor and not an employee, agent or representative of Customer. Nothing in this Agreement shall be construed as creating an employer-employee, partnership, joint venture or agency relationship.

8.5. Notices. Any notice required or permitted hereunder shall be in writing and shall be deemed duly given if delivered to a Party at its address set forth in the preamble of this Agreement (or the most recent address provided by such Party for notice purposes) by (i) hand delivery, (ii) certified mail, postage prepaid, return receipt requested, or (iii) recognized overnight delivery service. A notice shall be deemed received on date of delivery, if hand delivered or delivered by overnight delivery service (as reflected in the carrier's records), or five (5) days from date of mailing, if mailed by certified mail.

8.6. Entire Agreement; Severability. This Agreement, together with any SOWs, sets forth the entire agreement of the Parties, and supersedes any prior agreements or statements with respect to the subject matter hereof. If any part of this Agreement is determined to be invalid or unenforceable by a court of competent jurisdiction, then the remaining provisions of this Agreement will remain in full force and effect and the invalid or unenforceable provision will be deemed superseded by a valid, enforceable provision that most closely matches the intent of the original provision.

8.7. Assignment. This Agreement may not be assigned by Customer except with the prior written consent of ADASC. ADASC may assign this Agreement without Customer's consent to the purchaser in connection with a sale of ADASC's business, provided the purchaser agrees to assume all obligations of ADASC hereunder. This Agreement shall be binding upon and inure to the benefit of the Parties' successors and lawful permitted assigns.

8.8. Amendments and Waivers. This Agreement may be amended or modified only by a written instrument duly executed by each Party. No breach of any term of this Agreement shall be deemed waived unless expressly waived in writing by the Party who might assert such breach. Any failure or delay by either Party to exercise any right, power, or privilege under the Agreement shall not be deemed a waiver of any such right, power, or privilege under the Agreement on that or any subsequent occasion.

8.9. Governing Law. This Agreement shall be governed by the laws of the State of Florida, without reference to conflicts of law principles that would cause the application of the law of any other jurisdiction.

8.10. Force Majeure. If either Party is prevented from performing any of its obligations under this Agreement due to any cause beyond the Party's

reasonable control, including, without limitations, an “act of God,” fire, flood, war, strike, government regulation, civil or military authority, acts or omissions of transmitters, utilities, providers or hackers, the time for that Party's performance will be extended for the period of the delay or inability to perform due to such occurrence.

8.11. Survival. In addition to such other provisions hereof which, by their terms, survive any termination or expiration of this Agreement, Section 4 (Representations, Warranties & Covenants), Section 5 (Confidentiality), Section 6 (Intellectual Property), Section 7 (Indemnity), Section 8 (General Provisions), and Customer's payment obligations under any Proposal or SOW shall survive any termination or expiration of this Agreement.

8.12 Waiver Any waiver by either Party, whether express or implied, of any provision of this Agreement, any waiver of default, or any course of dealing hereunder, shall not affect such Party's right to thereafter enforce such provision or to exercise any right or remedy in the event of any other default or breach, whether or not similar.

8.13 Counterparts. By using ADASC's Services, Customer consents to have this Agreement provided in electronic/digital form. Please print a copy of this document for your records. This Agreement and any modification may be executed and delivered (including by facsimile, portable document format (.pdf) transmission, or via any online e-signature platform) in one or more counterparts, and by each Party in separate counterparts, each of which when executed will be deemed to be an original, and all of which taken together will constitute one and the same Agreement.

8.14 No Construction Against the Drafter. In the interpretation of this Agreement, the '*contra proferentem*' rule of contract construction shall not apply, this Agreement being the product of negotiations between commercially sophisticated Parties, and therefore shall not be interpreted in favor of or against any Party by the sole reason of the extent to which such Party or its professional advisors participated or did not participate in the drafting of this Agreement.

8.15 Headings. Headings included herein are for convenience only and shall not be used to construe or interpret this Agreement.

8.16 Public Records. ADASC understands and agrees that all documents of any kind provided to the Customer in connection with this Agreement may be public records, and accordingly, ADASC agrees to comply with all applicable provisions of State law in handling such records. ADASC acknowledges that the designated public records custodian for the Customer is _____ (“Public Records Custodian”). Among other requirements and to the extent applicable by law, ADASC shall: 1) keep and maintain public records required by the Customer to perform the service; 2)

upon request by the Public Records Custodian, provide the Customer with the requested public records or allow the records to be inspected or copied within a reasonable time period at a cost that does not exceed the cost provided in State Statutes; 3) ensure that public records which are exempt or confidential, and exempt from public records disclosure requirements, are not disclosed except as authorized by law for the duration of the contract term and following the contract term if ADASC does not transfer the records to the Public Records Custodian of the Customer; and 4) upon completion of the contract, transfer to the Customer, at no cost, all public records in ADASC's possession or, alternatively, keep, maintain and meet all applicable requirements for retaining public records pursuant to State laws. When such public records are transferred by ADASC, ADASC shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to Customer in a format that is compatible with Microsoft Word or Adobe PDF formats.

ADA Site Compliance, LLC

Services Performed For:

Kingston One CDD

This Statement of Work (SOW) is issued pursuant to the Master Services Agreement (“MSA”) between Kingston One CDD (“Customer”) and ADA Site Compliance, LLC (“Contractor”), effective October 12, 2023 (the “Agreement”). It is subject to the terms and conditions contained in the Agreement between the parties and is made a part thereof. Any term not defined herein shall have the meaning specified in the Agreement. In case of any conflict between the terms of this SOW and the terms of the Agreement, the terms of the Agreement shall prevail, unless this SOW directly and explicitly specifies that its terms are meant to supersede the terms of the Agreement.

This SOW is entered into by and between Contractor and Customer and is subject to the terms and conditions specified below. Any exhibit(s) to this SOW shall be deemed a part hereof.

Process & Engagement

Contractor uses both technological (i.e. software-based) and human expert auditing to detect compliance failures for websites, mobile applications, PDFs, and other digital assets. Contractor evaluates their accessibility against evolving web content accessibility guidelines (currently WCAG 2.2) and offers the solutions below. Contractor will deliver a website that has been audited and remediated for substantial compliance with current standards.

Contractor will migrate Customer’s existing site to an accessible and compliant theme that Contractor has built and maintains. Customer will own all site content and provide hosting, backup, and document management for the site. Post-migration, Contractor’s audit and design teams will continuously monitor Customer’s new website for its substantial compliance with current standards.

Throughout the process and afterward, Customer will receive technological audit reports that identify all errors that software can detect. As noted above, software-based reports alone cannot identify 100% of accessibility failures; at best, they can uncover about one-third of them. As such, Customer’s technological reports are intended only as a general diagnostic of the site’s ongoing compliance health – not as a measure of its overall accessibility.

Scope of Work & Deliverables

Contractor shall provide the following services/deliverables for Customer and its site:

Technological Auditing

- Customized software-based auditing of the entire web domain.
- Detailed quarterly audit reports including the precise location in the code of each failure, a description of the error, a picture for visual context, and a suggested remediation step.
- Technological audit reports capture approximately one-third of known failures and are intended as a broad diagnostic and accountability tool, not as a full compliance blueprint.

Site Migration

- Contractor will migrate the content of Customer's existing website to one built on Contractor's own themes that are known to be accessible and compliant with WCAG 2.1 standards.
- Some existing functionality and content, including that provided by third-party vendors, may be impossible to migrate "as is" from the existing site to the new one, in which case another solution may be required.
- Review by Contractor's technical team leaders of the migrated site for quality assurance.

Customized Accessibility Policy & Compliance Shield

- Indication of Customer's active engagement with recognized experts in the field of website accessibility and compliance; the deliverable is uploaded to the footer of Customer's website and acts as a deterrent to litigation from trolling plaintiffs and/or attorneys.
- Statement of Customer's specific ongoing strides toward compliance with current WCAG standards – to be posted on the website (links to ADA Compliance Shield).
- Alternate contact info for users to report inaccessible areas of Customer's website and to request assistance – to be posted on the website (links to ADA Compliance Shield).

Technical Support

- Two (2) hours of technical support via email, phone, video, and (where feasible) in-person contact.

Fee Schedule

The fee for services described in this SOW is \$2,900, which is due within fourteen (14) days of the Agreement's execution by both parties. The annual fee for Customer's continued use of Contractor's Compliance Shield and accessibility policy; updates made to the accessibility policy to reflect changing standards and laws; quarterly technological auditing and reporting, and continued consulting is \$1,500, to be paid in full one (1) year after the execution date of this SOW.

Signatures

In witness whereof, the Parties have, by their duly authorized representatives, executed this SOW as of the date first set forth above.

I. INTRODUCTION

1.1 Purpose and Scope

This Engineer's Report has been prepared to assist with the financing, construction and acquisition of public infrastructure improvements (herein, the "Project") to be undertaken to support development consisting of Pods 1, 2 and 3 as shown in **Exhibits A, B and C**, respectfully. Pods 1 and 2 will be referred to as Kingston South and Pod 3 will be referred to as Esplanade at Kingston. Kingston South and Esplanade at Kingston will herein be referenced as the "Development". The Development is wholly located within the geographical area of the Kingston One Community Development District (herein, the "District"). The Development is currently owned by Corkscrew Grove Limited Partnership but is expected to be acquired by CAM7 SUB, LLC (herein, the "Developer"). This report will present a description of the infrastructure components of the Project, as well as estimates of cost for completing these improvements. The financing of all or a portion of the Project is expected to be in the form of one or more series of special assessment bonds to be issued by the District (herein, the "Bonds"). Any portion of the Project not financed with the Bonds will be constructed and conveyed to the District by the Developer.

1.2 Description of Kingston One

The Development is a ±2,429-acre proposed development within unincorporated Lee County, Florida. A site Location Map is provided in **Figure 1**.

The Development entitlements are established as part of a much larger development known as Kingston. Kingston was the subject of a Bert Harris Private Property Rights dispute in Lee County resulting in a Settlement Agreement, Case No 22-CA-002743, dated March 27, 2023. The Settlement Agreement includes a modified Master Concept Plan, attached as **Exhibit D**.

Kingston South, fronting the south ROW of Corkscrew Road, and Esplanade at Kingston, fronting the north ROW of Corkscrew Road, both are approximately 2.6 miles east of Verdana Village and 8.6 miles east of the intersection of Corkscrew Road and Alico Road. In addition to constructing 4,059 residential dwelling units, the Development will enhance, restore and protect open space, surface water and groundwater. The Development is adjacent to conservation property owned by the South Florida Water Management District (SFWMD) and the Audubon Society.

The District improvements constituting the Project are anticipated to be constructed in two phases over a seven year buildout, to be complete in 2031. Phase 1 of the Project includes construction of public infrastructure for 1,279 units, while Phase 2 of the Project includes construction of public infrastructure for the remaining 2,780 units.

SETTLEMENT AGREEMENT DATED MARCH 27, 2023**

1.3 Kingston One Community Development District

The petition to establish this District was submitted to Lee County on June 22, 2023. On August 4, 2023, the Lee County Department of Community Development determined the application was sufficient and provided the County Attorney's Office with a staff report for review. The District was created by Ordinance No. 23-26, which was enacted by the Board of County Commissioners of Lee County, Florida on October 3, 2023, and became effective on **DATE (will be provided by Greg once available)** (herein, the "Establishing Ordinance"). The District has been established by and operates in accordance with the Establishing Ordinance, and pursuant to the provisions of Chapter 190, Florida Statutes for the purpose of planning, financing, constructing, operating and maintaining public infrastructure for the lands comprising the Development within the jurisdiction of the District. The District will also possess the authority to issue Bonds for the purpose of acquiring and constructing certain public infrastructure improvements and to levy taxes, assessments, rates and charges to pay for the construction, acquisition, operation and maintenance of the public improvements.

The District consists of ±2,429 acres and is located within Sections 24, 25, 26, 34 and 35 and 36, Township 46 South, Range 27 East in Lee County, Florida. The District is governed by a five (5) member Board of Supervisors.

Management of the District shall be performed on a contractual basis by a company specializing in special district management, currently Inframark Infrastructure Management Services. The District Manager oversees the operation and maintenance of the District, as supervised by the Board of Supervisors of the District.

1.4 Report Assumptions

In the preparation of this report, Barraco and Associates, Inc. relied upon information provided by the Developer. While Barraco and Associates, Inc. has not independently verified the information provided by outside sources, there is no apparent reason to believe the information provided by others is not valid for the purposes of this report.

II. DEVELOPMENT BOUNDARY

2.1 Property Boundary

The Development is located within Sections 24, 25, 26, 34, 35 and 36, Township 46 South, Range 27 East in Lee County, Florida. The land area of the District is $\pm 2,429$ acres.

2.2 Existing Infrastructure

Extension of existing public infrastructure outside of the boundaries of the District will make up a portion of the improvements to be constructed and/or acquired by the District and financed with proceeds from the Bonds. There is no infrastructure known to exist within the District boundary.

III. PROPOSED PROJECT

3.1 Proposed District Infrastructure

The District's Project for public infrastructure improvements (construction and/or acquisition) within the District and outside the District is expected to include, but is not limited to the following:

- Drainage and Surface Water Management System
- Onsite Roadways
- Onsite Utilities
- Offsite Utilities and Roadway Improvements
- Onsite and offsite Environmental and Wildlife Restoration and Mitigation
- Professional Fees

The improvements described in this report represent the present intentions of the Developer, and the District, subject to applicable local general purpose government land development codes and Settlement Agreement Case No 22-CA-002743 dated March 27, 2023. The implementation of any improvements discussed in this report requires the final approval by many regulatory and permitting agencies including local, state and federal agencies. Subsequently, the actual improvements may vary from the capital improvements described in this report. The cost estimate contained in this report has been prepared based upon available information, and is based on preliminary designs and current economic conditions. The actual cost will vary depending on the final engineering design, permitting, construction and approvals, as well as economic conditions at the time of construction. The following sections describe the elements which are part of the District's Project.

3.2 Drainage and Surface Water Management System

Surface water management lakes will be excavated within the District during each phase. Subsequently, the excavated material will be utilized for District-funded public items only. This fill will be placed, compacted, and spread over District property and the locations of District-funded infrastructure improvements. Any excess balance of excavated material may be placed on the future portions of the site, however no private earthwork, including residential lot grading and transporting fill thereto will be financed by the District. The cost of utilizing excess material from District excavation including placing, grading and compacting will be the responsibility of the Developer.

Water management lakes will be excavated to at least the minimum size and depth requirements of the SFWMD. The water management system will consist of excavated stormwater lakes, culverts, inlets, perimeter berms, and stormwater control structures. A Conceptional Environmental Resource Permit (ERP) Application #230607-38984 has been reviewed by the SFWMD and has been deemed complete. The ERP is designed to serve the ±2,429 acre Development with its proposed 4,059 single-family units, and supporting infrastructure. Additionally, a SFWMD Construction ERP (based on the

Conceptual ERP) and SFWMD Water Use Permits will be required for dewatering activities during construction and for irrigation purposes.

Stormwater runoff from the developed areas within the District will be routed to the surface water management system comprised of interconnected detention areas and lakes for water quality treatment and attenuation. Each basin will subsequently release treated stormwater through control structures which will discharge offsite. Per SFWMD regulations, the preserve and conservation areas must be improved to mitigate for wetland impacts associated with development. This is accomplished through removal of exotic vegetation and appropriate grading and planting.

The conceptual surface water management system has been designed in accordance with the SFWMD Applicant's Handbook Volume II. These regulations set minimum criteria for water quality treatment and flood protection. The surface water management areas are designed to attenuate the 25-year, 3-day rainfall event. Roadways will be designed at or above the estimated 5-year, 1-day rainfall event stage and at a minimum 2' above lake control elevation. A related permit to address environmental impacts has been submitted to the Florida Department of Environmental Protection (FDEP) and is under review as application #423130-001.

A sediment and erosion control plan will be prepared and implemented with all construction. Sediment and erosion control includes slope and outfall protection, such as synthetic bales, staked silt fences and floating turbidity barriers. A National Pollutant Discharge Elimination System (NPDES) permit must be obtained for construction activities, including a Stormwater Pollution Prevention Plan.

3.3 Onsite Roadways

Roadways within the District may consist of two-lane undivided, two-lane divided, and four-lane divided sections. Roadways will serve the District in its entirety, including access entering and exiting the community via existing Corkscrew Road. Roadways within the District will be public, therefore owned, operated, and maintained by the District. Roadways will be constructed within platted rights-of-way dedicated to the District for operation and maintenance. As required by state and federal law, all District funded roadways will be open to the public.

Construction of the roadways may consist of stabilized subgrade, limerock, asphalt (initial lift and final lift), signing and striping. Roadways shall be designed in accordance with Lee County requirements, and may include landscaping, hardscaping, sidewalks, irrigation, master electrical, street lighting, entrance features and other incidentals.

Landscaping and irrigation provided for the roadways, common areas, and entrance features may be owned and maintained by the District. Existing native vegetation may be preserved and incorporated into the landscape plan where

possible, and may consist of sod, annual flowers, shrubs, groundcover, littoral plants and trees.

3.4 Onsite Utilities

The District-funded utilities within the Development will consist of potable water and wastewater lines, as well as irrigation distribution lines within public right-of-ways or utility easements. These systems will be designed and constructed in accordance with Lee County Utilities (“LCU”) and Florida Department of Environmental Protection (“FDEP”) standards. The turnover of completed utilities by the District to LCU will take place when cleared for use by the FDEP. LCU will also act as the supplier of water to the water distribution systems, as well as the collector of the wastewater from the wastewater collection system. LCU requires water and sewer connection/capacity fees for all new utility services for allocation of existing treatment plant capacities. Half of these fees must be paid prior to construction, and the balance is due when the system is cleared for use and placed in service. These connection fees are included in the funding estimates and may be financed in whole or in part by the District. If the Developer pays the connections fees on the behalf of the District, these fees will be considered a reimbursable item.

The potable water facilities will include transmission and distribution lines, booster pumps and ground storage tanks, along with the necessary valves, fire hydrants and water services to individual buildings and parcels. The onsite components of the potable water distribution system financed by the District shall fall within public right-of-way tracts or dedicated utility easements in favor of LCU.

The wastewater facilities will include individual gravity sewer, sewer services, force mains, and lift stations. The system will be designed with multiple lift stations which will pump to offsite LCU infrastructure. The onsite components of the wastewater collection and transmission system financed by the District shall fall within public right-of-way tracts or dedicated utility easements in favor of LCU.

3.5 Offsite Utilities and Roadway Improvements

Offsite utility and roadway improvements are required to support the Development. Offsite utility improvements include approximately 22,000 LF of 10” and 16” force main, 21,000 LF 16” and 20” water main and a potable water booster pump station and a potable water ground storage tank. Installation of offsite water and sewer transmission mains is proposed within the Lee County Corkscrew Road right-of-way or easements to serve the District and improve the current LCU system.

Offsite roadway improvements will include auxiliary lanes within the Corkscrew Road Right-of-Way and a “spine road” which will provide access to the north to SR 82. Auxiliary lanes serving the District are proposed to be added at multiple entrances and exits on Corkscrew Road. Landscaping and

irrigation adjacent to offsite roadways are included in offsite roadway improvements, and will be owned and maintained by the District. Ownership and maintenance of all offsite improvements as well as the spine road will be conveyed to Lee County upon completion and certification, as applicable.

3.6 Onsite and Offsite Environmental and Wildlife Restoration and Mitigation

Environmental considerations influenced the design of the Development to reduce or eliminate direct and secondary environmental impacts, as well as to preserve and restore the ecological integrity. Environmental restoration and conservation will be in accordance with SFWMD, FDEP and Lee County regulation; including a 400' conservation buffer along the north boundary of the development, a 300' conservation buffer along the east boundary and a 700' conservation buffer along the developments south boundary adjacent to Audubon property.

The Settlement Agreement for the overall Kingston Project, previously referenced herein, establishes that minimum acreages for restoration area shall be phased per development pod as determined by cumulative pod area or cumulative dwelling units. Accordingly, the restoration area necessary for the Development, as defined herein to include Pods 1, 2 and 3, will occur both within and outside of the boundary of the District; however the offsite mitigation area will be within the overall Kingston Project and within dedicated easements in favor of the District. Furthermore, no offsite mitigation bank credits are considered or shall be funded by the District.

3.7 Professional Fees

Professional fees include the estimated cost for design, construction management, and other professional services of all components of the District infrastructure and also includes other expenses, such as permit application fees relating to the Project.

IV. OPINION OF PROBABLE CONSTRUCTION COSTS

4.1 Summary of Costs

Table 2 presents a summary of estimated costs of public improvements comprising the Project as described in Section 3 of this report. The estimates shown in Table 2 do not include the financing, operation, maintenance services or bond issuance costs necessary to finance and maintain the District infrastructure. All estimates are given in 2023 dollars and no inflation factor has been provided for the time value of money. All estimates are given with an additional 20% contingency factor as a provision for changes during the time to construct the Project. These costs do not include any land values that may be associated with the possible acquisition of interests in certain lands relating to the infrastructure described in this Report.

Section 3 of this report described the proposed public infrastructure comprising the Project, of which a portion will be funded by Bonds. For the purpose of the cost estimates presented in this section, the following six categories have been established which contain groupings and associated costs of the various items described in Section 3:

Note: In connection with the establishment of the District, the Petition requests the County's consent to the District's exercise of (i) the power pursuant to Section 190.012(2)(a), Florida Statutes

to plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain additional systems and facilities for parks and facilities for indoor and outdoor recreational, cultural, and educational uses (“Parks and Recreational Facilities”), and (ii) the power pursuant to Section 190.012(2)(d), Florida Statutes to finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain additional systems, facilities and basic infrastructure for security (“Security”). The initial timetable and cost estimates of the District for its initial public project do not include public infrastructure specifically associated with Parks and Recreational Facilities, but do included within the category of “On-Site Roadways” certain costs related to Security. Nevertheless, actual construction timetables, expenditures and categories of public improvements to be constructed and operated by the District may vary, however, due in part to potential future changes in economic conditions including the cost and availability of labor, services, and materials and changes in the development plan. The actual construction timetables, expenditures and categories of public improvements are only preliminary at this point in time.

Table 3 summarizes various ownerships for the design components listed in this report. The “Financing Entity” is the entity responsible for funding and constructing each infrastructure component. Upon completion of construction and final certification, the infrastructure component will then be turned over to the “Operation & Maintenance Entity.”

4.2 Permits

State and local permits and approvals are required prior to the construction of infrastructure. Permits and permit modifications are considered a part of the normal design and permitting process, and may be applied for at the time the improvement is undertaken.

All permits known to be required for construction of the Project’s main infrastructure are either in effect or considered obtainable within the normal course of construction plan development and State and local permit applications and processing.

V. CONCLUSION

5.1 Summary

The Kingston One Community Development District is comprised of ±2,429 acres with 4,059 planned residential units and was established on October 3, 2023 with the purpose of planning, financing, constructing, operating and maintaining public infrastructure for the lands comprising the community development within the jurisdiction of the District. It possesses the authority to issue Bonds for the purpose of acquiring and constructing certain public infrastructure improvements. Such improvements include drainage and surface water management system, onsite roadways, onsite utilities, offsite utility and roadway improvements, environmental and wildlife restoration, mitigation, and professional fees, as described throughout Section 2 of this report. The benefit of improvements provided by the Bonds for the District is anticipated to be greater than the cost of the Project.

It is our opinion that the Project is feasible to construct, there are no known technical reasons existing at this time that would prevent the implementation of the Project, and it is reasonable to assume that all necessary regulatory approvals may be obtained in due course; additionally, the estimated cost of the Project as set forth herein is reasonable based on construction costs currently being experienced in the jurisdiction in which the District is located, and will not be greater than the lesser of the actual cost of construction or the fair market value of such infrastructure.

I. INTRODUCTION

This Master Assessment Methodology Report (the “Master Report”) details the basis of the benefit allocation and assessment methodology to support the financing plan to complete the public infrastructure required within the Kingston One Community Development District (the “District”). The private assessable lands (“Assessable Property”) benefitting from the public infrastructure is generally described within Exhibit A of this Master Report and further described within the Master Engineer’s Report, dated October 24, 2023 (the “Engineer’s Report”).

The objective of this Master Report is to:

1. Identify the District’s capital improvement program (“CIP”) for the public improvements to be financed, constructed and/or acquired by the District; and
2. Determine a fair and equitable method of spreading the associated costs to the benefiting Assessable Properties within the District pre- and post-development completion; and
3. Provide a basis for the placement of a lien on the Assessable Properties within the District benefiting from the CIP, as outlined by the Engineer’s Report.

The basis of the benefit received by Assessable Properties relates directly to the proposed CIP. It is the District’s CIP that will create the public infrastructure that enables Assessable Properties within the District to be developed and improved under current allowable densities. The CIP includes stormwater management/drainage, roadway, water distribution, sanitary sewer collection/transmission, landscaping, irrigation distribution, off site mitigation, onsite environmental and wildlife restoration, offsite utilities/roadway (spine road), and associated professional fees. The Engineers Report identified estimated costs to complete the CIP, inclusive of associated “soft cost” such as professional service with contingencies to account for commodity and service market fluctuations. This report will further address additional financing cost associated with funding the CIP. Without the required improvements in the CIP, the development of the Assessable Properties could not be undertaken within the current development standards. The main objective of this Master Report is to establish a basis on which to quantify and allocate the special benefit provided by the CIP proportionally to the private property within the District. A detailed allocation methodology and finance plan will be utilized to equitably distribute CIP costs upon the Assessable Properties within the District based on the level of proportional benefit received.

This Master Report outlines the assignment of benefits, assessment methodology, and financing structure for bonds to be issued by the District. As a result of the methodology application, the maximum long-term assessment associated with the current CIP is identified. The District will issue Special Assessment Bonds (the “Bonds”), in one or more series consisting of various amounts of principal debt and maturities to finance the construction and/or acquisition of all or a portion of the CIP.

It is anticipated that the methodology consultant will prepare individual supplemental reports applying the allocation methodology contained herein for the imposition and collection of long-term special assessments on a first-platted, first-assigned basis for repayment of a specific series of Bonds. The methodology consultant may distribute supplemental reports

in connection with updates and/or revisions to the finance plan. Such supplemental reports will be created to stipulate amended terms, interest rates, developer contributions if any, issuance costs and will detail the resulting changes in the level of funding allocated to the various trust accounts and subaccounts.

The Bonds will be repaid from and secured by non-ad valorem assessments levied on those Assessable Properties benefiting from the public improvements within the District. Non-ad valorem assessments will be levied each year to provide the funding necessary to pay debt service on the Bonds and to fund operations and maintenance costs related to the capital improvements maintained by the District.

In summary, this Master Report will determine the benefit, apportionment and financing structure for the Bonds to be issued by the District in accordance with Chapters 170, 190 and 197, Florida Statutes, as amended, to establish a basis for the levying and collecting of special assessments based on the benefits received and is consistent with our understanding and experience with case law on this subject.

III. DISTRICT OVERVIEW

The District consists of +2,429 acres and is located within Sections 24, 25, 26, 34, 35 and 36, Township 46 South, Range 27 East in Lee County, Florida. The primary Developer of the Assessable Properties is Cam7-Sub, LLC (the “Developer”), who has created the overall development plan as outlined and supported by the Engineer’s Report. The development plan for the District contemplates 4,065 planned residential units within multiple phases.

IV. PROPOSED IMPROVEMENTS

The District and Developer are undertaking the responsibility of providing the public infrastructure necessary to develop the District’s CIP. As designed, the CIP is an integrated system of facilities. Each infrastructure facility works as a system to provide special benefit to District lands, i.e.: all benefiting landowners of Assessable Properties within the District benefit the same from the first few feet of infrastructure as they do from the last few feet. The CIP costs within Table 1 of this Master Report reflect costs as further detailed within the Engineer’s Report, these costs are exclusive of any financing-related costs.

V. DETERMINATION OF SPECIAL ASSESSMENT

There are three main requirements for valid special assessments. The first requirement demands that the improvements to benefited properties, for which special assessments are levied, be implemented for an approved and assessable purpose (F.S. 170.01). As a second requirement, special assessments can only be levied on those properties especially benefiting from the improvements (F.S. 170.01). Thirdly, the special assessments allocated to each benefited property cannot exceed the proportional benefit to each parcel (F.S. 170.02).

The District’s CIP contains a “system of improvements” including the funding, construction, and/or acquisition of public improvements, stormwater, utilities (water and sewer), roadways, landscape/hardscape, and other elements of the CIP; all of which are considered to be for an approved and assessable purpose (F.S. 170.01) which satisfies the first requirement for a valid special assessment, as described above. Additionally, the improvements will result in all Assessable Property within the District receiving a direct and specific benefit, thereby making those properties legally subject to assessments (F.S. 170.01), which satisfies the second requirement, above. Finally, the specific benefit to the Assessable Property is equal to or exceeds the cost of the assessments levied on the Assessable Property (F.S. 170.02), which satisfies the third requirement, above.

The first requirement for determining the validity of a special assessment is plainly demonstrable; eligible improvements are found within the list provided in F.S. 170.01. However, the second and third requirements for a valid

special assessment require a more analytical examination. As required by F.S. 170.02 and described in the succeeding section entitled “Allocation Methodology,” this approach involves identifying and assigning value to specific benefits being conferred upon the various Assessable Property, while confirming the value of these benefits exceed the cost of providing the improvements. These special benefits include, but are not limited to, the added use of the property, added enjoyment of the property, probability of decreased insurance premiums and the probability of increased marketability and value of the property.

The determination has been made that the duty to pay the non-ad valorem special assessments is valid based on the special benefits imparted upon the various Assessable Property. These benefits are derived from the acquisition and/or construction of the District’s CIP. The allocation of responsibility for payment of the debt service on the Bonds has been apportioned according to reasonable estimates of the special benefits provided consistent with each land use category. Accordingly, no acre or parcel of property within the boundary of the properties will be assessed for the payment of any non-ad valorem special assessment greater than the determined special benefit particular to that parcel of the District.

Property within the District that currently is not, or upon future development, will not be subject to the special assessments include publicly owned (State/County/City/CDD) tax-exempt parcels such as lift stations, road rights-of-way, waterway management systems, common areas, and certain lands/amenities owned by HOA(s). To the extent it is later determined that a property no longer qualifies for an exemption, assessments will be apportioned and levied based on an EAU factor proportionate to acreage density as demonstrated in other use EAU assignments.

VI. ALLOCATION METHODOLOGY

The CIP benefits all Assessable Properties within the District proportionally. The level of relative benefit can be compared through the use of defining “equivalent” units of measurement by product type to compare dissimilar development product types. This is accomplished through determining an estimate of the relationship between the product types, based on a relative benefit received by each product type from the CIP. The use of Equivalent Assessment Unit (EAU) methodologies is well established as a fair and reasonable proxy for estimating the benefit received by private benefiting properties. Even though there is not a 50’ product at this time, one (1) EAU has been assigned using a 50’ residential use product type as a baseline, with a proportional increase or decrease relative to planned residential product types and sizes. Table 2 outlines EAUs assigned for residential product types under the current Development Plan. If future assessable property is added or product types are contemplated, this Report will be amended to reflect such change.

The method of benefit allocation is based on the special benefit received from infrastructure improvements relative to the benefiting Assessable Property by use and size in comparison to other Assessable Property within the District. According to F.S. 170.02, the methodology by which special assessments are allocated to specifically benefited property must be determined and adopted by the governing body of the District. This alone gives the District latitude in determining how special assessments will be allocated to specific Assessable Property. The CIP benefit and special assessment allocation rationale is detailed herein and provides a mechanism by which these costs, based on a determination of the

estimated level of benefit conferred by the CIP, are apportioned to the Assessable Property within the District for levy and collection. The allocation of benefits and Maximum Assessments associated with the CIP are demonstrated on Table 3 through Table 6. The Developer may choose to pay down or contribute infrastructure on a portion or all of the long-term assessments as evaluated on a per-parcel basis, thereby reducing the annual debt service assessment associated with any series of Bonds. Notwithstanding any of the foregoing, the District reserves the right to create separate assessment areas relating to a series of bonds.

VII. ASSIGNMENT OF MAXIMUM ASSESSMENTS

This section sets out the manner in which special assessments will be assigned and establish a lien on land within the District. With regard to the Assessable Property liens will be assessed on a gross acreage basis until such time as the developable acreage is platted. The platted parcels will then be reviewed as to use and Product Types. Pursuant to Section 193.0235, Florida Statutes, certain privately or publicly owned “common elements” such as clubhouses, amenities, lakes and common areas for community use and benefit are exempt from non-ad valorem assessments and liens regardless of the private ownership.

It is useful to consider three distinct states or conditions of development within a community. The initial condition is the “undeveloped state”. At this point the infrastructure may or may not be installed but none of the units in the Development Plan have been platted. This condition exists when the infrastructure program is financed prior to any development. In the undeveloped state all of the lands within the District receive benefit from the CIP and all of the assessable land within the District would be assessed to repay any Bonds. While the land is in an “undeveloped state,” special assessments will be assigned on an equal acre basis across all of the gross acreage within the District. Debt will not be solely assigned to parcels which have development rights, but will and may be assigned to undevelopable parcels to ensure integrity of development plans, rights and entitlements.

The second condition is “on-going development”. At this point, if not already in place, the installation of infrastructure has begun. Additionally, the Development Plan has started to take shape. As lands subject to special assessments are platted and fully-developed, they are assigned specific assessments in relation to the estimated benefit that each platted unit receives from the CIP, with the balance of the debt assigned on a per acre basis as described in the preceding paragraph. Therefore, each fully-developed, platted unit would be assigned a Maximum Assessment pursuant to its Product Type classification as set forth in Table 6. It is not contemplated that any unassigned debt would remain once all of the lots associated with the improvements are platted and fully-developed; if such a condition was to occur; the true-up provisions within this Report would be applicable.

The third condition is the “completed development state.” In this condition the entire Development Plan for the District has been platted and the total par value of the Bonds has been assigned as specific assessments to each of the platted lots within the District.

VIII. FINANCING

The District intends to finance only a portion of the CIP through the issuance of the Bonds; however this report assumes the financing of 100% of the improvements to identify the full benefit and potential. As the Bonds will be issued in one or more series, the Bonds will be sized at an amount rounded to the nearest \$5,000 and will include items such as debt service reserves, underwriter's discount, issuance costs and rounding.

For purposes of the Master Report, conservative allowances have been made for a debt service reserve, underwriter's discount, issuance costs, rounding and collection cost as shown on Table 3. The methodology consultant will issue supplemental report(s) which outline the provisions specific to each bond issue with the application of the assessment methodology contained herein. The supplemental report(s) will detail the negotiated terms, interest rates and costs associated with each series of Bonds representing the market rate at that point in time. The supplemental reports will outline any Developer contributions towards the completion of the CIP applied to prepay any assessments on any one or collective Assessable Properties within the District. The supplemental report(s) will also detail the level of funding allocated to the construction/acquisition account, the debt service reserve account, underwriter's discount, issuance and collection costs. Additionally, the supplemental report(s) will apply the principles set forth in the Master Report to determine the specific assessments required to repay the Bonds.

IX. TRUE-UP MODIFICATION

During the construction period of development, it is possible that the number of residential units built may change, thereby necessitating a modification to the per unit allocation of special assessment principal. In order to ensure the District's debt does not build up on the unplatted developable land, the District shall apply the following test as outlined within this "true-up methodology."

The debt per acre remaining on the unplatted land within the District may not increase above its ceiling debt per acre. The ceiling level of debt per acre is calculated as the total amount of debt for each Bond issue divided by the number of gross acres for such phase. Thus, every time the test is applied, the debt encumbering the remaining undivided land must remain equal to or lower than the ceiling level of debt per gross acre. If the debt per gross acre is found to be above the established maximum, the District would require a density reduction payment in an amount sufficient to reduce the remaining debt per acre to the ceiling amount based on the schedule found in Exhibit A, the Assessment Roll, which amount will include accrued interest to the first interest payment date on the Bonds which occurs at least 45 days following such debt reduction payment.

True-up tests shall be performed upon the recording of each plat submitted to subdivide developed lands within the District. If upon the completion of any true-up analyses it is found the debt per acre exceeds the established maximum

ceiling debt per gross acre, or there is not sufficient development potential in the remaining acreage of the District to produce the EAU densities required to adequately service Bond debt, the District shall require the immediate remittance of a density reduction payment, plus accrued interest as applicable, in an amount sufficient to reduce the remaining debt per assessable acre to the ceiling amount per acre and to allow the remaining acreage to adequately service Bond debt upon development. The final test shall be applied at the platting of 100% of the development units within the District.

True-up payment requirements may be suspended if the landowner can demonstrate, to the reasonable satisfaction of the District, that there is sufficient development potential in the remaining acreage within the District to produce the densities required to adequately service Bond debt. The Developer and District will enter into a true-up agreement to evidence the obligations described in this section.

All assessments levied run with the land and it is the responsibility of the District to enforce the true-up provisions and collect any required true-up payments due. The District will not release any liens on property for which true-up payments are due, until provision for such payment has been satisfactorily made.

- (iv) the Bonds of each series shall be payable in not more than 30 annual installments of principal; and
- (v) be dated as provided in a resolution adopted by the District prior to the issuance and delivery thereof.

The final maturity date or dates of the Bonds and the interest rate or rates thereon shall be determined, within the foregoing limits, and any optional, mandatory and extraordinary redemption provisions thereof shall be fixed, by the Indenture hereinafter referred to or by one or more resolutions of the District to be adopted prior to the delivery of the Bonds of any series. In other respects, the Bonds shall be in the form, shall be executed and authenticated, shall be subject to replacement and shall be delivered as provided in the Indenture hereinafter referred to, the form of which is set out as composite **Exhibit "A"** attached hereto.

Prior to the issuance and delivery of the Bonds, the District shall have undertaken and, to the extent then required under applicable law, completed all necessary proceedings, including, without limitation, the approval of assessment rolls, the holding of public hearings and the adoption of resolutions in order to levy and collect Special Assessments upon the lands within the District subject to assessment, all as more specifically required and provided for by the Act and Chapters 170, 190 and 197, Florida Statutes, as the same may be amended from time to time, or any successor statutes thereto.

The Indenture shall provide for the security of the Bonds and express the contract between the District and the owners of such Bonds. The Indenture shall be in substantially the forms thereof attached hereto and marked composite **Exhibit “A”** and hereby approved, with such changes therein as are necessary or desirable to reflect the terms of the sale of the Bonds as shall be approved by the Chairperson (or in his or her absence, the Vice Chairperson) executing the same, with such execution to constitute conclusive evidence of such officer’s approval and the District’s approval of any changes therein from the form of Indenture attached hereto.

Section 5. Sale of Bonds. Pursuant to the provisions of Section 190.016(1) of the Act, the Bonds may be delivered in payment of all or a portion of the purchase price of the Project or may be sold at public or private sale after such advertisement, if any, as the Board may deem advisable but not in any event at less than 90 percent of the par value thereof, together with accrued interest thereon, in conformance with the provisions of the Act.

The Chairperson, Vice Chairperson or any Designated Member is authorized to sign any pleadings and to offer testimony in any such proceedings for and on behalf of the District. The other members of the Board, the officers of the District and the agents and employees of the District, including, without limitation, the District Manager, the engineer or engineering firm serving as engineer to the District and the District’s underwriter are hereby also authorized to offer testimony for and on behalf of the District in connection with any such validation proceedings.

Section 8. Further Official Action; Ratification of Prior and Subsequent Acts. The Chairperson, the Vice Chairperson, the Secretary and each Designated Member and any other proper official of the District are each hereby authorized and directed to execute and deliver any and all documents and instruments (including, without limitation, any documents required by the Trustee to evidence its rights and obligations with respect to the Bonds, any documents required in connection with implementation of a book-entry system of registration, any funding agreements, acquisition agreements, true-up agreements and/or completion agreements with the Developer (as such term is defined in the Indenture), and investment agreements relating to the investment of the proceeds of the Bonds and any agreements in connection with maintaining the exclusion of interest on the Bonds from gross income of the holders thereof) and to do and cause to be done any and all acts and things necessary or desirable for carrying out the transactions contemplated by this Resolution. In the event that the Chairperson or the Secretary is unable to execute and deliver the

documents herein contemplated, such documents shall be executed and delivered by the respective designee of such officer or official or any other duly authorized officer or official of the District. The Secretary or any Designated Member is hereby authorized and directed to apply and attest the official seal of the District to any agreement or instrument authorized or approved herein that requires such a seal and attestation. All of the acts and doings of such members of the Board, the officers of the District, and the agents and employees of the District, which are in conformity with the intent and purposes of this resolution, whether heretofore or hereafter taken or done, shall be and are hereby ratified, confirmed and approved.

The District shall by proper proceedings authorize the issuance and establish the details of such BANs pursuant to the provisions of Section 190.014, Florida Statutes, as amended other applicable provisions of laws.

Section 10. Subsequent Resolution(s) Required. Notwithstanding anything to the contrary contained herein, no series of Bonds may be issued or delivered until the District adopts a subsequent resolution and/or supplemental indenture for each such series of Bonds, fixing the details of such series of Bonds remaining to be specified or delegating to the Chairperson, the Vice Chairperson or a Designated Member the authority to fix such details.

Section 11. Severability. If any section, paragraph, clause or provision of this resolution shall be held to be invalid or ineffective for any reason, the remainder of this resolution shall continue in full force and effect, it being expressly hereby found and declared that the remainder of this resolution would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause or provision.

All Bonds shall be issued only upon satisfaction of the conditions set forth in Article III hereof; and the Trustee shall, at the Issuer’s request, authenticate such Bonds and deliver them as specified in such request.

Each Bond shall be dated, shall have such Interest Payment Dates, shall bear interest from such date or dates and at such rate or rates until the maturity thereof, payable on such Interest Payment Dates, and shall be stated to mature (subject to the right of prior redemption), all as provided in, or pursuant to, a Supplemental Indenture.

The Trustee shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class, postage-prepaid, to each Owner of record as of the fifth (5th) day prior to such mailing, at his address as it appears in the Bond Register. SECTION 2.03. Authentication. No Bond shall be valid until the certificate of authentication shall have been duly executed by the Trustee, and such authentication shall be proof that the Bondholder is entitled to the benefit of the trust hereby created. The Trustee shall at all times serve as Authentication Agent and shall be authorized to authenticate the Bonds.

SECTION 2.04. Registration and Registrar. The Trustee is hereby constituted and appointed as the Registrar for the Bonds. The Registrar shall act as registrar and transfer agent for the Bonds. The Issuer shall cause to be kept at an office of the Registrar a register (herein sometimes referred to as the “Bond Register” or “Register”) in which, subject to the provisions set forth in Section 2.08 below and such other regulations as the Issuer and Registrar may prescribe, the Issuer shall provide for the registration of the Bonds and for the registration of transfers and exchanges of such Bonds. The Trustee shall notify the Issuer in writing of the specific office location (which may be changed from time to time, upon similar notification) at which the Bond Register is kept. The Bond Registrar shall initially be kept at the Trustee’s corporate trust office in Orlando, Florida

SECTION 2.05. Mutilated, Destroyed, Lost or Stolen Bonds. If any Bond shall become mutilated, the Issuer shall execute and the Trustee shall thereupon authenticate and deliver a new Bond of like Series, tenor and denomination in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of such mutilated Bond for cancellation, and the

Issuer and the Trustee may require reasonable indemnity therefor. If any Bond shall be reported lost, stolen or destroyed, evidence as to the ownership and the loss, theft or destruction thereof shall be submitted to the Issuer and the Trustee; and if such evidence shall be satisfactory to both and indemnity satisfactory to both shall be given, the Issuer shall execute, and thereupon the Trustee shall authenticate and deliver a new Bond of like Series, tenor and denomination. The cost of providing any substitute Bond under the provisions of this Section shall be borne by the Bondholder for whose benefit such substitute Bond is provided. If any such mutilated, lost, stolen or destroyed Bond shall have matured or be about to mature, the Issuer may, with the consent of the Trustee, pay to the Owner the principal amount of and accrued interest on such Bond upon the maturity thereof and compliance with the aforesaid conditions by such Owner, without the issuance of a substitute Bond therefor.

Every substituted Bond issued pursuant to this Section 2.05 shall constitute an additional contractual obligation of the Issuer, whether or not the Bond alleged to have been destroyed, lost or stolen shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Master Indenture and applicable Supplemental Indenture equally and proportionately with any and all other Bonds of such same Series duly issued hereunder and under such Supplemental Indenture.

All Bonds shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment of mutilated, destroyed, lost or stolen Bonds, and shall preclude any and all other rights or remedies with respect to the replacement or payment of negotiable instruments, investments or other securities without their surrender.

SECTION 2.06. Temporary Bonds. Pending preparation of definitive Bonds, or by agreement with the original purchasers of all Bonds, the Issuer may issue and, upon its request, the Trustee shall authenticate in lieu of definitive Bonds one or more temporary printed or typewritten Bonds of substantially the tenor recited above. Upon request of the Issuer, the Trustee shall authenticate definitive Bonds in exchange for and upon surrender of an equal principal amount of temporary Bonds. Until so exchanged, temporary Bonds shall have the same rights, remedies and security hereunder as definitive Bonds. So long as Cede & Co., or any other nominee of DTC is the registered Owner of the Bonds, the definitive Bonds shall be in typewritten form.

SECTION 2.07. Cancellation and Destruction of Surrendered Bonds. All Bonds surrendered for payment or redemption and all Bonds surrendered for exchange shall, at the time of such payment, redemption or exchange, be promptly transferred by the Registrar, Paying Agent to, and cancelled and destroyed by, the Trustee in accordance with its retention policy then in effect.

SECTION 2.08. Registration, Transfer and Exchange. As provided in Section 2.04 hereof, the Issuer shall cause a Bond Register in respect of the Bonds to be kept at the designated office of the Registrar.

Upon surrender for registration of transfer of any Bond at the designated office of the Registrar, and upon compliance with the conditions for the transfer of Bonds set forth in this Section 2.08, the Issuer shall execute and the Trustee (or Registrar as described in Section 2.03 and Section 2.04 hereof) shall authenticate and deliver, in the name of the designated transferees, one or more new Bonds of a like aggregate principal amount and of the same Series and maturity.

At the option of the Bondholder, Bonds may be exchanged for other Bonds of a like aggregate principal amount and of the same Series and maturity, upon surrender of the Bonds to be exchanged at any such office of the Registrar. Whenever any Bonds are so surrendered for exchange, the Issuer shall execute and the Trustee (or Registrar as described in Section 2.03 and Section 2.04 hereof) shall authenticate and deliver the Bonds which the Bondholder making the exchange is entitled to receive.

All Bonds issued upon any transfer or exchange of Bonds shall be valid obligations of the Issuer, evidencing the same debt and entitled to the same benefits under this Master Indenture and applicable Supplemental Indenture as the Bonds of such Series surrendered upon such transfer or exchange.

Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing.

Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

Neither the Issuer nor the Registrar on behalf of the Issuer shall be required (i) to issue, transfer or exchange any Bond during a period beginning at the opening of business fifteen (15) days before the day of mailing of a notice of redemption of Bonds selected for redemption and ending at the close of business on the day of such mailing, or (ii) to transfer or exchange any Bond so selected for redemption in whole or in part.

SECTION 2.09. Persons Deemed Owners. The Issuer, the Trustee, any Paying Agent, or the Registrar shall deem and treat the person in whose name any Bond is registered as the absolute Owner thereof (whether or not such Bond shall be overdue and notwithstanding any notation of ownership or other writing thereon made by anyone other than the Issuer, the Trustee, any Paying Agent or the Registrar) for the purpose of receiving payment of or on account of the principal or Redemption Price of and interest on such Bond, and for all other purposes, and the Issuer, the Trustee, any Paying Agent, and the Registrar shall not be affected by any notice to the contrary. All such payments so made to any such Owner, or upon his order, shall be valid and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for moneys payable upon any such Bond.

SECTION 2.10. Limitation on Incurrence of Certain Indebtedness. The Issuer will not issue Bonds of any Series, except upon the conditions and in the manner provided or as otherwise permitted in the Indenture, provided that the Issuer may enter into agreements with issuers of Credit Facilities which involve liens on Pledged Revenues on a parity with that of the Bonds or portion thereof which is supported by such Credit Facilities.

SECTION 2.11. Qualification for The Depository Trust Company. To the extent provided in a Supplemental Indenture or authorized and directed by a Resolution of the Issuer authorizing the issuance of a Series of Bonds, the Trustee shall be authorized to enter into agreements with The Depository Trust Company, New York, New York ("DTC") and other

depository trust companies, including, but not limited to, agreements necessary for wire transfers of interest and principal payments with respect to the Bonds, utilization of electronic book entry data received from DTC, and other depository trust companies in place of actual delivery of Bonds and provision of notices with respect to Bonds registered by DTC and other depository trust companies (or any of their designees identified to the Trustee) by overnight delivery, courier service, telegram, telecopy or other similar means of communication.

So long as there shall be maintained a book-entry-only system with respect to a Series of Bonds, the following provisions shall apply:

Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, each Series of Bonds shall initially be registered in the name of Cede & Co. as nominee for DTC, which will act initially as securities depository for the Bonds and so long as the Bonds are held in book-entry-only form, Cede & Co. shall be considered the registered owner for all purposes hereof. On original issue, such Bonds shall be deposited with DTC, which shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants (“DTC Participants”) and other institutions that clear through or maintain a custodial relationship with a DTC Participant, either directly or indirectly (“Indirect Participants”). The DTC Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Bonds (“Beneficial Owners”).

Principal and interest on the Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC without the need for presentment of such Bonds. Disbursal of such amounts to DTC Participants shall be the responsibility of DTC. Payments by DTC Participants to Indirect Participants, and by DTC Participants and Indirect Participants to Beneficial Owners shall be the responsibility of DTC Participants and Indirect Participants and not of DTC, the Trustee or the Issuer.

The Bonds registered in the name of Cede & Co. shall initially be issued in the form of one fully registered Bond for each maturity of each Series registered in the name of Cede & Co. and shall be held in such form until maturity. Individuals may purchase beneficial interests in Authorized Denominations in book-entry-only form, without certificated Bonds, through DTC Participants and Indirect Participants.

DURING THE PERIOD FOR WHICH CEDE & CO. IS REGISTERED OWNER OF THE BONDS, ANY NOTICES TO BE PROVIDED TO ANY REGISTERED OWNER WILL BE PROVIDED TO CEDE & CO. DTC SHALL BE RESPONSIBLE FOR NOTICES TO DTC PARTICIPANTS AND DTC PARTICIPANTS SHALL BE RESPONSIBLE FOR NOTICES TO INDIRECT PARTICIPANTS, AND DTC PARTICIPANTS AND INDIRECT PARTICIPANTS SHALL BE RESPONSIBLE FOR NOTICES TO BENEFICIAL OWNERS.

The Issuer and the Trustee, if appropriate, shall enter into a blanket letter of representations with DTC providing for such book-entry-only system. Such agreement may be terminated at any time by either DTC or the Issuer. In the event of such termination, the Issuer shall select another securities depository and in that event all references herein to DTC or Cede & Co. shall be deemed to be for reference to its respective successors. If the Issuer does not replace DTC, the Trustee

will register and deliver to the Beneficial Owners replacement Bonds in the form of fully registered Bonds in accordance with the instructions from Cede & Co.

In the event DTC, any successor of DTC or the Issuer elects to discontinue the book-entry only system in conformity with the requirements of DTC, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor and after such time Bonds may be exchanged for an equal aggregate principal amount of Bonds in other Authorized Denominations and of the same maturity and Series upon surrender thereof at the corporate trust office of the Trustee.

Moneys in the appropriate Series Account of the Acquisition and Construction Fund shall be disbursed by check, voucher, order, draft, certificate or warrant signed by any one or more officers or employees of the Trustee legally authorized to sign such items or by wire transfer to an account specified by the payee upon satisfaction of the conditions for disbursement set forth in this subsection (b). Before any such payment shall be made, the Issuer shall file with the Trustee a fully executed requisition in the form of Exhibit D attached hereto, signed by a Responsible Officer and, except for payments of cost of issuance, a certificate of the Consulting Engineer signed by a Consulting Engineer also in the form of Exhibit D attached hereto and as may be modified by terms of the related Supplemental Indenture. Upon receipt of each such requisition and accompanying certificate, the Trustee shall promptly withdraw from the appropriate Series Account of the Acquisition and Construction Fund and pay to the person, firm or corporation named in such requisition the amount designated in such requisition. The Trustee shall have no duty to investigate the accuracy or validity of the items delivered pursuant to this Section. All requisitions and certificates received by the Trustee pursuant to this Section 5.01 shall be retained in the possession of the Trustee, subject at all reasonable times to the inspection of the Issuer, the Consulting Engineer, the Owner of any Bonds, and the agents and representatives thereof. The Trustee shall have no duty to verify that the disbursement of funds pursuant to a requisition is for a purpose for which payment may be made hereunder and the Trustee may conclusively rely that a properly signed requisition is, on its face, sufficient to disburse funds from the Acquisition and Construction Fund.

(c) *Completion of Project.* On the date of completion of a Project or if sufficient moneys are retained in the appropriate Series Account of the Acquisition and Construction Fund, to complete the Cost of a Project, in either case, as evidenced by the delivery to the Trustee of a Certificate of the Consulting Engineer and adoption of a resolution by the Board accepting a Project as provided by Section 170.09, Florida Statutes, as amended (the "Completion Date"), the balance in the appropriate Series Account of the Acquisition and Construction Fund not reserved by the Issuer for the payment of any remaining part of the Cost of a Project shall be transferred by the Trustee to, and deposited in, the applicable Series Account of the Bond Redemption Fund and applied as provided in Section 6.06 hereof and in the applicable Supplemental Indenture.

ARTICLE VI
SPECIAL ASSESSMENTS;
APPLICATION THEREOF TO FUNDS AND ACCOUNTS

SECTION 6.01. Special Assessments; Lien of Indenture on Pledged Revenues. The Issuer hereby covenants that it shall levy Special Assessments, and, unless provided otherwise with respect to a Series of Bonds, evidence and certify the same to the Tax Collector or shall cause the Property Appraiser to certify the same on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the Issuer, pursuant to the Act, Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes, as applicable, to the extent and in the amount necessary to pay the Debt Service Requirement on Bonds issued and Outstanding hereunder.

The Issuer shall pay to the Trustee for deposit in the Series Account of the Revenue Fund established under Section 6.03 hereof all Special Assessments received by the Issuer from the levy thereof on the District Lands subject to assessments for the payment of the related Series of Bonds; provided, however, that amounts received as Prepayments of Special Assessments shall be deposited directly into the applicable Series Account within the Bond Redemption Fund established hereunder or in any account thereof established pursuant to the applicable Supplemental Indenture. The Issuer shall notify the Trustee in writing at the time of deposit of any amounts received as Prepayments of Special Assessments and shall identify the related Series of Bonds. If necessary, the Issuer shall direct the landowner making such prepayment to specify what Series of Bonds such prepayments relate.

There are hereby pledged for the payment of the principal or Redemption Price of and interest on all Bonds of each Series issued and Outstanding under the Indenture and all reimbursements due to any Credit Facility Issuer for any drawing with respect to such Series of Bonds on its Credit Facility, including, without limitation, interest thereon, as required under the terms of the applicable Credit Facility Agreement, the Pledged Revenues; provided, however, that unless otherwise specifically provided herein or in a Supplemental Indenture relating to a Series of Bonds with respect to the Pledged Revenues securing such Series of Bonds, the Pledged Revenues securing a Series of Bonds shall secure only such Series of Bonds and Bonds issued on a parity therewith and shall not secure any other Bonds or Series of Bonds. The Pledged Revenues shall immediately be subject to the lien and pledge of the Indenture without any physical delivery hereof or further act; provided, however, that the lien and pledge of the Indenture shall not apply to any moneys transferred by the Trustee to the Rebate Fund. The foregoing notwithstanding, to the extent provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, such Series of Bonds may be made payable from and secured by less than all of the Pledged Revenues, and any one or more of the provisions of this Master Indenture may be made inapplicable to such Series of Bonds, all as more specifically provided in the corresponding Supplemental Indenture; provided, however, that any such provisions shall apply only to the particular Series of Bonds authorized by such Supplemental Indenture and shall not affect in any manner whatsoever any Outstanding Series of Bonds.

SECTION 6.02. Funds and Accounts Relating to the Bonds. The Funds and Accounts specified in this Article VI shall be established under this Master Indenture and each Supplemental Indenture pursuant to which a Series of Bonds is issued for the benefit of the specific

Series of Bonds and any Series issued on a parity therewith and, unless expressly otherwise provided in said Supplemental Indenture, shall not apply to Bonds Outstanding hereunder issued under any other indenture supplemental hereto or if separately secured by separate Special Assessments. Unless provided otherwise by Supplemental Indenture, all moneys, including, without limitation, proceeds of a Series of Bonds, on deposit to the credit of the Funds and Accounts established hereunder and under a Supplemental Indenture (except for moneys transferred to the Rebate Fund) shall be pledged to the payment of the principal, redemption or purchase price of (as the case may be) and interest on the Series of Bonds issued hereunder and under such Supplemental Indenture, and any Series issued on a parity therewith.

SECTION 6.03. Revenue Fund. The Trustee is hereby authorized and directed to establish a Revenue Fund and pursuant to a Supplemental Indenture a Series Account for each Series of Bonds issued hereunder, into which the Trustee shall immediately deposit any and all Special Assessments received from the levy thereof on the District Lands or any portion thereof (other than Prepayments) and any amounts received as the result of any foreclosure, sale of tax certificates or other remedial action for nonpayment of Special Assessments for the payment of the related Series of Bonds and other payments required hereunder or under the applicable Supplemental Indenture (unless such Special Assessments and/or other payments are specifically designated by the Issuer pursuant to a Supplemental Indenture for deposit into the Rebate Fund or any other Fund or Account established hereunder or under a Supplemental Indenture) and each Series Account therein shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. The Trustee shall transfer from amounts on deposit in the Series Account in the Revenue Fund to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority unless other times and/or other priorities are established in a Supplemental Indenture with respect to a Series of Bonds:

FIRST, upon receipt but no later than the Business Day preceding the first May 1 for which there is an insufficient amount from Bond proceeds (or investment earnings thereon) on deposit in the applicable Series Interest Account of the Debt Service Fund to be applied to the payment of interest on the Bonds of a Series due on the next succeeding May 1, and no later than the Business Day next preceding each May 1 thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Interest Account of the Debt Service Fund, an amount equal to the interest on the related Series of Bonds becoming due on the next succeeding May 1, less any amount on deposit in such Interest Account not previously credited;

SECOND, beginning on the date set forth in the related Supplemental Indenture, and no later than the Business Day next preceding each May 1 or November 1, as designated in the applicable Supplemental Indenture thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Principal Account of the Debt Service Fund, an amount equal to the principal amount of Bonds of such Series maturing on the next succeeding principal payment date, less any amount on deposit in the applicable Series Principal Account not previously credited;

THIRD, beginning on the date set forth in the related Supplemental Indenture, and no later than the Business Day next preceding each May 1 or November 1, as so designated

in the applicable Supplemental Indenture thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Bonds of such Series subject to mandatory sinking fund redemption on the next succeeding mandatory sinking fund redemption date, less any amount on deposit in the applicable Series Sinking Fund Account not previously credited;

FOURTH, upon receipt but no later than the Business Day preceding the first November 1 for which there remains an insufficient amount from Bond proceeds (or investment earnings thereon) on deposit in the applicable Series Interest Account to be applied to the payment of interest on the Bonds of a Series due on the next succeeding November 1, and no later than the Business Day next preceding each November 1 thereafter while Bonds of such Series issued under the Indenture remain Outstanding, to the applicable Series Interest Account of the Debt Service Fund, an amount equal to the interest on the Bonds of such Series becoming due on the next succeeding November 1, less any amount on deposit in the applicable Series Interest Account not previously credited;

FIFTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Account of the Debt Service Reserve Fund, if any, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Debt Service Reserve Requirement;

SIXTH, subject to the foregoing paragraph, the balance of any moneys remaining in a Series Account of the Revenue Fund after making the foregoing deposits shall, subject to application by one or more Supplemental Indentures shall remain therein, unless pursuant to any Arbitrage Certificate it is necessary to make a deposit in the Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

Unless otherwise provided in the applicable Supplemental Indenture, the Trustee shall within ten (10) Business Days after the last Interest Payment Date in any calendar year, at the direction of the Issuer, withdraw any moneys held for the credit of the Revenue Fund on November 2 of each year which are not otherwise required to be deposited pursuant to this Section and deposit such moneys as directed to the credit of the applicable Series Account of the Bond Redemption Fund in accordance with the provisions hereof. Notwithstanding the foregoing, if pursuant to any Arbitrage Certificate it is necessary to make a deposit in the Rebate Fund, the Issuer shall direct the Trustee to make such deposit thereto. Prepayments pledged to a particular Series of Bonds shall be deposited directly into the applicable Series prepayment subaccount of the Bond Redemption Fund as provided herein.

SECTION 6.04. Debt Service Fund. The Trustee is hereby authorized and directed to establish a Debt Service Fund which shall consist of amounts deposited therein by the Trustee and any other amounts the Issuer may pay to the Trustee for deposit therein with respect to the related Series of Bonds. The Debt Service Fund shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. The Trustee shall establish within the Debt Service Fund pursuant to a Supplemental

Indenture, a Series Principal Account, a Series Interest Account and, if applicable, a Series Sinking Fund Account for each Series of Bonds and a Series Capitalized Interest Account, which accounts shall be separate and apart from all other Funds and Accounts established under the Indenture and from all other moneys of the Trustee.

The Trustee at all times shall make available to any Paying Agent the funds in the Series Principal Account and the Series Interest Account of the Debt Service Fund to pay the principal of the applicable Series of Bonds as they mature upon surrender thereof and the interest on the applicable Series of Bonds as it becomes payable, respectively. When a Series of Bonds is redeemed, the amount, if any, in the Series Interest Account in the Debt Service Fund representing interest thereon shall be applied to the payment of accrued interest in connection with such redemption.

The Trustee shall apply moneys in the Series Sinking Fund Account in the Debt Service Fund for purchase or redemption of the applicable Series of Bonds in amounts and maturities set forth in the Supplemental Indenture. Whenever Bonds of a Series are to be purchased out of such Series Sinking Fund Account, if the Issuer shall notify the Trustee that the Issuer wishes to arrange for such purchase, the Trustee shall comply with the Issuer's arrangements provided they conform to the Indenture.

Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, purchases and redemptions out of the Series Sinking Fund Account shall be made as follows:

(a) The Trustee shall apply the amounts required to be transferred to the applicable Series Sinking Fund Account (less any moneys applied to the purchase of Bonds of the applicable Series pursuant to the next sentence hereof) on the mandatory sinking fund redemption date in each of the years set forth in the Supplemental Indenture to the redemption of Bonds of the related Series in the amounts, manner and maturities and on the dates set forth in the Supplemental Indenture, at a Redemption Price of 100% of the principal amount thereof. At the written direction of the Issuer, the Trustee shall apply moneys from time to time available in the applicable Series Sinking Fund Account to the purchase of Bonds of the applicable Series which mature in the aforesaid years, at prices not higher than the principal amount thereof, in lieu of redemption as aforesaid, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given. In the event of purchases at less than the principal amount thereof, the difference between the amount in the Series Sinking Fund Account representing the principal amount of the Bonds so purchased and the purchase price thereof (exclusive of accrued interest) shall be transferred to the related Series Interest Account of the Debt Service Fund.

(b) Accrued interest on purchased Bonds of a Series shall be paid from the related Series Interest Account of the Debt Service Fund.

(c) In lieu of paying the Debt Service Requirements necessary to allow any mandatory redemption of Bonds of a Series from the related Series Sinking Fund Account, the Issuer may present to the Trustee Bonds of such Series purchased by the Issuer pursuant to subparagraph (a) above and furnished for such purposes; provided, however, that no Bonds of such Series so purchased shall be credited towards the Debt Service Requirements in respect of the

mandatory redemption of Bonds of such Series for which notice of redemption has been given pursuant to Section 8.02 of this Master Indenture. Any Bond so purchased shall be presented to the Trustee for cancellation. In such event, the Debt Service Requirements with respect to the Bonds of a Series for the period in which the purchased Bonds are presented to the Trustee shall, for all purposes hereunder, be reduced by an amount equal to the aggregate principal amount of any such Bonds so presented.

SECTION 6.05. Debt Service Reserve Fund. The Trustee is hereby authorized and directed to establish a Debt Service Reserve Fund and, if applicable, pursuant to a Supplemental Indenture a Series Account for each Series of Bonds issued hereunder. The Debt Service Reserve Fund and each Series Account therein shall be held by the Trustee solely for the benefit of each related Series of Bonds or sub-Series, as determined by the applicable Supplemental Indenture; provided, however, that notwithstanding anything to the contrary contained in this Master Indenture, the Supplemental Indenture authorizing the issuance of a Series of Bonds may provide that the Debt Service Reserve Fund is not applicable and no account therein shall secure such Series of Bonds. The Debt Service Reserve Fund and each Series Account therein shall constitute an irrevocable trust fund to be applied solely as set forth herein and shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, on the date of issuance and delivery of a Series of Bonds an amount of Bond proceeds or equity equal to the Debt Service Reserve Requirement in respect of such Series of Bonds, calculated as of the date of issuance and delivery of such Series of Bonds, shall be deposited in the related Series Account of the Debt Service Reserve Fund. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, and as long as there exists no default under the Indenture and the amount in the Series Account of the Debt Service Reserve Fund is not reduced below the then applicable Debt Service Reserve Requirement with respect to such Series of Bonds, earnings on investments in the Series Account of the Debt Service Reserve Fund shall, prior to the Completion Date of a Project, be transferred to the applicable Acquisition and Construction Account of the Acquisition and Construction Fund, and after the Completion Date, shall be, at the written direction of the Issuer, transferred to the related Series Account of the Revenue Fund. Otherwise, earnings on investments in each Series Account of the Debt Service Reserve Fund shall be retained therein until applied as set forth herein. If made applicable in a Supplemental Indenture, in the event that the amount in a Series Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement as a result of an optional prepayment by the owner of a lot or parcel of land of Special Assessments against such lot or parcel or a mandatory true-up payment, which Special Assessments are pledged for the payment and security of such Series of Bonds, the excess amount shall, as directed by the terms of the applicable Series Supplemental Indenture, be transferred from the Series Account or subaccount of the Debt Service Reserve Fund to the applicable Series Account of the Bond Redemption Fund established for such Series of Bonds and shall constitute a credit against such optional prepayment or true-up payment. If made applicable in the Supplemental Indenture with respect to a Series of Bonds, in the event that the amount in a Series Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement for any other reason, the excess amount shall, as directed by the terms of the applicable Series Supplement, either be transferred from the Series Account of the Debt Service Reserve Fund to the applicable Series

Account or subaccount of the Bond Redemption Fund or deposited into the appropriate Account of the Acquisition and Construction Fund to be used to pay any Deferred Obligation.

Whenever for any reason on an Interest Payment Date, principal payment date or mandatory redemption date with respect to a related Series of Bonds secured by a Series Account of the Debt Service Reserve Fund the amount in the related Series Interest Account, the related Series Principal Account or the related Series Sinking Fund Account, as the case may be, is insufficient to pay all amounts payable on such Series of Bonds therefrom on such payment dates, the Trustee shall, without further instructions, but subject to contrary direction by the Majority Holders of the Bonds to which such Series Account of the Debt Service Reserve Fund relates, transfer the amount of any such deficiency from the related Series Account of the Debt Service Reserve Fund into the related Series Interest Account, the related Series Principal Account and the related Series Sinking Fund Account, as the case may be, with priority to the related Series Interest Account and then, proportionately according to the respective deficiencies therein, to the related Series Principal Account and the related Series Sinking Fund Account, to be applied to pay the Series of Bonds secured by the Series Account of the Debt Service Reserve Fund.

SECTION 6.06. Bond Redemption Fund. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, the Trustee is hereby authorized and directed to establish a Bond Redemption Fund and pursuant to a Supplemental Indenture a Series Account and one or more subaccounts within the Bond Redemption Fund for each Series of Bonds issued hereunder into which shall be deposited, moneys in the amounts and at the times provided in Sections 5.01, 6.01, 6.03, 6.05, 9.08 and 9.14(c) of this Master Indenture. The Series Account and any subaccount within the Bond Redemption Fund shall constitute an irrevocable trust fund to be applied solely as set forth in the applicable Supplemental Indenture and shall be held by the Trustee separate and apart from all other Funds, Accounts and any subaccounts held under such Indenture and from all other moneys of the Trustee. All earnings on investments held in the Series Account within the Bond Redemption Fund shall be retained therein and applied as set forth below.

Moneys in the Series Account within the Bond Redemption Fund (including all earnings on investments held in the Series Account within the Bond Redemption Fund) shall be accumulated therein to be used in the following order of priority, to the extent that the need therefor arises:

FIRST, (except for amounts resulting from Prepayments of Special Assessments, which shall be applied as provided in the next paragraph) make such deposits into the Rebate Fund created and established under this Master Indenture as the Issuer may direct in accordance with an arbitrage rebate agreement, such moneys thereupon to be used solely for the purposes specified in said arbitrage rebate agreement. Any moneys so transferred from the Series Account within the Bond Redemption Fund to the Rebate Fund shall thereupon be free from the lien and pledge of the related Indenture;

SECOND, to be used to call for redemption pursuant to clause (b) of Section 8.01 hereof an amount of Bonds of the applicable Series equal to the amount of money transferred to the Series Account or subaccount within the Bond Redemption Fund pursuant to the aforesaid clauses or provisions, as appropriate, for the purpose of such

extraordinary mandatory redemption on the dates and at the prices provided in such clauses or provisions, as appropriate; and

THIRD, the remainder to be utilized by the Trustee, at the direction of a Responsible Officer, to call for redemption on each Interest Payment Date or other date on which Bonds of the applicable Series are subject to optional redemption pursuant to Section 8.01(a) hereof such amount of Bonds of the applicable Series taking into account any redemption premium, as may be practicable; provided, however, that not less than Five Thousand Dollars (\$5,000) principal amount of Bonds of the applicable Series shall be called for redemption at one time.

Any such redemption shall be made in accordance with the provisions of Article VIII of this Master Indenture and the applicable provisions of the related Supplemental Indenture. The Issuer shall pay all expenses in connection with such redemption.

SECTION 6.07. Drawings on Credit Facility. With respect to Bonds in respect of which there has been issued a Credit Facility, the Trustee shall draw on the Credit Facility, in accordance with the provisions for drawing under such Credit Facility, and within the requisite time period, all as set forth in the Credit Facility Agreement or the Supplemental Indenture.

SECTION 6.08. Procedure When Funds Are Sufficient to Pay All Bonds of a Series. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, if at any time the moneys held by the Trustee in the Funds (other than the moneys in the Rebate Fund) and Accounts hereunder and under a Supplemental Indenture and available therefor are sufficient to pay the principal or Redemption Price of, as the case may be, and interest on all Bonds of a Series then Outstanding under such Indenture to maturity or prior redemption, together with any amounts due the Issuer and the Trustee, Paying Agent, Registrar, Credit Facility Issuer, if any, the Trustee, at the direction of the Issuer, shall apply the amounts in the Series Funds and Series Accounts to the payment of the aforesaid obligations and the Issuer shall not be required to pay over any further Pledged Revenues with respect to such Series of Bonds unless and until it shall appear that there is a deficiency in the Funds and Accounts held by the Trustee.

SECTION 6.09. Certain Moneys to Be Held for Series Bondowners Only. Each Series of Bonds issued pursuant to this Master Indenture and the related Supplemental Indenture shall be secured by Pledged Revenues, as set forth herein, and otherwise may be secured by such additional Funds and Accounts and other security (including, but not limited to, Credit Facilities) established by the pertinent Supplemental Indenture. Moneys and investments in the various Funds and Accounts created under a Supplemental Indenture expressly and solely for the benefit of the Series of Bonds issued under such Supplemental Indenture shall be held in trust by the Trustee for the benefit of the Holders of, and Credit Facility Issuer with respect to, Bonds of that Series only.

SECTION 6.10. Unclaimed Moneys. In the event any Bond shall not be presented for payment when the principal of such Bond becomes due, either at maturity or at the date fixed for redemption of such Bond or otherwise, if amounts sufficient to pay such Bond have been deposited with the Trustee for the benefit of the owner of the Bond and have remained unclaimed for three (3) years after the date payment thereof becomes due shall, upon request of the Issuer, if

the Issuer is not at the time to the knowledge of the Trustee in default with respect to any covenant in this Master Indenture, any Supplemental Indenture or the Bonds contained, be paid to the Issuer; and the Owners of the Bonds for which the deposit was made shall thereafter be limited to a claim against the Issuer; provided, however, that the Trustee, before making payment to the Issuer, may, at the expense of and if directed by the Issuer, cause a notice to be published in an Authorized Newspaper, stating that the money remaining unclaimed will be returned to the Issuer after a specified date.

SECTION 6.11. Rebate Fund. The Trustee is hereby authorized and directed to establish a Rebate Fund. Unless provided otherwise in a Supplemental Indenture, at the written direction of the Issuer the Trustee shall transfer monies from the applicable Series Account in the Revenue Fund and deposit the same to the Rebate Fund, and shall make payments therefrom at the times and in the amounts required to comply with the covenants in the applicable Arbitrage Certificate. If so directed by the Issuer in writing, the Trustee shall create one or more Series Accounts within the Rebate Fund relating to one or more particular Series of Bonds.

(a) All amounts held in the Rebate Fund shall be governed by this Section and the applicable Arbitrage Certificate. The Trustee shall be entitled to rely on the rebate calculations obtained from the rebate analyst retained by the Issuer pursuant to any Arbitrage Certificate and the Trustee shall not be responsible for any loss or damage resulting from any good faith action taken or omitted to be taken by the Issuer in reliance upon such calculations.

(b) Pursuant to the applicable Arbitrage Certificate, the Trustee shall remit all rebate installments and a final rebate payment to the United States. The Trustee shall have no obligation to pay any amounts required to be rebated pursuant to this Section and the applicable Arbitrage Certificate, other than at the direction of the Issuer and from moneys held in the Rebate Fund or from other moneys provided to it by the Issuer. Any moneys remaining in the Rebate Fund after redemption and payment of all of the Bonds and payment and satisfaction of any arbitrage rebate shall be withdrawn and paid to the Issuer.

(c) Notwithstanding any other provision of this Indenture, including in particular Article XIV hereof, the obligation to pay arbitrage rebate to the United States and to comply with all other requirements of this Section and the Arbitrage Certificate shall survive the defeasance or payment in full of the Bonds.

(d) The Trustee shall not be deemed to have constructive knowledge of the Code or regulations, rulings and judicial decisions concerning the Code.

ARTICLE VII

SECURITY FOR AND INVESTMENT OR DEPOSIT OF FUNDS

SECTION 7.01. Deposits and Security Therefor. Unless otherwise as provided in the Supplemental Indenture with respect to a Series of Bonds, all moneys received by the Trustee under a Supplemental Indenture for deposit in any Fund or Account established under this Master Indenture or such Supplemental Indenture shall be considered trust funds, shall not be subject to lien or attachment, except for the lien created by this Master Indenture and the related Supplemental Indenture, and shall be deposited with the Trustee, until or unless invested or deposited as provided in Section 7.02 hereof. Except for investments of the type specified in (iii) of the definition of Investment Securities, all deposits of moneys received by the Trustee under this Master Indenture or such Supplemental Indenture (whether original deposits under this Section 7.01 or deposits or redeposits in time accounts under Section 7.02) shall, to the extent not insured, and to the extent permitted by law, be fully secured as to both principal and interest earned, by Investment Securities of the types set forth in the definition of Investment Securities and the provisions thereof. If at any time the Trustee is unwilling to accept such deposits or unable to secure them as provided above, the Trustee may deposit such moneys with any other depository which is authorized to receive them and the deposits of which are insured by the Federal Deposit Insurance Corporation (including the FDIC Savings Association Insurance Fund). All deposits in any other depository in excess of the amount covered by insurance (whether under this Section 7.01 or Section 7.02 as aforesaid) shall, to the extent permitted by law, be fully secured as to both principal and interest earned, in the same manner as required herein for deposits with the Trustee. Such security shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000.

SECTION 7.02. Investment or Deposit of Funds. Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, the Trustee shall, as directed by the Issuer in writing, invest moneys held in the Series Accounts in the Debt Service Fund and any Series Account within the Bond Redemption Fund and the Debt Service Reserve Fund and any Series Account therein created under any Supplemental Indenture only in Government Obligations and the other securities described in the definition of Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth herein. All securities securing investments under this Section shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to Section 6.05 of this Master Indenture and unless otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, any interest and other income so received shall be deposited in the related Series Account of the Revenue Fund. Upon request of the Issuer, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to

make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund.

In the absence of written investment instructions from the Issuer, the Trustee shall not be responsible or liable for keeping the moneys held by it hereunder invested or for any losses because such amounts were not invested. Moneys in any of the Funds and Accounts established pursuant to the Indenture, when held by the Trustee, shall be promptly invested by the Trustee in accordance with all written directions from the Issuer and the Issuer shall be responsible for ensuring that such instructions conform to requirements of this Master Indenture including, without limitation, this Article VII. The Trustee shall not be liable or responsible for any loss or entitled to any gain resulting from any investment or sale upon the investment instructions of the Issuer or otherwise, including that set forth in the first sentence of this paragraph. The Trustee may conclusively rely upon the Issuer's written instructions as to both the suitability and legality of all investments directed hereunder or under any Supplemental Indenture. Ratings of investments shall be determined by the Issuer at the time of purchase of such investments and without regard to ratings subcategories. The Trustee shall have no responsibility to monitor the ratings of investments of such investments. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades. Confirmations of investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any fund or account if no activity occurred in such fund or account during such month.

SECTION 7.03. Valuation of Funds. The Trustee shall value the assets in each of the Funds and Accounts established hereunder or under any Supplemental Indenture forty-five (45) days prior to each Interest Payment Date, and as soon as practicable after each such valuation date (but no later than ten (10) days after each such valuation date) shall provide the Issuer a report of the status of each Fund and Account as of the valuation date. In computing the assets of any Fund or Account, investments and accrued interest thereon shall be deemed a part thereof, subject to Section 7.02 hereof. For the purpose of determining the amount on deposit to the credit of any Fund or Account established hereunder or under any Supplemental Indenture, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the redemption price thereof, to the extent that any such obligation is then redeemable at the option of the holder. For the purpose of determining the amount on deposit to the credit of the Debt Service Reserve Fund, obligations in which money in such Fund shall have been invested shall be valued at par, if purchased at par, or at amortized cost, if purchased at other than par, plus, in each case, accrued interest. Amortized cost, when used with respect to an obligation purchased at a premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of days remaining to maturity on such obligation at the date of such purchase and by multiplying the amount thus calculated by the number of days having passed since such purchase; and (i) in the case of an obligation purchased

at a premium by deducting the product thus obtained from the purchase price, and (ii) in the case of an obligation purchased at a discount by adding the product thus obtained to the purchase price.

ARTICLE VIII REDEMPTION AND PURCHASE OF BONDS

SECTION 8.01. Redemption Dates and Prices. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, the Bonds of a Series may be made subject to optional, mandatory and extraordinary redemption and purchase, either in whole or in part, by the Issuer, prior to maturity in the amounts, at the times and in the manner provided in this Article VIII and in the related Supplemental Indenture.

(a) *Optional Redemption.* Bonds of a Series shall be subject to optional redemption at the direction of the Issuer, at the times and upon payment of the redemption price as provided in the related Supplemental Indenture.

(b) *Extraordinary Mandatory Redemption in Whole or in Part.* Except as otherwise provided in a Supplemental Indenture with respect to Bonds of the related Series, Bonds of a Series are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole, on any date, or in part, on any Interest Payment Date, at an extraordinary mandatory redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued to the redemption date, (i) from moneys deposited into the related Series Account within the Bond Redemption Fund following the payment of Special Assessments on any portion of the District Lands in accordance with the provisions of Section 9.08 hereof; (ii) when sufficient moneys are on deposit in the related Series Funds and Accounts (other than moneys in the Rebate Fund and any other excluded Fund or Account as provided in a Supplemental Indenture with respect to a Series of Bonds) to pay and redeem all Outstanding Bonds of a Series and accrued interest thereon to the redemption date in addition to all amounts owed to Persons under the related Indenture; (iii) from moneys in excess of the Debt Service Reserve Requirement for a Series of Bonds in the applicable Series Account of the Debt Service Reserve Fund transferred to the Series Account within the Bond Redemption Fund pursuant to Section 6.05 hereof; (iv) from excess moneys transferred from the Series Account of the Revenue Fund to the Series Account within the Bond Redemption Fund in accordance with Section 6.03 of this Master Indenture; (v) from moneys, if any, on deposit in the Series Account within the Bond Redemption Fund pursuant to Section 9.14(c) hereof following condemnation or the sale of any portion of the District Lands benefited by a Project to a governmental entity under threat of condemnation by such governmental entity or the damage or destruction of all or substantially all of a Project when such moneys are not to be used pursuant to 9.14(c) to repair, replace or restore a Project; provided, however, that at least forty-five (45) days prior to such extraordinary mandatory redemption, the Issuer shall cause to be delivered to the Trustee (x) notice setting forth the redemption date and (y) a certificate of the Consulting Engineer confirming that the repair and restoration of a Project would not be economical or would be impracticable; or (vi) from amounts transferred to the Series Account of the Bond Redemption Fund from the Series Account of the Acquisition and Construction Fund in accordance with Section 5.01(c) or (d) hereof.

(c) *Mandatory Sinking Fund Redemption.* Bonds of a Series may be subject to mandatory sinking fund redemption at a Redemption Price of 100% of the principal amount thereof plus accrued interest to the redemption date, in the years and amounts set forth in a Supplemental Indenture.

In connection with such mandatory sinking fund redemption of Bonds, amounts shall be transferred from the applicable Series Account of the Revenue Fund to the Series Sinking Fund Account of the Debt Service Fund, all as more particularly described in Section 6.03 hereof.

The principal amounts of scheduled sinking fund installments shall be reduced as specified by the Issuer or as provided in Section 8.04 hereof by any principal amounts of the Bonds redeemed pursuant to Section 8.01(a) and (b) hereof or purchased pursuant to Section 6.04 hereof.

Upon any redemption of Bonds other than in accordance with scheduled sinking fund installments, the Issuer shall cause to be recalculated and delivered to the Trustee revised sinking fund installments recalculated so as to amortize the Outstanding principal amount of Bonds of such Series in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Bonds of such Series. The sinking fund installments as so recalculated shall not result in an increase in the aggregate of the sinking fund installments for all Bonds of such Series in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a sinking fund installment is due, the foregoing recalculation shall not be made to sinking fund installments due in the year in which such redemption or purchase occurs, but shall be made to sinking fund installments for the immediately succeeding and subsequent years.

SECTION 8.02. Notice of Redemption and of Purchase. Except where otherwise required by a Supplemental Indenture, when required to redeem or purchase Bonds of a Series under any provision of the related Indenture or directed to do so by the Issuer, the Trustee shall cause notice of the redemption, either in whole or in part, to be provided by Electronic Means or mailed by first class mail, postage prepaid at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Bonds of such Series for which notice was duly mailed in accordance with this Section 8.02. The Issuer shall, when it is directing the Trustee to provide such notice, provide written direction to the Trustee at least forty-five (45) days (unless the Trustee agrees to a shorter period) prior to the date on which the Trustee is required to send notice hereunder. Such notice shall be given in the name of the Issuer, shall be dated, shall set forth the Bonds of such Series Outstanding which shall be called for redemption or purchase and shall include, without limitation, the following additional information:

- (a) the redemption or purchase date;
- (b) the redemption or purchase price;
- (c) CUSIP numbers, to the extent applicable, and any other distinctive numbers and letters;
- (d) if less than all Outstanding Bonds of a Series to be redeemed or purchased, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed or purchased;

(e) that on the redemption or purchase date the Redemption Price or purchase price will become due and payable upon surrender of each such Bond or portion thereof called for redemption or purchase, and that interest thereon shall cease to accrue from and after said date;

(f) the place where such Bonds are to be surrendered for payment of the redemption or purchase price, which place of payment shall be a corporate trust office of the Trustee; and

(g) any other conditions that must be satisfied for the Bonds to be redeemed on the date of redemption.

If at the time of mailing of notice of redemption or purchase, the Issuer shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Bonds called for redemption or purchase, such notice shall state that it is subject to the deposit of the redemption or purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

If the amount of funds deposited with the Trustee for such redemption, or otherwise available, is insufficient to pay the Redemption Price and accrued interest on the Bonds so called for redemption on the redemption date, the Trustee shall redeem and pay on such date an amount of such Bonds for which such funds are sufficient, selecting the Bonds to be redeemed randomly from among all such Bonds called for redemption on such date, and among different maturities of Bonds in the same manner as the initial selection of Bonds to be redeemed, and from and after such redemption date, interest on the Bonds or portions thereof so paid shall cease to accrue and become payable; but interest on any Bonds or portions thereof not so paid shall continue to accrue until paid at the same rate as it would have had such Bonds not been called for redemption.

The notices required to be given by this Section 8.02 shall state that no representation is made as to correctness or accuracy of the CUSIP numbers listed in such notice or printed on the Bonds. If the Trustee determines that the giving of notice by mail is not feasible, the Trustee may use Electronic Means.

SECTION 8.03. Payment of Redemption Price. If any required (a) unconditional notice of redemption has been duly mailed or waived by the Owners of all Bonds called for redemption or (b) conditional notice of redemption has been so mailed or waived and the redemption moneys have been duly deposited with the Trustee or Paying Agent, then in either case, the Bonds called for redemption shall be payable on the redemption date at the applicable Redemption Price plus accrued interest, if any, to the redemption date. Bonds of a Series so called for redemption, for which moneys have been duly deposited with the Trustee, will cease to bear interest on the specified redemption date, shall no longer be secured by the related Indenture and shall not be deemed to be Outstanding under the provisions of the related Indenture.

Payment of the Redemption Price, together with accrued interest, shall be made by the Trustee or Paying Agent to or upon the order of the Owners of the Bonds called for redemption upon surrender of such Bonds. The Redemption Price of the Bonds to be redeemed, the expenses

of giving notice and any other expenses of redemption, shall be paid out of the Fund from which redemption is to be made or by the Issuer, or as specified in a Supplemental Indenture.

SECTION 8.04. Partial Redemption of Bonds. Except to the extent otherwise provided in a Supplemental Indenture, if less than all of a Series of Bonds of a maturity are to be redeemed, the Trustee shall select the particular Bonds or portions of the Bonds to be called for redemption by lot in such reasonable manner as the Trustee in its discretion may determine. In the case of any partial redemption of Bonds of a Series pursuant to Section 8.01(a), such redemption shall be effectuated by redeeming Bonds of such Series of such maturities in such manner as shall be specified by the Issuer in writing, subject to the provisions of Section 8.01 hereof. In the case of any partial redemption of Bonds of a Series pursuant to Section 8.01(b), such redemption shall be effectuated by redeeming Bonds of such Series pro rata among the maturities, treating each date on which a sinking fund installment is due as a separate maturity for such purpose, with the portion to be redeemed from each maturity being equal to the product of the aggregate principal amount of Bonds of such Series to be redeemed multiplied times a fraction the numerator of which is the principal amount of the Series of Bonds of such maturity outstanding immediately prior to the redemption date and the denominator of which is the aggregate principal amount of all Bonds of such Series outstanding immediately prior to the redemption date, rounded up or down to the nearest \$5,000 amount in order to maintain Authorized Denominations. The Issuer or the District Manager, on behalf of the Issuer, shall be responsible for calculating such revised sinking fund installments and provide the Trustee with the revised sinking fund installments.

[END OF ARTICLE VIII]

ARTICLE IX COVENANTS OF THE ISSUER

SECTION 9.01. Power to Issue Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Bonds, to adopt and execute this Master Indenture and to pledge the Pledged Revenues for the benefit of the Bonds of a Series and any Credit Facility Issuer, except to the extent otherwise provided in a Supplemental Indenture. The Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Bonds of a Series and any Credit Facility Issuer with respect to such Series. The Bonds and the provisions of this Master Indenture and any Supplemental Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, but without waiving any limitations of liability afforded by law, defend, preserve and protect the pledge created by this Master Indenture and any Supplemental Indenture and all the rights of the Bondholders and any Credit Facility Issuer under this Master Indenture and any Supplemental Indenture against all claims and demands of all other Persons whomsoever.

SECTION 9.02. Payment of Principal and Interest on Bonds. The payment of the principal or Redemption Price of and interest on all of the Bonds of a Series issued under the related Indenture shall be secured forthwith equally and ratably by a first lien on and pledge of the Pledged Revenues, except to the extent otherwise provided in a Supplemental Indenture; and Pledged Revenues in an amount sufficient to pay the principal or Redemption Price of and interest on the Bonds of a Series authorized by the related Indenture are hereby irrevocably pledged to the payment of the principal or Redemption Price of and interest on the Bonds of a Series authorized under the related Indenture, as the same become due and payable. The Issuer shall promptly pay the interest on and the principal or Redemption Price of every Bond issued hereunder according to the terms thereof, but shall be required to make such payment only out of the Pledged Revenues.

THE BONDS AUTHORIZED UNDER THIS MASTER INDENTURE AND THE RELATED SUPPLEMENTAL INDENTURE AND THE OBLIGATIONS EVIDENCED THEREBY SHALL NOT CONSTITUTE A LIEN UPON ANY PROPERTY OF THE ISSUER, INCLUDING, WITHOUT LIMITATION, A PROJECT OR ANY PORTION THEREOF IN RESPECT OF WHICH ANY SUCH BONDS ARE BEING ISSUED, OR ANY PART THEREOF, BUT SHALL CONSTITUTE A LIEN ONLY ON THE PLEDGED REVENUES AS SET FORTH IN THIS MASTER INDENTURE AND ANY SUPPLEMENTAL INDENTURE. NOTHING IN THE BONDS AUTHORIZED UNDER THIS MASTER INDENTURE AND ANY SUPPLEMENTAL INDENTURE SHALL BE CONSTRUED AS OBLIGATING THE ISSUER TO PAY THE BONDS OR THE REDEMPTION PRICE THEREOF OR THE INTEREST THEREON EXCEPT FROM THE PLEDGED REVENUES, OR AS PLEDGING THE FAITH AND CREDIT OF THE ISSUER, THE COUNTY, THE STATE OR ANY OTHER POLITICAL SUBDIVISION THEREOF, OR AS OBLIGATING THE ISSUER, THE COUNTY, THE STATE OR ANY OF ITS POLITICAL SUBDIVISIONS, DIRECTLY OR INDIRECTLY OR CONTINGENTLY, TO LEVY OR TO PLEDGE ANY FORM OF TAXATION WHATEVER THEREFOR.

SECTION 9.03. Special Assessments; Re-Assessments.

(a) The Issuer shall levy Special Assessments, and, unless the Issuer collects the Special Assessments directly under the conditions set forth herein, evidence and certify the same to the Tax Collector or shall cause the Property Appraiser to certify the same on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the Issuer pursuant to the Act, Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes, as applicable, and Section 9.04 hereof, to the extent and in an amount sufficient to pay Debt Service Requirements on all Outstanding Bonds. The Issuer shall also diligently collect any true-up payments that the Developer is required to make. The Issuer covenants and agrees that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of this Master Indenture, as supplemented in connection with the Series of Bonds as to which the Event of Default occurred, including the remedial provisions for collection of delinquent Special Assessments, the provisions for foreclosure of liens of delinquent Special Assessments and delinquent operation and maintenance assessments, and will take such other remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Holders of the Series of Bonds as to which the Event of Default occurred.

(b) If any Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the Issuer shall be satisfied that any such Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the Issuer shall have omitted to make such Special Assessment when it might have done so, the Issuer shall either (i) take all necessary steps to cause a new Special Assessment to be made for the whole or any part of said improvement or against any property benefited by said improvement, or (ii) in its sole discretion, make up the amount of such Special Assessment from any legally available moneys, which moneys shall be deposited into the applicable Series Account in the Revenue Fund. In case such second Special Assessment shall be annulled, the Issuer shall obtain and make other Special Assessments until a valid Special Assessment shall be made.

SECTION 9.04. Method of Collection. Special Assessments shall be collected by the Issuer in accordance with the provisions of the Act and Chapter 197, Florida Statutes, or any successor statutes thereto, as applicable, in accordance with the terms of this Section. Except as stated in the next succeeding sentence, the Issuer shall use the uniform method for the levy, collection and enforcement of Special Assessments afforded by Sections 197.3631, 197.3632 and 197.3635, Florida Statutes, or any successor statutes thereto (the "Uniform Method"), and to do all things necessary to continue to use the Uniform Method or a comparable alternative method afforded by Section 197.3631, Florida Statutes. Notwithstanding the foregoing, the Issuer shall not collect Special Assessments pursuant to the Uniform Method levied against District Lands and will direct bill the applicable landowners for the same either while owned by the Developer prior to platting of such lands, or if the timing for using the Uniform Method will not yet allow for using such method unless the Trustee, at the direction of the Majority Holders, directs otherwise. Upon any failure of any property owner to pay an installment of Special Assessments when due (with respect Special Assessments collected directly by the Issuer), the entire Special Assessment on the parcel or parcels as to which such delinquency pertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the Issuer either on its own behalf or through the actions of the Trustee may, and shall, if so directed in writing by the Majority Holder of the related Series of Bonds or the Trustee at the direction of such Majority

Holder, at the Issuer's own expense, cause such delinquent property to be foreclosed as hereafter provided. The Issuer shall enter into or maintain in effect one or more written agreements with the Property Appraiser and the Tax Collector, either individually or jointly (together, the "Property Appraiser and Tax Collector Agreement") in order to effectuate the provisions of this Section. The Issuer shall ensure that any such Property Appraiser and Tax Collector Agreement remains in effect for at least as long as the final maturity of Bonds Outstanding under the Indenture. The Issuer shall provide to the dissemination agent under the applicable Continuing Disclosure Agreement a list of all properties where the Special Assessments relating to the Series of Bonds subject to the applicable Continuing Disclosure Agreement which are being billed directly, and have not been paid within sixty (60) days of the due date of such Special Assessments and the current status of any foreclosure actions currently in progress and the current status of the delinquent Special Assessments. The Issuer covenants to comply with all proceedings relating to the imposition and collection of the Special Assessments and will not make material amendments to any assessment methodology relating to the Special Assessments without the written consent of the Majority Holders. To the extent that the Issuer is legally prevented from collecting Special Assessments pursuant to the Uniform Method, is not required to collect Special Assessments pursuant to the Uniform Method in accordance with the provisions of this Section 9.04 or the District Manager determines that using the Uniform Method is not in the best interest of the Bondholders, the Issuer shall then and only under those circumstances pursuant to the applicable rules and procedures of the County, collect and enforce Special Assessments pursuant to any available method under the Act, Chapter 170, Florida Statutes, or Chapter 197, Florida Statutes, or any successor statutes thereto.

SECTION 9.05. Delinquent Special Assessments; Sale of Tax Certificates and Issuance of Tax Deeds; Foreclosure of Special Assessment Liens.

(a) Subject to the provisions of Section 9.04 hereof, if the owner of any lot or parcel of land assessed for a particular Project shall be delinquent in the payment of any Special Assessment, then such Special Assessment shall be enforced pursuant to the provisions of Chapter 197, Florida Statutes, or any successor statute thereto, including but not limited to the sale of tax certificates and tax deeds as regards such delinquent Special Assessment. In the event the provisions of Chapter 197, Florida Statutes, and any provisions of the Act with respect to such sale are inapplicable by operation of law, then upon the delinquency of any Special Assessment the Issuer shall, to the extent permitted by law, utilize any other method of enforcement as provided by Section 9.04 hereof, including, without limitation, declaring the entire unpaid balance of such Special Assessment to be in default and, at its own expense, cause such delinquent property to be foreclosed, pursuant to the provisions of Section 170.10, Florida Statutes, in the same method now or hereafter provided by law for the foreclosure of mortgages on real estate and Sections 190.026 and 170.10, Florida Statutes, or otherwise as provided by law. The Issuer covenants not to use the provisions of Chapter 173, Florida Statutes, unless no other provision under applicable law can be used to foreclose the Special Assessments. Notwithstanding anything to the contrary herein, the Issuer shall be entitled to recover from any foreclosure all fees and costs expended in connection with such foreclosure regardless whether such fees and costs are included as part of "Special Assessments," as defined herein.

(b) If the Special Assessments levied and collected under the Uniform Method described in Section 9.04 are delinquent, then the applicable procedures for issuance and sale of

tax certificates and tax deeds for nonpayment shall be followed in accordance with Chapter 197, Florida Statutes and related statutes. Alternatively, if the Uniform Method is not utilized, and if any property shall be offered for sale for the nonpayment of any Special Assessment, and no person or persons shall purchase the same for an amount at least equal to the full amount due on the Special Assessment (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the Issuer, to the extent the Issuer has available funds or credit bids, for an amount equal to the balance due on the Special Assessment (principal, interest, penalties and costs, plus attorneys' fees, if any), and the Issuer shall thereupon receive in its corporate name or in the name of special purpose entity nominee of the Issuer, the title to the property for the benefit of the Registered Owners.

(c) Not less than ten (10) days prior to the filing of any foreclosure action or any sale of tax deed as herein provided, the Issuer shall cause written notice thereof to be mailed to the Registered Owners of the Series of Bonds secured by such delinquent Special Assessments. Not less than thirty (30) days prior to the proposed sale of any lot or tract of land acquired by foreclosure by the Issuer, it shall give written notice thereof to such Registered Owners.

(d) Notwithstanding any of the foregoing to the contrary, for as long as there is an "Obligated Person," as defined under the Rule, then in addition to the Issuer, the decision to file a foreclosure action shall be made by the Majority Holders of the Outstanding Bonds so secured by the delinquent Special Assessments and such decision shall be communicated to the Issuer and Trustee in writing.

SECTION 9.06. Management of Property Acquired by the Trustee or Issuer. The Issuer, either through its own actions or actions caused to be done through the Trustee, shall have the power and shall use its best efforts to lease or sell such property and deposit all of the net proceeds of any such lease or sale into the related Series Account of the Revenue Fund. The Issuer, either through its own actions or actions caused to be done through the Trustee, agrees that it shall be required to take the measure provided by law for sale of property acquired by it on behalf of the Trustee for the Registered Owners within thirty (30) days after the receipt of the request therefor signed by the Registered Owners of at least twenty-five percent (25%) of the aggregate principal amount of all Outstanding Bonds of the Series payable from Special Assessments assessed on such property. If directed by the Majority Holders of the Outstanding Bonds of a Series or if the Trustee or the Issuer shall so elect, the Issuer and the Trustee may place title of property received upon foreclosure or deed in lieu of foreclosure into a special purpose entity controlled by the Trustee or such other entity acceptable to the Beneficial Holders of the Majority Holders of the Outstanding Bonds of a Series so effected by such foreclosure, for the benefit of the Registered Owners.

SECTION 9.07. Books and Records with Respect to Special Assessments. In addition to the books and records required to be kept by the Issuer pursuant to the provisions of Section 9.17 hereof, the Issuer shall keep books and records for the collection of the Special Assessments on the District Lands, which such books, records and accounts shall be kept separate and apart from all other books, records and accounts of the Issuer. The District Manager or the District Manager's designee, at the end of each Fiscal Year, shall prepare a written report setting forth the collections received, the number and amount of delinquencies, the proceedings taken to

enforce collections and cure delinquencies and an estimate of time for the conclusion of such legal proceedings.

SECTION 9.08. Removal of Special Assessment Liens. Except as otherwise provided in a Supplemental Indenture with respect to a related Series of Bonds, the following procedures shall apply in connection with the removal of Special Assessment liens:

(a) At any time subsequent to thirty (30) days after a Project has been completed within the meaning of Section 5.01(e) hereof and the Board has adopted a resolution accepting a Project as provided by Section 170.09, Florida Statutes, as amended, any owner of property subject to the Special Assessments may, at its option, and under certain circumstances described in the assessment resolutions in connection with prepayments derived from application of the “True-Up” mechanism therein, require the Issuer to release and extinguish the lien, in whole or in part, upon its property by virtue of the levy of the Special Assessments by paying to the Issuer the entire amount or a portion, as the case may be, of the Special Assessment, plus accrued interest, attributable to the property subject to Special Assessment owned by such owner to the earlier of the next Interest Payment Date occurring at least forty-five (45) days after the Trustee receives such Prepayment. If any such prepayment of Special Assessments shall occur within thirty (30) days after a Project has been completed and the Board has adopted a resolution accepting a Project as provided in Section 170.09, Florida Statutes, as amended, no accrued interest shall be required to be paid unless such right has been irrevocably waived by the landowners within the District. The Issuer shall promptly notify the Trustee in writing of any Prepayment made under such circumstances. Accrued interest on any Bonds that would be redeemed as a result of such Prepayment made within thirty (30) days after the Board has adopted a resolution accepting a Project shall be derived from moneys on deposit in the Interest Account or capitalized interest account and if no moneys remain, from moneys on deposit in the Debt Service Reserve Account or as otherwise provided pursuant to the applicable Supplemental Indenture.

(b) Upon receipt of a Prepayment as described in (a) above, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the County an affidavit or affidavits, as the case may be, executed by an authorized officer of the Issuer, to the effect that the Special Assessment has been paid in full or in part and that such Special Assessment lien is thereby released and extinguished if paid in full or such Special Assessment lien shall be reduced if the landowner only made a partial Prepayment. Upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the applicable Account or subaccount of the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) hereof. In connection with such Prepayment, the Issuer shall calculate the credit authorized pursuant to Section 6.05 hereof, and direct the Trustee to transfer such credit to the prepayment subaccount of the Bond Redemption Fund to be used together with such prepayment for the redemption of Bonds in accordance with Section 8.01(b)(i) hereof.

(c) Notwithstanding the foregoing, and consistent with the proceedings of the Issuer relating to the imposition and levy of the Special Assessments, the owner of property (including the Developer) may at any time require the Issuer to release and extinguish the lien upon its property by virtue of the levy of the Special Assessments by paying to the Issuer the entire amount of the Special Assessment, plus accrued interest to the next succeeding Interest Payment

Date (or the second succeeding Interest Payment Date if such prepayment is made within forty-five (45) calendar days before an Interest Payment Date), attributable to the property subject to Special Assessment owned by such owner. In lieu of such Prepayment with cash, an owner of property within the District may surrender to the District for cancellation to completely extinguish the lien on such property or reduce the lien equally on every portion of such property, a principal amount of Outstanding Bonds of a Series that is secured by Special Assessments levied against such property.

(d) Upon receipt of a prepayment as described in (a), (b) or (c) above, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official land records of the County an affidavit or affidavits, as the case may be, executed by an authorized officer of the Issuer, to the effect that the Special Assessment has been paid and that such Special Assessment lien is thereby released and extinguished. Except as otherwise provided by a Supplemental Indenture, upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the applicable Account or subaccount of the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) hereof.

SECTION 9.09. Deposit of Special Assessments. The Issuer covenants to cause any Special Assessments collected or otherwise received by it to be deposited with the Trustee within five (5) Business Days after receipt thereof for deposit into the related Series Account of the Revenue Fund (except that amounts received as prepayments of Special Assessments shall be designated by the Issuer as such upon delivery to the Trustee and shall be deposited directly into the related Series Account within the Bond Redemption Fund). In connection with any payment of Special Assessments referred to in the prior sentence, the Issuer shall provide advance written notice to the Trustee of the amount of the payment and the Series Account within either of the Revenue Fund or Bond Redemption Fund to which such payment relates.

SECTION 9.10. Construction to be on District Lands. Except for certain off site mitigation, roadway and possibly landscaping improvements which are or may be outside the District Lands and are required in order for the District Lands to be developed, the Issuer covenants that no part of a Project will be constructed on, over or under lands other than (i) lands good and marketable title to which is owned by the Issuer or other appropriate entity in fee simple, (ii) lands on, over or under which the Issuer or other appropriate entity shall have acquired perpetual easements for the purposes of a Project, or (iii) lands, including public streets and highways, the right to the use and occupancy of which for such purposes shall be vested in the Issuer or other appropriate entity by law or by valid franchises, licenses, easements or rights of way or other legally effective permissions or approval.

SECTION 9.11. Operation, Use and Maintenance of Project. The Issuer shall establish and enforce reasonable rules and regulations governing the use of a Project owned by the Issuer, and the operation thereof, such rules and regulations to be adopted in accordance with the Act, and the Issuer shall operate, use and maintain a Project owned by the Issuer in accordance with the Act and all other applicable federal and State laws, rules and regulations; the Issuer shall maintain and operate a Project owned by the Issuer in an efficient and economical manner, shall at all times maintain the same in good repair and in sound operating condition and shall make all necessary repairs, renewals and replacements.

SECTION 9.12. Observance of and Compliance with Valid Requirements. The Issuer shall pay all municipal or governmental charges lawfully levied or assessed upon any Project or any part thereof or upon any revenues when the same shall become due, and the Issuer shall duly observe and comply with all valid requirements of any municipal or governmental authority relative to each Project. The Issuer shall not, except as otherwise permitted in Section 9.24 of this Article, create or suffer to be created any lien or charge upon any Project or upon Pledged Revenues, except the lien and charge of the Bonds on the Pledged Revenues.

SECTION 9.13. Payment of Operating or Maintenance Costs by State or Others. The Issuer may permit the United States of America, the State, or any of their agencies, departments or political subdivisions or any other Person to pay all or any part of the cost of maintaining, repairing and operating a Project out of funds other than Pledged Revenues.

SECTION 9.14. Public Liability and Property Damage Insurance; Maintenance of Insurance; Use of Insurance and Condemnation Proceeds.

(a) Except as otherwise provided in subsection (d) of this Section, the Issuer will carry or cause to be carried, in respect of each Project, comprehensive general liability insurance (covering bodily injury and property damage) issued by one or more insurance companies authorized and qualified to do business under the laws of the State, in such amounts as is customary for similar operations, or as is more specifically set forth hereinbelow.

(b) At all times, to the extent commercially available, the Issuer shall maintain a practical insurance program, with reasonable terms, conditions, provisions and costs which the District Manager determines will afford adequate protection against loss caused by damage to or destruction of any component of any Project owned by the Issuer. Limits for such coverage will be subject to the Consulting Engineer's recommendations. The Issuer shall also, at all times, maintain a practical comprehensive general liability insurance program with respect to any Project for such coverage, with such reasonable terms, conditions, provisions and costs as the District Manager determines will afford adequate protection against bodily injury and property damage.

All insurance policies of the Issuer relating to any Project shall be carried with companies authorized to do business in the State, with a Best rating of no less than "A" as to management and Class "V" as to financial strength; provided, however, that if, in the opinion of the District Manager, adequate insurance protection under reasonable terms, conditions, provisions and cost cannot be purchased from an insurance company with the above-designated ratings, then the District Manager, on behalf of the Issuer, may secure such insurance protection as the Issuer determines to be in its best interests and otherwise consistent with this Master Indenture and any Supplemental Indenture; provided further, however, that the Issuer may act as a self-insurer in accordance with the requirements of subsection (d) hereof. All policies providing the insurance coverages required by this Section shall designate the Issuer as the loss-payee and shall be made payable to the Issuer.

(c) All proceeds received from property damage or destruction insurance and all proceeds received from the condemnation of any Project or any part thereof are hereby pledged by the Issuer as security for the related Series of Bonds and shall be deposited at the option of the Issuer, but subject to the limitations hereinafter described, either (i) into a separate fund to be

established by the Trustee for such purpose which may be an account within the Acquisition and Construction Fund as directed by the Issuer, and used to remedy the loss, damage or taking for which such proceeds are received, either by repairing the damaged property or replacing the destroyed or taken property, as soon as practicable after the receipt of such proceeds, or (ii) if so provided in a Supplemental Indenture, into the related Series Account within the Bond Redemption Fund for the purpose of purchasing or redeeming Bonds according to the provisions set forth in Article VIII hereof. The Issuer shall not be entitled to deposit insurance proceeds or condemnation awards into the separate fund described above in clause (i) of this paragraph (and such proceeds and awards shall be deposited directly into the related Series Account within the Bond Redemption Fund pursuant to clause (ii) of this paragraph) unless there shall have been filed with the Issuer within a reasonable time after the damage, destruction or condemnation (A) a certificate from the Consulting Engineer that the proceeds of the insurance or condemnation awards deposited into such separate fund, together with other funds available for such purposes, will be sufficient to repair, rebuild, replace or restore such property to substantially the same condition as it was in prior to its damage, destruction or condemnation (taking into consideration any changes, alterations and modifications that the Issuer may desire), (B) an opinion from the Consulting Engineer that a Project can be repaired, rebuilt, replaced or restored within two (2) years following the damage, destruction or condemnation thereof and (C) an opinion of the Consulting Engineer that, in each of the three (3) Fiscal Years following completion of such repair, rebuilding, replacement or restoration, the Issuer will be in compliance with its obligations hereunder. If the certificate described in clause (A) of this paragraph is not rendered because such proceeds or awards are insufficient for such purposes, the Issuer may deposit any other legally available funds in such separate fund in an amount required to enable the Consulting Engineer to render its certificate. If the insurance proceeds or condemnation awards deposited in such separate fund are more than sufficient to repair the damaged property or to replace the destroyed or taken property, the balance thereof remaining shall be deposited to the credit of the related Series Account in the Revenue Fund.

(d) The Issuer shall be entitled to provide all or a portion of the insurance coverage required by subsections (a) and (b) of this Section through Qualified Self Insurance, provided that the requirements hereinafter set forth in this subsection (d) are satisfied. "Qualified Self Insurance" means insurance maintained through a program of self-insurance or insurance maintained with a company or association in which the Issuer has a material interest or of which the Issuer has control, either singly or with others.

Prior to participation in any plan of Qualified Self Insurance not currently in effect, the Issuer shall obtain a certificate of compliance executed by the District Manager or a licensed insurance agent selected by the District Manager to the effect that (A) the proposed Qualified Self Insurance plan will provide the coverage required by subsections (a) and (b) of this Section, and (B) the proposed Qualified Self Insurance plan provides for the creation of actuarially sound reserves.

Each plan of Qualified Self Insurance shall be in written form, shall provide that upon the termination of such plan reserves will be established or insurance acquired in amounts adequate to cover any potential retained liability in respect of the period of self-insurance, and shall be reviewed annually by the District Manager or registered actuary who shall deliver to the Issuer a report on the adequacy of the reserves established thereunder in light of claims made. If the District

Manager or registered actuary determines that such reserves are inadequate in light of the claims made, he shall make recommendations as to the amount of reserves that should be established and maintained, and the Issuer shall comply with such recommendations unless it can establish to the satisfaction of the District Manager or an insurance consultant retained by the Issuer that such recommendations are unreasonable in light of the nature of the claims or the history of recovery against the Issuer for similar claims.

(e) Copies of all recommendations and approvals made by the Consulting Engineer under the provisions of this Section shall be filed with the District Manager.

Any appraisal or adjustment of any loss or damage under any policy of insurance required under the Indenture, whether such policy is payable to the Issuer or to the Trustee, and any settlement or payment of indemnity under any such policy which may be agreed upon by the Issuer and any insurer shall be evidenced by a certificate, signed by the District Manager and approved by the Consulting Engineer, and filed with the Trustee. The Trustee shall in no way be liable or responsible for the collection of insurance moneys in case of any loss or damage. The Trustee shall have no duty to determine compliance by the Issuer with the requirements of this Section.

The Trustee shall have no duty to determine compliance by the Issuer with the requirements of this Section.

SECTION 9.15. Collection of Insurance Proceeds. Copies of all insurance policies referred to in Section 9.14 of this Article shall be available at the offices of the Issuer at all reasonable times to the inspection of the Holders of the Bonds and their agents and representatives duly authorized in writing. The Issuer covenants that it will take such action as may be necessary to demand, collect and sue for any insurance money which may become due and payable under any policy of insurance required under this Master Indenture or any Supplemental Indenture, whether such policy is payable to the Issuer or to the Trustee. The Trustee is hereby authorized in its own name to demand, collect, sue and receive any insurance money which may become due and payable under any policies payable to it.

SECTION 9.16. Use of Revenues for Authorized Purposes Only. None of the Pledged Revenues shall be used for any purpose other than as provided in this Master Indenture and the related Supplemental Indenture and no contract or contracts shall be entered into or any action taken by the Issuer or the Trustee which will be inconsistent with the provisions of this Master Indenture and the related Supplemental Indenture.

SECTION 9.17. Books and Records. The Issuer shall keep proper books of record and account in accordance with Generally Accepted Accounting Principles (separate from all other records and accounts) in which complete and correct entries shall be made of its transactions relating to any Project, and which, together with all other books and records of the Issuer, including, without limitation, insurance policies, relating to any Project, shall at all times be subject during regular business hours to the inspection of the Trustee.

SECTION 9.18. Observance of Accounting Standards. The Issuer covenants that all the accounts and records of the Issuer relating to a Project will be kept according to Generally

Accepted Accounting Principles consistently applied and consistent with the provisions of this Master Indenture and any Supplemental Indenture.

SECTION 9.19. Employment of Certified Public Accountant. The Issuer shall employ or cause to be employed as required a Certified Public Accountant to perform accounting and auditing functions and duties required by the Act and this Master Indenture and any Supplemental Indenture.

SECTION 9.20. Establishment of Fiscal Year, Annual Budget. The Issuer has established a Fiscal Year beginning October 1 of each year and ending September 30 of the following year. The reports and budget of the Issuer shall relate to such Fiscal Year unless and until, in accordance with applicable law, a different Fiscal Year is established by Certified Resolution of the Issuer and is filed with the Trustee.

On or before the first day of each Fiscal Year the Issuer shall adopt a final Annual Budget with respect to a Project for such Fiscal Year for the payment of anticipated operating and maintenance expenses and shall supply a copy of such budget promptly upon the approval thereof to any Bondholders who shall have so requested in writing and shall have filed their names and addresses with the Secretary of the Board for such purpose. If for any reason the Issuer shall not have adopted the Annual Budget with respect to a Project on or before the first day of any Fiscal Year, the Annual Budget for the preceding Fiscal Year shall, until the adoption of the new Annual Budget, be deemed in force for the ensuing Fiscal Year. The Issuer may at any time adopt an amended or supplemental Annual Budget for the remainder of the current Fiscal Year, and when such amended or supplemental Annual Budget is approved it shall be treated as the official Annual Budget under this Master Indenture and any Supplemental Indenture. Copies of such amended or supplemental Annual Budget shall be mailed by the Issuer to any Bondholders who shall have so requested in writing and shall have filed their names and addresses with the Secretary of the Board for such purpose.

SECTION 9.21. Employment of Consulting Engineer; Consulting Engineer's Report.

(a) The Issuer shall, for the purpose of performing and carrying out the duties imposed on the Consulting Engineer by this Master Indenture and any Supplemental Indenture, employ one or more Independent engineers or engineering firms or corporations having a statewide and favorable repute for skill and experience in such work.

(b) The Issuer shall cause the Consulting Engineer to make an inspection of any portions of a Project owned by the Issuer at least once in each Fiscal Year and, on or before the first day of July in each Fiscal Year, to submit to the Board a report setting forth (i) its findings as to whether such portions of a Project owned by the Issuer have been maintained in good repair, working order and condition, and (ii) its recommendations as to the proper maintenance, repair and operation of a Project during the ensuing Fiscal Year and an estimate of the amount of money necessary for such purpose.

Copies of such annual report shall be mailed by the Issuer to any Bondholders who shall have filed their names and addresses with the Secretary of the Board for such purpose.

SECTION 9.22. Audit Reports. The Issuer covenants that, no later than 270 days after the end of each Fiscal Year, it will cause an audit to be made by a Certified Public Accountant covering all receipts and moneys then on deposit with or in the name of the Trustee or the Issuer and any security held therefor and any investments thereof. Copies of such audit reports shall be filed with the District Manager and the Secretary of the Board, and mailed by said Secretary to the Consulting Engineer and to all Bondholders who shall have filed their names and addresses with him for such purpose.

SECTION 9.23. Information Required by the Issuer. The Issuer shall cause to be kept on file at all times copies of the schedules of Special Assessments levied on all District Lands in respect of a Project. The Issuer shall keep accurate records and books of account with respect to a Project, and shall have a complete audit of such records and accounts made annually by a Certified Public Accountant, as provided in Section 9.22 hereof.

SECTION 9.24. Covenant Against Sale or Encumbrance; Exceptions. The Issuer covenants that, (a) except for those improvements comprising any Project that are to be conveyed by the Issuer to the County, the State Department of Transportation or another governmental entity and (b) except as in this Section permitted, it will not sell, lease or otherwise dispose of or encumber any Project, or any part thereof. Subject to the provisions of Section 9.31 hereof, the Issuer may, however, from time to time, sell any machinery, fixtures, apparatus, tools, instruments or other movable property acquired by it from the proceeds of a Series of Bonds or from Pledged Revenues if the District Manager shall determine, with the approval of the Consulting Engineer, that such items are no longer needed or are no longer useful in connection with the construction, maintenance and operation of the related Project, and the proceeds thereof shall be applied to the replacement of the properties so sold or disposed of or, at the written direction of the Issuer shall be deposited to the credit of the related Series Account in the Revenue Fund.

Upon any sale of property relating to a Project, the aggregate of which in any thirty (30) day period exceeds Fifty Thousand Dollars (\$50,000) under the provisions of this Section, the Issuer shall provide written notice to the Trustee of the property so sold and the amount and disposition of the proceeds thereof.

Subject to obtaining an opinion of Bond Counsel that such action is permitted hereunder and will not adversely affect the exclusion of interest on the Bonds for federal income tax purposes, the Issuer may lease or grant easements, franchises or concessions for the use of any part of a Project not incompatible with the maintenance and operation thereof, if the Consulting Engineer shall approve such lease, easement, franchise or concession in writing, and the net proceeds of any such lease, easement, franchise or concession (after the making of provision for payment from said proceeds of all costs incurred in financing, constructing, operating, maintaining or repairing such leases, easements, franchises or concessions) shall be deposited as received to the credit of related Series Account in the Revenue Fund.

SECTION 9.25. Enforcement of Ancillary Agreements. The Issuer covenants that it shall promptly and strictly enforce the provisions of the Ancillary Agreements. Upon the occurrence of an event entitling the Issuer to pursue its remedies under the Ancillary Agreements, the Issuer covenants and agrees it will timely pursue such remedies in accordance with the Ancillary Agreements, and upon an Event of Default hereunder, the Issuer agrees that the Trustee,

upon the written direction of the Majority Holders, may enforce the provisions of the Ancillary Agreements in lieu of the Issuer. The Trustee does not and has not become obligated to perform any action because of such possible direction.

SECTION 9.26. No Loss of Lien on Pledged Revenues. The Issuer shall not do or omit to do, or suffer to be done or omit to be done, any matter or thing whatsoever whereby the lien of the Bonds on the Pledged Revenues or any part thereof, or the priority thereof, would be lost or impaired; provided, however, that this Section shall not prohibit the Trustee from transferring moneys to the Rebate Fund held by the Trustee under any arbitrage rebate agreement.

SECTION 9.27. Compliance With Other Contracts and Agreements. The Issuer shall comply with and abide by all of the terms and conditions of any and all contracts and agreements which the Issuer enters into in connection with a Project and the issuance of the Bonds.

SECTION 9.28. Issuance of Additional Obligations. The Issuer shall not issue any obligations other than the Bonds payable from Pledged Revenues, nor voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge, payable from Pledged Revenues.

SECTION 9.29. Extension of Time for Payment of Interest Prohibited. The Issuer shall not directly or indirectly extend or assent to an extension of time for payment of any claim for interest on any of the Bonds and shall not directly or indirectly be a party to or approve any arrangement therefor by purchasing or funding or in any manner keeping alive any such claim for interest; no claim for interest which in any way, at or after maturity, shall have been transferred or pledged apart from the Bonds to which it relates or which shall in any manner have been kept alive after maturity by extension or by purchase thereof by or on behalf of the Issuer, shall be entitled, in case of a default hereunder, to any benefit or security under this Master Indenture and any Supplemental Indenture except after the prior payment in full of the principal of all Bonds and claims for interest appertaining thereto not so transferred, pledged, kept alive or extended.

SECTION 9.30. Further Assurances. The Issuer shall not enter into any contract or take any action by which the rights of the Trustee or the Bondholders may be impaired and shall, from time to time, execute and deliver such further instruments and take such further action as may be required to carry out the purposes of this Master Indenture and any Supplemental Indenture.

SECTION 9.31. Use of Bond Proceeds to Comply with Internal Revenue Code. The Issuer covenants to the Holders of the Bonds that it will not make or direct the making of any investment or other use of the proceeds of any Bonds issued hereunder, the interest on which is intended to be excluded from gross income for federal income tax purposes (“Tax-Exempt Bonds”) which would cause such Bonds to be “arbitrage bonds” as that term is defined in Section 148 (or any successor provision thereto) of the Code or “private activity bonds” as that term is defined in Section 141 (or any successor provision thereto) of the Code, and that it will comply with the requirements of such Code sections and related regulations throughout the term of such Tax-Exempt Bonds. The Issuer hereby further covenants and agrees to comply with the procedures and covenants contained in any Arbitrage Certificate executed in connection with the issuance of each Series of Tax-Exempt Bonds for so long as compliance is necessary in order to maintain the

exclusion from gross income for federal income tax purposes of interest on each Series of Tax-Exempt Bonds.

SECTION 9.32. Corporate Existence and Maintenance of Properties. For so long as any Bonds are Outstanding hereunder, unless otherwise provided by the Act, the Issuer shall maintain its corporate existence as a local unit of special purpose government under the Act and shall provide for or otherwise require all Projects, and all parts thereof owned by the Issuer to be (a) continuously operated, repaired, improved and maintained as shall be necessary to provide adequate service to the lands benefited thereby; and (b) in compliance with all valid and applicable laws, acts, rules, regulations, permits, orders, requirements and directions of any competent public authority.

SECTION 9.33. Continuing Disclosure. The Issuer hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Agreement. Notwithstanding any other provision of this Master Indenture and any Supplemental Indenture, failure of the Issuer or any other Person (if obligated pursuant to the Continuing Disclosure Agreement) to comply with the Continuing Disclosure Agreement shall not be considered an Event of Default; however, the Trustee may (and, at the request of any participating underwriter or the Holders of at least 25% aggregate principal amount in Outstanding Bonds of a Series and receipt of indemnity to its satisfaction, shall) or any Holder of the Bonds or Beneficial Owner may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Issuer to comply with its obligations under this Section 9.33. For purposes of this Section, “Beneficial Owner” means any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes.

SECTION 9.34. Bankruptcy of Developer or Other Obligated Person Under the Rule. The provisions of this Section 9.34 shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against the Developer or other “obligated” person (as defined under the Rule) (herein, the “Landowner”) under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a “Proceeding”). For as long as any Bonds remain Outstanding, in any Proceeding involving the Issuer, any Landowner, or the Special Assessments, the District shall be obligated to act in accordance with direction from the Trustee with regard to all matters directly or indirectly affecting the Bonds.

The Issuer acknowledges and agrees that, although the Bonds will be issued by the Issuer, the Beneficial Owners of such Bonds are categorically the party with a financial stake in the repayment of the Bonds and, consequently, the party with a vested interest in a Proceeding. In the event of any Proceeding involving any Landowner (a) the Issuer hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Special Assessments, the Bonds or any rights of the Trustee under this Master Indenture or applicable Supplemental Trust Indenture that is inconsistent with any direction from the Trustee, (b) the Trustee shall have the right, but is not obligated to, vote in any such Proceeding and all claims of the Issuer, and, if the Trustee

chooses to exercise such right, the Issuer shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the Issuer in connection with any Proceeding of any Landowner, including without limitation, the right to file and/or prosecute any claims, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (c) the Issuer shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of any lands submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the Issuer's claim with respect to the Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the Issuer agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Special Assessments, (ii) to deliver to the Issuer a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

ARTICLE X

EVENTS OF DEFAULT AND REMEDIES

SECTION 10.01. Events of Default and Remedies. Except to the extent otherwise provided in the Supplemental Indenture authorizing a Series of Bonds, events of default and remedies with respect to each Series of Bonds shall be as set forth in this Master Indenture.

SECTION 10.02. Events of Default Defined. Each of the following shall be an “Event of Default” under the Indenture, with respect to a Series of Bonds:

(a) if payment of any installment of interest on any Bond of such Series is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Bond of such Series is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the Issuer, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act which failure or incapacity may be reasonably determined solely by the Majority Holders of the applicable Series of Bonds; or

(d) if the Issuer proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the Issuer or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the Issuer and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the Issuer defaults in the due and punctual performance of any other covenant in the Indenture or in any Bond of such Series issued pursuant to the Indenture and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the Issuer by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holders; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the Issuer shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) written notice shall have been received by the Trustee from a Credit Facility Issuer securing Bonds of such Series that an event of default has occurred under the Credit Facility Agreement, or there shall have been a failure by said Credit Facility Issuer to make said Credit Facility available or to reinstate the interest component of said Credit Facility in accordance with the terms of said Credit Facility, to the extent said notice or failure is established as an event of default under the terms of a Supplemental Indenture; or

(g) if at any time the amount in the Debt Service Reserve Fund or any Account therein is less than the Debt Service Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Bonds of any Series and such amount has not been restored within thirty (30) days of such withdrawal; or

(h) more than twenty percent (20%) of the “maintenance special assessments” levied by the Issuer on District lands upon which the Special Assessments are levied to secure one or more Series of Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the Issuer before recognizing that an Event of Default under (c) above has occurred.

SECTION 10.03. Foreclosure of Assessment Lien. Notwithstanding any other provision of this Master Indenture to the contrary, the following provisions shall apply with respect to the Special Assessments securing a Series of Bonds.

If any property shall be offered for sale for the nonpayment of any Special Assessment and no person or persons shall purchase such property for an amount equal to the full amount due on the Special Assessments (principal, interest, penalties and costs, plus attorneys’ fees, if any), the property may then be purchased by the Issuer for an amount equal to the balance due on the Special Assessments (principal, interest, penalties and costs, plus attorneys’ fees, if any), from any legally available funds of the Issuer and the Issuer shall receive in its corporate name or in the name of a special purpose entity title to the property for the benefit of the Owners of the applicable Series of Bonds; provided that the Trustee shall have the right, acting at the written direction of the Majority Holders, but shall not be obligated, to direct the Issuer with respect to any action taken pursuant to this Section. The Issuer, either through its own actions, or actions caused to be taken through the Trustee, shall have the power to lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the Revenue Fund. The Issuer, either through its own actions, or actions caused to be taken through the Trustee, agrees that it shall be required to take the measures provided by law for sale of property acquired by it on behalf of the Owners of the applicable Series of Bonds within sixty (60) days after the receipt of the request therefor signed by the Trustee or the Majority Holders.

SECTION 10.04. No Acceleration; Redemption. No Series of Bonds issued under this Master Indenture shall be subject to acceleration. Upon the occurrence and continuation of an Event of Default, no optional redemption or extraordinary mandatory redemption of the Bonds pursuant to Article VIII hereof shall occur unless all of the Bonds of the Series where an Event of Default has occurred will be redeemed or 100% of the Holders of such Series of Bonds agree to such redemption.

SECTION 10.05. Legal Proceedings by Trustee. If any Event of Default with respect to a Series of Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holders of the Outstanding Bonds of such Series and receipt of indemnity to its satisfaction shall, in its capacity as Trustee:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Bonds of such Series, including, without limitation, the right to require the Issuer to carry out any agreements with, or for the benefit of, the Bondholders of the Bonds of such Series and to perform its or their duties under the Act;

(b) bring suit upon the Series of Bonds;

(c) by action or suit in equity require the Issuer to account as if it were the trustee of an express trust for the Holders of the Bonds of such Series;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Bonds of such Series; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing such Series of Bonds.

SECTION 10.06. Discontinuance of Proceedings by Trustee. If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, the Issuer, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights hereunder as though no such proceeding had been taken.

SECTION 10.07. Bondholders May Direct Proceedings. The Majority Holders of a Series then subject to remedial proceedings under this Article X shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law and the provisions of the Indenture.

SECTION 10.08. Limitations on Actions by Bondholders. No Bondholder shall have any right to pursue any remedy hereunder unless (a) the Trustee shall have been given written notice of an Event of Default, (b) the Majority Holders shall have requested the Trustee, in writing, to exercise the powers hereinabove granted or to pursue such remedy in its or their name or names, (c) the Trustee shall have been offered indemnity satisfactory to it against costs, expenses and liabilities, and (d) the Trustee shall have failed to comply with such request within a reasonable time.

SECTION 10.09. Trustee May Enforce Rights Without Possession of Bonds. All rights under the Indenture and a Series of Bonds may be enforced by the Trustee without the possession of any of the Bonds of such Series or the production thereof at the trial or other proceedings relative thereto, and any proceeding instituted by the Trustee shall be brought in its name for the ratable benefit of the Holders of the Bonds of such Series.

SECTION 10.10. Remedies Not Exclusive. Except as limited under Section 15.01 of this Master Indenture, no remedy contained in the Indenture with respect to a Series of Bonds is intended to be exclusive of any other remedy or remedies, and each remedy is in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

SECTION 10.11. Delays and Omissions Not to Impair Rights. No delay or omission in respect of exercising any right or power accruing upon any Event of Default shall impair such

right or power or be a waiver of such Event of Default, and every remedy given by this Article X may be exercised from time to time and as often as may be deemed expedient.

SECTION 10.12. Application of Moneys in Event of Default. Any moneys received by the Trustee or the Paying Agent, as the case may be, in connection with any proceedings brought under this Article X with respect to a Series of Bonds shall be applied in the following order of priority:

(a) to the payment of the costs of the Trustee and Paying Agent incurred in connection with actions taken under this Article X with respect to such Series of Bonds, including counsel fees and any disbursements of the Trustee and the Paying Agent and payment of unpaid fees and expenses owed to the Trustee.

(b) then:

FIRST: to payment of all installments of interest then due on the Bonds of such Series in the order of maturity of such installments of interest, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any preference or priority of one installment of interest over any other installment; and

SECOND: to payment to the persons entitled thereto of the unpaid principal or Redemption Price of any of the Bonds of such Series which shall have become due in the order of their due dates, with interest on such Bonds from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full the principal or Redemption Price coming due on such Bonds on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any preference or priority of one such Bond of a Series over another or of any installment of interest over another.

Any surplus remaining after the payments described above shall be paid to the Issuer or to the Person lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

For purposes of the application of moneys described above, to the extent payments of principal of and interest on a Series of Bonds shall have been made under a Credit Facility relating thereto, the Credit Facility Issuer shall be entitled to moneys in the related Series Accounts in the Debt Service Fund in accordance with the agreement pursuant to which such Credit Facility has been issued (but subject to subsection (a) hereof and Section 11.04 hereof) and the Certified Resolution of the Issuer authorizing the issuance of such Bonds to which such Credit Facility relates.

SECTION 10.13. Trustee's Right to Receiver; Compliance with Act. The Trustee shall be entitled as of right to the appointment of a receiver and the Trustee, the Bondholders and any receiver so appointed shall have such rights and powers and be subject to such limitations and restrictions as are contained in the Act and other applicable law of the State. When the Trustee incurs costs or expenses (including legal fees, costs and expenses) or renders services after the occurrence of an Event of Default, such costs and expenses and the compensation for such services

are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

SECTION 10.14. Trustee and Bondholders Entitled to all Remedies under Act. It is the purpose of this Article to provide such remedies to the Trustee and Bondholders as may be lawfully granted under the provisions of the Act and other applicable laws of the State; if any remedy herein granted shall be held unlawful, the Trustee and the Bondholders shall nevertheless be entitled to every other remedy provided by the Act and other applicable laws of the State. It is further intended that, insofar as lawfully possible, the provisions of this Article X shall apply to and be binding upon any receiver appointed in accordance with Section 10.13 hereof.

SECTION 10.15. Credit Facility Issuer's Rights Upon Events of Default. Anything in the Indenture to the contrary notwithstanding, if any Event of Default, other than Events of Default described in Section 10.02(a) or (b) hereof, has occurred and is continuing while a Credit Facility securing all or a portion of such Bonds of a Series Outstanding is in effect, the Credit Facility Issuer shall have the right, in lieu of the Owners of the Series of Bonds (or portion thereof) secured by said Credit Facility, by an instrument in writing, executed and delivered to the Trustee, to direct the time, method and place of conducting all remedial proceedings available to the Trustee under the Indenture, or exercising any trust or power conferred on the Trustee by the Indenture. Said direction shall be controlling to the extent the direction of Owners of the Series of Bonds (or portion thereof) secured by said Credit Facility would have been controlling under this Article. If the Credit Facility Issuer shall be in default in the performance of its obligations under the Credit Facility, said Credit Facility Issuer shall have no rights under this Section.

ARTICLE XI

SECTION 11.01. Acceptance of Trust. The Trustee accepts and agrees to execute the trusts hereby created, but only upon the additional terms set forth in this Article XI, to all of which the parties hereto the Bondholders and any Credit Facility Issuer agree. The Trustee shall act as Trustee under this Master Indenture. Subject to the provisions of Section 11.03 hereof, the Trustee shall have only such duties as are expressly set forth herein, and no duties shall be implied on the part of the Trustee.

The Trustee further agrees to comply with the procedures and covenants contained in any arbitrage rebate agreement to which it is a party for so long as compliance is necessary in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds, to the extent applicable.

SECTION 11.02. No Responsibility for Recitals. The recitals, statements and representations in this Master Indenture or in the Bonds, save only the Trustee's Certificate of Authentication, if any, upon the Bonds, have been made by the Issuer and not by the Trustee and the Trustee shall be under no responsibility for the correctness thereof.

SECTION 11.03. Trustee May Act Through Agents; Answerable Only for Willful Misconduct or Negligence. The Trustee may execute any powers hereunder and perform any duties required of it through attorneys, agents, officers or employees, and shall be entitled to advice of Counsel concerning all questions hereunder; the Trustee shall not be answerable for following the advice of Counsel or other professionals or responsible for the default or misconduct of any attorney or agent selected and supervised by it with reasonable care. The Trustee shall not be answerable for the exercise of any discretion or power under this Master Indenture and any Supplemental Indenture nor for anything whatever in connection with the trust hereunder, except only its own negligence or willful misconduct or breach of its obligations hereunder. The Trustee shall not be accountable for the use or application of any of the Bonds or the proceeds thereof or for the use or application of any money paid over by the Trustee in accordance with the provisions of the Indenture. The permissive right of the Trustee to do things enumerated in the Indenture shall not be construed as a duty. The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds of any Series and shall have no responsibility for compliance with any State or federal securities laws in connection with the Bonds. None of the provisions of the Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers. The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under the Indenture arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God; earthquakes; fire; flood; hurricanes or other storms; wars; terrorism; similar military disturbances; sabotage; epidemic; pandemic; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications services; accidents; labor disputes; acts of civil or military authority or governmental action; it being understood that the Trustee shall use commercially reasonable efforts which are consistent

with accepted practices in the banking industry to resume performance as soon as reasonably practicable under the circumstances.

SECTION 11.04. Compensation and Indemnity. The Issuer shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements, and shall, to the extent permitted by law, indemnify and hold the Trustee harmless against any liabilities which it may incur in the proper exercise and performance of its powers and duties hereunder, except with respect to its own willful misconduct or negligence hereunder. If the Issuer defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys held by the Trustee or coming into its hands but exclusive of the Rebate Fund and moneys from a drawing on any Credit Facility, which right of payment shall be prior to the right of the holders of the Bonds. The Trustee shall promptly provide periodic reports of any moneys the Trustee has deducted for amounts owing to it. This Section 11.04 shall survive the termination of this Master Indenture and any Supplemental Indenture and, as to any Trustee, its removal or resignation as Trustee. No provision of this Master Indenture shall require the Trustee to expend or risk its own funds.

SECTION 11.05. No Duty to Renew Insurance. The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the Issuer to require or effect or renew insurance or to report or file claims of loss thereunder.

SECTION 11.06. Notice of Default; Right to Investigate. The Trustee shall give written notice by first-class mail to registered Holders of a Series of Bonds of all defaults known to the Trustee, unless such defaults have been remedied (the term “defaults” for purposes of this Section and Section 11.07 being defined to include the events specified as “Events of Default” in Article X hereof, but not including any notice or periods of grace provided for therein); provided that, except in the case of a default in payment of principal or interest or Redemption Price, the Trustee may withhold such notice so long as it in good faith determines that such withholding is in the interest of the Bondholders. The Trustee shall not be deemed to have notice of any default other than a payment default under this Master Indenture and any Supplemental Indenture or a notification by a Credit Facility Issuer of a default under its Credit Facility, unless notified in writing of such default by the Majority Holders of the Outstanding Bonds of a Series. The Trustee may, however, at any time require of the Issuer full information as to the performance of any covenant hereunder, and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the Issuer, an investigation into the affairs of the Issuer.

SECTION 11.07. Obligation to Act on Defaults. The Trustee shall be under no obligation to take any action in respect of any default or otherwise, unless it is requested in writing to do so by the Majority Holders which are or would be, upon the taking of such action, subject to remedial proceedings under Article X of this Master Indenture if in its opinion such action may tend to involve expense or liability, and unless it is also furnished with indemnity satisfactory to it.

SECTION 11.08. Reliance by Trustee. The Trustee may act on any requisition, resolution, notice, Electronic Means, telegram, facsimile transmission, request, consent, waiver, certificate, statement, affidavit, voucher, bond, or other paper or document which it in good faith believes to be genuine and to have been passed, signed or given by the persons purporting to be

authorized (which in the case of the Issuer shall be a Responsible Officer) or to have been prepared and furnished pursuant to any of the provisions of this Master Indenture and any Supplemental Indenture; the Trustee shall be under no duty to make any investigation as to any statement contained in any such instrument, but may accept the same as conclusive evidence of the accuracy of such statement.

SECTION 11.09. Trustee May Deal in Bonds. The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Bondholders may be entitled to take with like effect as if the Trustee were not a party to this Master Indenture and any Supplemental Indenture. The Trustee may also engage in or be interested in any financial or other transaction with the Issuer; provided, however, that if the Trustee determines that any such relation is in conflict with its duties under this Master Indenture and any Supplemental Indenture, it shall eliminate the conflict or resign as Trustee.

SECTION 11.10. Construction of Ambiguous Provisions. The Trustee may construe any ambiguous or inconsistent provisions of this Master Indenture and any Supplemental Indenture, and except as otherwise provided in Article XIII of this Master Indenture, any construction by the Trustee shall be binding upon the Bondholders. The Trustee shall give prompt notice to the Issuer of any intention to make such construction.

SECTION 11.11. Resignation of Trustee. The Trustee may resign and be discharged of the trusts created by this Master Indenture and all Supplemental Indentures by written resignation filed with the Secretary of the Issuer not less than sixty (60) days before the date when such resignation is to take effect. Notice of such resignation shall be sent by Electronic Means first-class mail to each Bondholder as its name and address appears on the Bond Register and to any Paying Agent, Registrar and Credit Facility Issuer, if any, at least sixty (60) days before the resignation is to take effect. Such resignation shall take effect on the day specified in the Trustee's notice of resignation unless a successor Trustee is previously appointed, in which event the resignation shall take effect immediately on the appointment of such successor; provided, however, that notwithstanding the foregoing, such resignation shall not take effect until a successor Trustee has been appointed. If a successor Trustee has not been appointed within ninety (90) days after the Trustee has given its notice of resignation, the Trustee may petition any court of competent jurisdiction for the appointment of a temporary successor Trustee to serve as Trustee until a successor Trustee has been duly appointed. Notice of such resignation shall also be given to any rating agency that shall then have in effect a rating on any of the Bonds.

SECTION 11.12. Removal of Trustee. The Trustee may be removed at any time by either (a) the Issuer, if no default exists under this Master Indenture or any Supplemental Indenture, or (b) an instrument or concurrent instruments in writing, executed by the Majority Holders of the Bonds then Outstanding and filed with the Issuer. A photographic copy of any instrument or instruments filed with the Issuer under the provisions of this paragraph, duly certified by a Responsible Officer, shall be delivered promptly by the Issuer to the Trustee and to any Paying Agent, Registrar and Credit Facility Issuer, if any.

The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Master Indenture or any Supplemental Indenture with respect to the duties and obligations of the

Trustee by any court of competent jurisdiction upon the application of the Issuer or the Majority Holders of the Bonds then Outstanding or the Trustee may petition a court of competent jurisdiction for the appointment of a successor trustee.

SECTION 11.13. Appointment of Successor Trustee. If the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and the Issuer shall appoint a successor and shall mail notice of such appointment by first-class mail to each Bondholder as its name and address appear on the Bond Register, and to the Paying Agent, Registrar, Credit Facility Issuer, if any, and any rating agency that shall then have in effect a rating on any of the Bonds. If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Master Indenture prior to the date specified in the notice of resignation or removal as the date when such resignation or removal was to take effect, the Majority Holders of all Bonds then Outstanding may appoint a successor Trustee.

SECTION 11.14. Qualification of Successor. A successor Trustee shall be a bank or trust company with trust powers, having a combined net capital and surplus of at least \$50,000,000.

SECTION 11.15. Instruments of Succession. Subject to Section 11.16 hereof, any successor Trustee shall execute, acknowledge and deliver to the Issuer an instrument accepting such appointment hereunder and thereupon, such successor Trustee, without any further act, deed, or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor in trust hereunder, with like effect as if originally named Trustee herein. The Trustee ceasing to act hereunder, after deducting all amounts owed to the Trustee, shall pay over to the successor Trustee all moneys held by it hereunder and, upon request of the successor Trustee, the Trustee ceasing to act and the Issuer shall execute and deliver an instrument or instruments prepared by the Issuer transferring to the successor Trustee all the estates, properties, rights, powers and trusts hereunder of the predecessor Trustee, except for its rights under Section 11.04 hereof.

SECTION 11.16. Merger of Trustee. Any corporation, purchaser or entity into which any Trustee hereunder may be merged or with which it may be consolidated, or any corporation, purchaser or entity resulting from any merger or consolidation to which any Trustee hereunder shall be a party, or any corporation, purchaser or other entity which shall have purchased substantially all of the bond administration business of the corporate trust department shall be the successor Trustee under this Master Indenture and all Supplemental Indentures, without the execution or filing of any paper or any further act on the part of the parties hereto, anything herein to the contrary notwithstanding; provided, however, that any such successor corporation, purchaser or entity continuing to act as Trustee hereunder shall meet the requirements of Section 11.14 hereof, and if such corporation, purchaser or entity does not meet the aforesaid requirements, a successor Trustee shall be appointed pursuant to this Article XI. The Trustee may not resign as the Paying Agent or the Registrar without resigning as Trustee.

SECTION 11.17. Extension of Rights and Duties of Trustee to Paying Agent and Registrar. The provisions of Sections 11.02, 11.03, 11.04, 11.08, 11.09, 11.10, 11.16 and 11.24 hereof are hereby made applicable to the Paying Agent and the Registrar, as appropriate, and any Person serving as Paying Agent and/or Registrar, hereby enters into and agrees to comply with the

covenants and agreements of this Master Indenture and all Supplemental Indentures applicable to the Paying Agent and Registrar, respectively.

SECTION 11.18. Resignation of Paying Agent or Registrar. The Paying Agent or Registrar may resign and be discharged of the duties created by this Master Indenture and all Supplemental Indentures by executing an instrument in writing resigning such duties and specifying the date when such resignation shall take effect, and filing the same with the Issuer, the Trustee, and any rating agency that shall then have in effect a rating on any of the Bonds, not less than forty-five (45) days before the date specified in such instrument when such resignation shall take effect, and by giving written notice of such resignation not less than three (3) weeks prior to such resignation date to the Bondholders, mailed to their addresses as such appear in the Bond Register. Such resignation shall take effect on the date specified in such instrument and notice, but only if a successor Paying Agent or Registrar shall have been appointed as hereinafter provided, in which event such resignation shall take effect immediately upon the appointment of such successor Paying Agent or Registrar. If the successor Paying Agent or Registrar shall not have been appointed within a period of ninety (90) days following the giving of notice, then the Paying Agent or Registrar shall be authorized to petition any court of competent jurisdiction to appoint a successor Paying Agent or Registrar as provided in Section 11.22 hereof.

SECTION 11.19. Removal of Paying Agent or Registrar. The Paying Agent or Registrar may be removed at any time prior to any Event of Default by the Issuer by filing with the Paying Agent or Registrar to be removed, and with the Trustee, an instrument or instruments in writing executed by the Issuer appointing a successor, or an instrument or instruments in writing designating, and accompanied by an instrument or appointment by the Issuer of, such successor. Such removal shall be effective thirty (30) days (or such longer period as may be set forth in such instrument) after delivery of the instrument; provided, however, that no such removal shall be effective until the successor Paying Agent or Registrar appointed hereunder shall execute, acknowledge and deliver to the Issuer an instrument accepting such appointment hereunder.

SECTION 11.20. Appointment of Successor Paying Agent or Registrar. In case at any time the Paying Agent or Registrar shall be removed, or be dissolved, or if its property or affairs shall be taken under the control of any state or federal court or administrative body because of insolvency or bankruptcy, or for any other reason, then a vacancy shall forthwith and ipso facto exist in the office of the Paying Agent or Registrar, as the case may be, and a successor shall be appointed by the Issuer; and in case at any time the Paying Agent or Registrar shall resign, then a successor shall be appointed by the Issuer. After any such appointment, notice of such appointment shall be given by the Issuer to the predecessor Paying Agent or Registrar, the successor Paying Agent or Registrar, the Trustee, the Credit Facility Issuer, if any, any rating agency that shall then have in effect a rating on any of the Bonds, and all Bondholders. Any new Paying Agent or Registrar so appointed shall immediately, and without further act, supersede the predecessor Paying Agent or Registrar.

SECTION 11.21. Qualifications of Successor Paying Agent or Registrar. Every successor Paying Agent or Registrar (a) shall be a commercial bank or trust company (i) duly organized under the laws of the United States or any state or territory thereof, (i) authorized by law to perform all the duties imposed upon it by this Master Indenture and all Supplemental

Indentures and (iii) capable of meeting its obligations hereunder, and (b) shall have a combined net capital and surplus of at least \$50,000,000.

SECTION 11.22. Judicial Appointment of Successor Paying Agent or Registrar. In case at any time the Paying Agent or Registrar shall resign and no appointment of a successor Paying Agent or Registrar shall be made pursuant to the foregoing provisions of this Master Indenture prior to the date specified in the notice of resignation as the date when such resignation is to take effect, the retiring Paying Agent or Registrar may forthwith apply to a court of competent jurisdiction for the appointment of a successor Paying Agent or Registrar. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor Paying Agent or Registrar. Notice of such appointment shall be given by the Successor Registrar or Paying Agent to the Issuer, the Trustee, the Credit Facility Issuer, if any, any rating agency that shall then have in effect a rating on any of the Bonds, and all Bondholders. In the absence of such an appointment, the Trustee shall become the Registrar or Paying Agent, or and shall so notify the Issuer, any rating agency that shall have issued a rating on the Bonds, and all Bondholders.

SECTION 11.23. Acceptance of Duties by Successor Paying Agent or Registrar. Any successor Paying Agent or Registrar shall become duly vested with all the estates, property, rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named Paying Agent or Registrar herein. Upon request of such Paying Agent or Registrar, such predecessor Paying Agent or Registrar and the Issuer shall, after payment of its fees and expenses, execute and deliver an instrument transferring to such successor Paying Agent or Registrar all the estates, property, rights and powers hereunder of such predecessor Paying Agent or Registrar except for its rights under Section 11.04 hereof and such predecessor Paying Agent or Registrar shall pay over and deliver to the successor Paying Agent or Registrar all moneys and other assets at the time held by it hereunder.

SECTION 11.24. Successor by Merger or Consolidation. Any corporation, purchaser or entity into which any Paying Agent or Registrar hereunder may be merged or converted or with which it may be consolidated, or any corporation, purchaser or entity resulting from any merger or consolidation to which any Paying Agent or Registrar hereunder shall be a party, or any corporation, purchaser or entity which shall have purchased substantially all of the bond administration business of the corporate trust department shall be the successor Paying Agent or Registrar under this Master Indenture and all Supplemental Indentures without the execution or filing of any paper or any further act on the part of the parties thereto, anything in this Master Indenture or any Supplemental Indenture to the contrary notwithstanding.

The fact and date of the execution by any person of any such instrument may be provided by acknowledgment before a notary public or other officer empowered to take acknowledgments or by an affidavit of a witness to such execution. [END OF ARTICLE XII]

ARTICLE XIII AMENDMENTS AND SUPPLEMENTS

SECTION 13.01. Amendments and Supplements Without Bondholders' Consent. This Master Indenture and any Supplemental Indenture may be amended or supplemented, from time to time, without the consent of the Bondholders, by a Supplemental Indenture authorized by a Certified Resolution of the Issuer filed with the Trustee, for one or more of the following purposes:

(a) to add additional covenants of the Issuer or to surrender any right or power herein conferred upon the Issuer;

(b) for any purpose not inconsistent with the terms of the related Indenture, or to cure any ambiguity or to cure, correct or supplement any defective provision (whether because of any inconsistency with any other provision hereof or otherwise) of the related Indenture, in such manner as shall not impair the security hereof or thereof or adversely affect the rights and remedies of the Bondholders;

(c) to provide for the execution of any and all contracts and other documents as may be required in order to effectuate the conveyance of any Project to the State, the County, or any department, agency or branch thereof, or any other unit of government of the State, provided, however, that the Issuer shall have caused to be delivered to the Trustee an opinion of Bond Counsel stating that such conveyance shall not impair the security hereof or adversely affect the rights and remedies of the Bondholders; and

(d) to make such changes as may be necessary in order to reflect amendments to Chapters 170, 190 and 197, Florida Statutes, so long as, in the opinion of Counsel to the Issuer, such changes either: (i) do not have a material adverse effect on the Holders of the Bonds; or (ii) if such changes do have an adverse effect, that they nevertheless are required to be made as a result of such amendments.

SECTION 13.02. Amendments With Bondholders' Consent. Subject to the provisions of Section 13.01 hereof, this Master Indenture and any Supplemental Indenture may be amended from time to time by a Supplemental Indenture approved by the Majority Holders in aggregate principal amount of the Bonds then Outstanding in the case of the Master Indenture, and of the Series of Bonds then Outstanding and secured by such Supplemental Indenture in the case of an amendment of a Supplemental Indenture including, but not limited to, any material amendment to the Special Assessments and related proceedings which secure a Series of Bonds; provided that with respect to (a) the interest payable upon any Bonds, (b) the dates of maturity or redemption provisions of any Bonds, (c) this Article XIII and (d) the security provisions hereunder or under any Supplemental Indenture, which may only be amended by approval of the Owners of all Outstanding Bonds to be so amended.

SECTION 13.03. Trustee Authorized to Join in Amendments and Supplements; Reliance on Counsel. The Trustee is authorized to join in the execution and delivery of any Supplemental Indenture or amendment permitted by this Article XIII and in so doing may rely on a written opinion of Counsel at the expense of the Issuer that such Supplemental Indenture or

amendment is so permitted and has been duly authorized by the Issuer and that all things necessary to make it a valid and binding agreement have been done. In addition, the Trustee may request an opinion of Bond Counsel that such amendment will not in and of itself adversely affect the tax status of the Bonds. The Trustee shall not be obligated to enter into any Supplemental Indenture or amendment that imposes additional obligations on the Trustee or adversely affects the Trustee's rights and immunities hereunder.

[END OF ARTICLE XIII]

ARTICLE XIV DEFEASANCE

SECTION 14.01. Defeasance. When interest on, and principal or Redemption Price (as the case may be) of, the Bonds of a Series or any portion thereof to be defeased have been paid, or there shall have been deposited with the Trustee or such other escrow agent designated in a Certified Resolution of the Issuer (the “Escrow Agent”) moneys sufficient, or Defeasance Securities, the principal of and interest on which, when due, together with any moneys, remaining uninvested, will provide sufficient moneys to fully pay (i) such Bonds of a Series or portion thereof to be defeased, and (ii) any other sums payable hereunder by the Issuer, but only to the extent the Issuer has agreed to pay the same on or before the defeasance of the Bonds, the right, title and interest of the Trustee with respect to such Bonds of a Series or portion thereof to be defeased shall thereupon cease, the lien of the Indenture on the Pledged Revenues, and the Funds and Accounts established under the Indenture shall be defeased and discharged, and the Trustee, on demand of the Issuer, shall release the Indenture as to such Bonds of a Series or portion thereof to be so defeased and shall execute such documents to evidence such release as may be reasonably required by the Issuer and shall turn over to the Issuer or to such Person, body or authority as may be entitled to receive the same all balances remaining in any Series Funds and Accounts (other than the Rebate Fund) upon the defeasance in whole of all of the Bonds of a Series.

SECTION 14.02. Deposit of Funds for Payment of Bonds. If the Issuer deposits with the Escrow Agent moneys sufficient, or Defeasance Securities, the principal of and interest on which, when due, together with any moneys remaining uninvested, will provide sufficient moneys to pay the principal or Redemption Price of any Bonds of a Series becoming due, either at maturity or by redemption or otherwise, together with all interest accruing thereon to the date of maturity or such prior redemption, and reimburses or causes to be reimbursed or pays or causes to be paid the other amounts required to be reimbursed or paid under Section 14.01 hereof, interest on such Bonds of a Series shall cease to accrue on such date of maturity or prior redemption and all liability of the Issuer with respect to such Bonds of a Series shall likewise cease, except as hereinafter provided; provided, however, that (a) if any Bonds are to be redeemed prior to the maturity thereof, notice of the redemption thereof shall have been duly given in accordance with the provisions of Section 8.02 hereof, or irrevocable provision satisfactory to the Trustee shall have been duly made for the giving of such notice, and (b) in the event that any Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days following a deposit of moneys with the Escrow Agent, in accordance with this Section, the Issuer shall have given the Escrow Agent, in form satisfactory to the Escrow Agent, irrevocable instructions to mail to the Owners of such Bonds at their addresses as they appear on the Bond Register, a notice stating that a deposit in accordance with this Section has been made with the Escrow Agent and that the Bonds to which such notice relates are deemed to have been paid in accordance with this Section and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price (as the case may be) of, and interest on, said Bonds of a Series. Thereafter such Bonds shall be deemed not to be Outstanding hereunder and the Owners of such Bonds shall be restricted exclusively to the funds so deposited for any claim of whatsoever nature with respect to such Bonds, and the Escrow Agent shall hold such funds in trust for such Owners. At the time of the deposit referred to above, there shall be delivered to the Trustee and any Escrow Agent a verification from a firm of independent Certified Public Accountants stating that the principal of and interest on the Defeasance Securities, together with the stated amount of any cash remaining

on deposit with the Escrow Agent, will be sufficient without reinvestment to pay the remaining principal of, redemption premium, if any, and interest on such defeased Bonds. In addition to the foregoing, Bond Counsel shall deliver an Opinion that the subject Bonds are no longer Outstanding hereunder and if the Bonds to be defeased are tax-exempt, that the Defeasance does not cause the Bonds to be taxable.

Money so deposited with the Escrow Agent which remains unclaimed three (3) years after the date payment thereof becomes due shall, upon request of the Issuer, if the Issuer is not at the time to the knowledge of the Escrow Agent in default with respect to any covenant in the Indenture or the Bonds of the Series contained, be paid to the Issuer; and the Owners of the Bonds for which the deposit was made shall thereafter be limited to a claim against the Issuer; provided, however, that the Escrow Agent, before making payment to the Issuer, may, at the request and expense of the Issuer and if directed by the Issuer, shall cause a notice to be published in an Authorized Newspaper, stating that the money remaining unclaimed will be returned to the Issuer after a specified date.

[END OF ARTICLE XIV]

Extraordinary Mandatory Redemption in Whole or in Part

The Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole, on any date, or in part, on any interest payment date (except as otherwise provided in a Supplemental Indenture), at an extraordinary mandatory redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued to the redemption date, (i) from moneys deposited into the Bond Redemption Fund following the payment of Special Assessments on any portion of the District Lands in accordance with the provisions of the Section 9.08 of the Indenture; (ii) when sufficient moneys are on deposit in the related Funds and Accounts (other than the Rebate Fund and any other excluded fund or account as provided in the Supplemental Indenture) to pay and redeem all Outstanding Bonds and accrued interest thereon to the redemption date in addition to all amounts owed to Persons under the Indenture; (iii) if made applicable in a Supplemental Indenture, from moneys in excess of the Debt Service Reserve Requirement in the Debt Service Reserve Fund transferred to the Bond Redemption Fund pursuant to the Indenture; (iv) from excess moneys transferred from the Revenue Fund to the Bond Redemption Fund in accordance with the Indenture; [(v) from moneys, if any, on deposit in the Bond Redemption Fund following condemnation or the sale of any portion of the District Lands benefited by the Project to a governmental entity under threat of condemnation by such governmental entity or the damage or destruction of all or substantially all of the Project when such moneys are not to be used pursuant to the Indenture to repair, replace or restore the Project; provided, however, that at least forty-five (45) days prior to such extraordinary mandatory redemption, the Issuer shall cause to be delivered to the Trustee (x) notice setting forth the redemption date and (y) a certificate of the Consulting Engineer confirming that the repair and restoration of the Project would not be economical or would be impracticable;] or (vi) either prior to the Completion Date or after the Completion Date, as the case may be, from amounts transferred to the Series Account of the Bond Redemption Fund from the Series Account of the Acquisition and Construction Fund in accordance with the Indenture.

The Trustee shall cause notice of redemption to be mailed at least thirty but not more than sixty days prior to the date of redemption to all registered owners of Bonds to be redeemed (as such owners appear on the books of the Registrar on the fifth (5th) day prior to such mailing) and to certain additional parties as set forth in the Indenture; provided, however, that failure to mail any such notice or any defect in the notice or the mailing thereof shall not affect the validity of the redemption of the Bonds for which such notice was duly mailed in accordance with the Indenture. If less than all of the Bonds shall be called for redemption, the notice of redemption shall specify the Bonds to be redeemed. On the redemption date, the Bonds called for redemption will be payable at the corporate trust office of the Paying Agent and on such date interest shall cease to accrue, such Bonds shall cease to be entitled to any benefit under the Indenture and such Bonds

shall not be deemed to be outstanding under the provisions of the Indenture and the registered owners of such Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof. If the amount of funds so deposited with the Trustee, or otherwise available, is insufficient to pay the redemption price and interest on all Bonds so called for redemption on such date, the Trustee shall redeem and pay on such date an amount of such Bonds for which such funds are sufficient, selecting the Bonds to be redeemed by lot from among all such Bonds called for redemption on such date, and interest on any Bonds not paid shall continue to accrue, as provided in the Indenture.

Partial Redemption of Bonds. If less than all the Bonds of a maturity are to be redeemed, the Trustee shall select the particular Bonds or portions of Bonds to be redeemed by lot in such reasonable manner as the Trustee in its discretion may determine. In the case of any partial redemption of Bonds pursuant to an optional redemption, such redemption shall be effectuated by redeeming Bonds of such maturities in such manner as shall be specified by the Issuer in writing, subject to the provisions of the Indenture. In the case of any partial redemption of Bonds pursuant to an extraordinary mandatory redemption, such redemption shall be effectuated by redeeming Bonds pro rata among the maturities, treating each date on which a sinking fund installment is due as a separate maturity for such purpose, with the portion to be redeemed from each maturity being equal to the product of the aggregate principal amount of Bonds to be redeemed multiplied times a fraction the numerator of which is the principal amount of Bonds of such maturity outstanding immediately prior to the redemption date and the denominator of which is the aggregate principal amount of all Bonds outstanding immediately prior to the redemption date.

The Issuer shall keep books for the registration of the Bonds at the corporate trust office of the Registrar in Orlando, Florida. Subject to the restrictions contained in the Indenture, the Bonds may be transferred or exchanged by the registered owner thereof in person or by his attorney duly authorized in writing only upon the books of the Issuer kept by the Registrar and only upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney. In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds in authorized form and in like aggregate principal amount in accordance with the provisions of the Indenture. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing. Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds. Neither the Issuer nor the Registrar on behalf of the Issuer shall be required (i) to issue transfer or exchange any Bond during a period beginning at the opening of business fifteen (15) days before the day of mailing of a notice of redemption of Bonds selected for redemption and ending at the close of business on the day of such mailing, or (ii) to transfer or exchange any Bond so selected for redemption in whole or in part.

The Issuer, the Trustee, the Paying Agent and the Registrar shall deem and treat the person in whose name any Bond shall be registered upon the books kept by the Registrar as the absolute owner thereof (whether or not such Bond shall be overdue and notwithstanding any notation of ownership or other writing thereon made by anyone other than the Issuer, the Trustee, the Paying

Agent or the Registrar) for the purpose of receiving payment of or on account of the principal of, premium, if any, and interest on such Bond as the same becomes due, and for all other purposes. All such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer, the Trustee, the Paying Agent, nor the Registrar shall be affected by any notice to the contrary.

(a) Optional Redemption. The Series 2024 Bonds may, at the option of the Issuer, provided written notice hereof has been sent to the Trustee at least forty-five (45) days prior to the redemption date (unless the Trustee will accept less than forty-five (45) days' notice), be called for redemption prior to maturity as a whole or in part, at any time, on or after May 1, 2031 (less than all Series 2024 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2024 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date to the redemption date from moneys on deposit in the Series 2024 Optional Redemption Subaccount of the Series 2024 Bond Redemption Account. If such optional redemption shall be in part, the Issuer shall select such principal amount of Series 2024 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2024 Bonds is substantially level.

(b) Extraordinary Mandatory Redemption in Whole or in Part. The Series 2024 Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole or in part, on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2024 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2024 Prepayment Principal deposited into the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account (taking into account the credit from the Series 2024 Reserve Account pursuant to Section 4.05 hereof) following the Prepayment in whole or in part of the Series 2024 Special Assessments on any assessable property within Assessment Area One – 2024 Project Area of the District in accordance with the provisions of Section 4.05(a) of this First Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2024 Funds, Accounts and subaccounts (other than the Series 2024 Rebate Fund, the Series 2024 Costs of Issuance Account and the Series 2024 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2024 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

(iii) from any funds remaining on deposit in the Series 2024 Acquisition and Construction Account not otherwise reserved to complete the 2024 Project and which funds have been transferred to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account.

Upon any redemption or purchase of Series 2024 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2024 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2024 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2024 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption or purchase occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

SECTION 3.02. Notice of Redemption. SECTION 4.01. Establishment of Certain Funds, Accounts and Subaccounts.

(a) The Trustee shall establish a separate Account within the Acquisition and Construction Fund designated as the “Series 2024 Acquisition and Construction Account.” Proceeds of the Series 2024 Bonds shall be deposited into the Series 2024 Acquisition and Construction Account in the amount set forth in Section 2.06 of this First Supplemental Indenture, together with any other moneys that may be transferred to the Series 2024 Acquisition and Construction Account, including money transferred from the Series 2024 Reserve Account as a result of satisfaction of the Release Conditions, and such moneys in the Series 2024 Acquisition and Construction Account shall be disbursed by the Trustee as set forth in Section 5.01 of the Master Indenture and this Section 4.01(a), and upon disbursement, the Issuer shall apply such moneys as provided for in the Acquisition Agreement. Any moneys remaining in the Series 2024 Acquisition and Construction Account after the Completion Date, except for any moneys reserved therein for the payment of any Costs of the 2024 Project owed but not yet requisitioned, as evidenced in a certificate from the District Engineer to the Trustee, upon which the Trustee may conclusively rely, and the adoption of a completion resolution by the Issuer accepting the 2024 Project, as evidenced by a certificate from the District Manager delivered to the Trustee, upon which the Trustee may conclusively rely, shall be transferred by the Trustee to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account, and thereafter, the Series 2024 Acquisition and Construction Account shall be closed. Notwithstanding the foregoing, the Issuer shall not adopt such completion resolution until at least six (6) months after the satisfaction of the Release Conditions. Upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2024 Acquisition and Construction Account and pay such requisitioned amount to the Person or Persons so designated in such requisition. Pursuant to the Master Indenture, the Trustee shall establish a separate Account within the Acquisition and Construction Fund designated as the “Series 2024 Costs of Issuance Account.” Proceeds of the Series 2024 Bonds shall be deposited into the Series 2024 Costs of Issuance Account in the amount set forth in Section 2.06 of this First Supplemental Indenture. Upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2024 Costs of Issuance Account to pay the costs of issuing the Series 2024 Bonds. Six months after the issuance of the Series 2024 Bonds, any moneys remaining in the Series 2024 Costs of Issuance Account in excess of the amounts requested to be disbursed by the Issuer shall be deposited into the Series 2024 Interest Account. Any deficiency in the amount allocated to pay the cost of issuing the Series 2024 Bonds shall be paid from excess Series 2024 Pledged Revenues on deposit in the Series 2024 Revenue Account in accordance with Section 4.02 SEVENTH. When there are no further moneys therein, the Series 2024 Costs of Issuance Account shall be closed.

(b) Pursuant to Section 6.03 of the Master Indenture, the Trustee shall establish a separate Account within the Revenue Fund designated as the “Series 2024 Revenue Account.” Series 2024 Special Assessments and any other amounts required to be deposited therein (except

for Prepayments of Series 2024 Special Assessments which shall be identified as such by the Issuer to the Trustee and deposited in the Series 2024 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2024 Revenue Account which shall be applied as set forth in Section 6.03 of the Master Indenture and Section 4.02 of this First Supplemental Indenture.

(c) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the “Series 2024 Principal Account.” Moneys shall be deposited into the Series 2024 Principal Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Indenture, and applied for the purposes provided therein.

(d) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the “Series 2024 Interest Account.” Moneys deposited into the Series 2024 Interest Account pursuant to Section 6.04 of the Master Indenture and Sections 2.06 and 4.02 of this First Supplemental Indenture, shall be applied for the purposes provided therein.

(e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish another separate Account within the Debt Service Fund designated as the “Series 2024 Sinking Fund Account.” Moneys shall be deposited into the Series 2024 Sinking Fund Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Indenture and applied for the purposes provided therein and in Section 3.01(c) of this First Supplemental Indenture.

(f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Reserve Fund designated as the “Series 2024 Reserve Account.” Proceeds of the Series 2024 Bonds shall be deposited into the Series 2024 Reserve Account in the amount set forth in Section 2.06 of this First Supplemental Indenture, and such moneys, together with any other moneys deposited into the Series 2024 Reserve Account shall be applied for the purposes provided therein and in this Section 4.01(f) of this First Supplemental Indenture.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2024 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2024 Bonds caused by investment earnings to the Series 2024 Acquisition and Construction Account and after the Completion Date to the Series 2024 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2024 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2024 Bonds to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2024 Special Assessments and applied to redeem a portion of the Series 2024 Bonds is less than the principal amount of Series 2024 Bonds indebtedness attributable to such lands.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer or the District Manager, on behalf of the Issuer, receives notice that a landowner wishes to prepay its Series 2024

Special Assessments relating to the benefited property of such landowner within the Assessment Area One – 2024 Project Area within the District, or as a result of a mandatory true-up payment, the Issuer shall, or cause the District Manager, on behalf of the Issuer to, calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2024 Prepayment Principal due by the amount of money in the Series 2024 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2024 Reserve Account shall be transferred by the Trustee to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after receiving notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2024 Bonds in accordance with Section 3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing, upon satisfaction of the Release Conditions, the Trustee shall deposit such excess on deposit in the Series 2024 Reserve Account as described below to the Series 2024 Acquisition and Construction Account and pay such amount deposited in the Series 2024 Acquisition and Construction Account to the Person or Persons designated in a requisition in the form attached hereto as Exhibit “C” submitted to the Issuer by the Developer within thirty (30) days of such transfer which requisition shall be executed by the Issuer and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided the Developer can establish, to the satisfaction of the Consulting Engineer, Costs of the 2024 Project that were not paid from moneys initially deposited in the Series 2024 Acquisition and Construction Account. In the event that there are no unreimbursed Costs to pay to the Developer, such excess moneys transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account shall be deposited into the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account.

In addition, upon satisfaction of the Release Conditions as evidenced by a written certificate of the District Manager delivered to the Issuer and the Trustee, stating that the Release Conditions have been satisfied and setting forth the amount of the new Series 2024 Reserve Requirement, the Trustee shall without further direction reduce the Series 2024 Reserve Requirement to ten percent (10%) of the maximum annual debt service of the then Outstanding principal amount of the Series 2024 Bonds as calculated by the District Manager. The excess amount in the Series 2024 Reserve Account shall be transferred to the Series 2024 Acquisition and Construction Account to be requisitioned within thirty (30) days after such certification and transfer, after which time such excess amount shall be transferred by the Trustee to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption pursuant to the provisions of this First Supplemental Indenture, the District Manager, on behalf of the Issuer, shall calculate the applicable Reserve Requirement and communicate the same to the Trustee and the Trustee shall apply any excess in the Series 2024 Reserve Account to the Series 2024 General Redemption Subaccount toward such extraordinary mandatory redemption.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the “Series 2024 Bond Redemption Account” and within such Account, a “Series 2024 General Redemption Subaccount,” a “Series 2024 Optional Redemption Subaccount,” and a “Series 2024 Prepayment Subaccount.” Except as otherwise provided in this First Supplemental Indenture regarding Prepayments or in connection with the optional redemption of the Series 2024 Bonds, moneys to be deposited into the Series 2024 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account.

(h) Moneys that are deposited into the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account (including all earnings on investments held therein) shall be used to call Series 2024 Bonds for the extraordinary mandatory redemption in whole, pursuant to Section 3.01(b)(ii) hereof or in part pursuant to Section 3.01(b)(iii) hereof.

(i) Moneys in the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account (including all earnings on investments held in such Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Series 2024 Bonds equal to the amount of money transferred to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account for the purpose of such extraordinary mandatory redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof.

(j) The Issuer hereby directs the Trustee to establish a Series 2024 Rebate Fund designated as the “Series 2024 Rebate Fund.” Moneys shall be deposited into the Series 2024 Rebate Fund, as provided in the Arbitrage Certificate and Section 4.02 SEVENTH herein and applied for the purposes provided therein.

(k) Any moneys on deposit in the Series 2024 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Series 2024 Bonds pursuant to Section 3.01(a) hereof.

SECTION 4.02. Series 2024 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2024 Revenue Account to the Funds, Accounts and subaccounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each May 1 commencing May 1, 2024, to the Series 2024 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2024 Bonds becoming due on the next succeeding May 1, less any amount on deposit in the Series 2024 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each November 1 commencing November 1, 2024, to the Series 2024 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2024 Bonds becoming due on the next succeeding November 1, less any amounts on deposit in the Series 2024 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each May 1, commencing May 1, 20XX, to the Series 2024 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2024 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2024 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding each May 1, which is the principal payment date for any Series 2024 Bonds, to the Series 2024 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2024 Bonds Outstanding maturing on such May 1, less any amounts on deposit in the Series 2024 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2024 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2024 Interest Account, the amount necessary to pay interest on the Series 2024 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2024 Bonds remain Outstanding, to the Series 2024 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2024 Reserve Requirement for the Series 2024 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2024 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2024 Bonds and next, any balance in the Series 2024 Revenue Account shall remain on deposit in such Series 2024 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2024 Rebate Fund , in which case, the Issuer shall direct the Trustee to make such deposit thereto.

SECTION 4.03. Power to Issue Series 2024 Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2024 Bonds, to execute and deliver the Indenture and to pledge the Series 2024 Pledged Revenues for the benefit of the Series 2024 Bonds to the extent set forth herein. The Series 2024 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2024 Bonds. The Series 2024 Bonds and the provisions of the Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Indenture and all the rights of the Owners of the Series 2024 Bonds under the Indenture against all claims and demands of all persons whomsoever.

SECTION 4.04. 2024 Project to Conform to Consulting Engineers Report. Upon the issuance of the Series 2024 Bonds, the Issuer will promptly proceed to construct or acquire the 2024 Project, as described in Exhibit A hereto and in the Consulting Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

SECTION 4.05. Prepayments; Removal of the Series 2024 Special Assessment Liens.

(a) At any time any owner of property within the Assessment Area One - 2024 Project Area, which property is subject to the Series 2024 Special Assessments may, at its option, or as a result of acceleration of the Series 2024 Special Assessments because of non-payment thereof, or as a result of a true-up payment, shall require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2024 Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of the Series 2024 Special Assessment, which shall constitute Series 2024 Prepayment Principal, plus, accrued interest to the next succeeding Interest Payment Date (or the second succeeding Interest Payment Date if such Prepayment is made within forty-five (45) calendar days before a Quarterly Redemption Date), attributable to the property subject to the Special Assessment owned by such owner. In connection with such Prepayments, in the event the amount in the Series 2024 Debt Service Reserve Account will exceed the Reserve Requirement for the Series 2024 Bonds as a result of a Prepayment in accordance with this Section 4.05(a) and Section 4.01(f) and the resulting redemption of the Series 2024 Bonds in accordance with Section 3.01(b)(i) of this First Supplemental Indenture, the excess amount shall be transferred from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account as a credit against the Series 2024 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions to the Trustee of the District Manager upon which the Trustee may conclusively rely, on behalf of the Issuer, together with a certification stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2024 Reserve Account to equal or exceed the then Reserve Requirement for the Series 2024 Bonds and which certificate of the District Manager will further state that, after giving effect to the proposed redemption of Series 2024 Bonds, there will be sufficient Series 2024 Pledged Revenues to pay the principal and interest, when due, on all Series 2024 Bonds that will remain Outstanding.

(b) Upon receipt of Series 2024 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the District that the Series 2024 Special Assessment has been paid in whole or in part and that such Series 2024 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Prepayments. The Trustee shall calculate the amount available for the extraordinary mandatory redemption of the applicable Series 2024 Bonds pursuant to Section 3.01(b)(i) hereof forty-five (45) days prior to each Quarterly Redemption Date and will withdraw money from the Series 2024 Reserve Account as a credit against the amount of Prepayment that is owed in an amount as directed by the District. No credit shall be given if as a result the Reserve Requirement shall be less than is required after taking into account the proposed extraordinary mandatory redemption pursuant to Section 3.01(b)(i) hereof. At any time such Prepayment is not in an integral multiple of \$5,000, the Trustee shall withdraw moneys from the Series 2024 Revenue Account to round-up to an integral multiple of \$5,000 and deposit such amount into the Series 2024 Prepayment Subaccount. Notwithstanding the foregoing, the Trustee shall not be authorized to

withdraw any moneys from the Series 2024 Revenue Account unless all of the deposits required under Section 4.02 hereof have or can be made to the next succeeding Interest Payment Date.

ARTICLE V

COVENANTS AND DESIGNATIONS OF THE ISSUER

SECTION 5.01. Collection of Series 2024 Special Assessments. Pursuant to the terms and provisions of the Master Indenture and except as provided in the next succeeding sentence, the Issuer shall collect the Series 2024 Special Assessments relating to the acquisition and construction of the 2024 Project through the Uniform Method of Collection (the “Uniform Method”) afforded by Chapter 197, Florida Statutes. Pursuant to the terms and provisions of the Master Indenture, the Issuer shall, pursuant to the provisions of the Assessment Resolutions, directly collect the Series 2024 Special Assessments levied in lieu of the Uniform Method with respect to any assessable lands which have not yet been platted, or the timing for using the Uniform Method will not yet allow for using such method, unless the Trustee at the direction of the Majority Holders directs the Issuer otherwise. In addition, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the Issuer covenants to comply with the terms of the proceedings heretofore adopted with respect to the Series 2024 Special Assessments, and to levy the Series 2024 Special Assessments in such manner as will generate funds sufficient to pay debt service on the Series 2024 Bonds when due. All Series 2024 Special Assessments that are collected directly by the Issuer shall be due and payable by the landowner not later than thirty (30) days prior to each Interest Payment Date.

SECTION 5.02. Continuing Disclosure. Contemporaneously with the execution and delivery hereof, the Issuer has executed and delivered a Continuing Disclosure Agreement in order to comply with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934. The Issuer covenants and agrees to comply with the provisions of such Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

SECTION 5.03. Investment of Funds, Accounts and Subaccounts. The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Series 2024 Accounts and subaccounts therein created hereunder.

SECTION 5.04. Additional Obligations. The Issuer covenants not to issue any other Bonds or other debt obligations secured by the Series 2024 Special Assessments. Such covenant shall not prohibit the Issuer from issuing refunding bonds. In addition, the Issuer covenants not to issue any other Bonds or debt obligations secured by any other Special Assessments on assessable lands within the Assessment Area One – 2024 Project Area that are subject to the Series 2024 Special Assessments until the Series 2024 Special Assessments have been Substantially Absorbed, provided the foregoing shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. The Trustee and the Issuer may conclusively rely on a written certificate from the District Manager regarding the occurrence of the Series 2024 Special Assessments being Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the Issuer may issue other Bonds or debt obligations secured by Special Assessments levied within the Assessment Area One - 2024 Project Area other than the Series 2024 Special Assessments, at any time upon the written consent of the Majority Holders or at any time without any consent such Special Assessments are levied on any lands

within the Assessment Area One - 2024 Project Area which are not subject to the Series 2024 Special Assessments.

SECTION 5.05. Acknowledgement Regarding Series 2024 Acquisition and Construction Account Moneys Following an Event of Default. In accordance with the provisions of the Indenture, the Series 2024 Bonds are payable solely from the Series 2024 Pledged Revenues. Anything in the Indenture to the contrary notwithstanding, the Issuer hereby acknowledges that the Series 2024 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2024 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, and upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, (i) the Series 2024 Pledged Revenues may not be used by the Issuer (whether to pay costs of the 2024 Project or otherwise) without the consent of the Majority Holders, and (ii) the Series 2024 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The Issuer covenants not to enter into any contract regarding the 2024 Project from and after the occurrence of an Event of Default without the written direction of the Majority Holders.

ARTICLE VII MISCELLANEOUS PROVISIONS

SECTION 7.01. Interpretation of First Supplemental Indenture. This First Supplemental Indenture amends and supplements the Master Indenture with respect to the Series 2024 Bonds, and all of the provisions of the Master Indenture, to the extent not inconsistent herewith, are incorporated in this First Supplemental Indenture by reference. To the maximum extent possible, the Master Indenture and the First Supplemental Indenture shall be read and construed as one document.

SECTION 7.05. Payment Dates. In any case in which an Interest Payment Date or the maturity date of the Series 2024 Bonds or the date fixed for the redemption of any Series 2024 Bonds shall be other than a Business Day, then payment of interest, principal or Redemption Price need not be made on such date but may be made on the next succeeding Business Day, with the same force and effect as if made on the due date, and no interest on such payment shall accrue for the period after such due date if payment is made on such next succeeding Business Day.

SECTION 7.06. No Rights Conferred on Others. Nothing herein contained shall confer any right upon any Person other than the parties hereto and the Holders of the Series 2024 Bonds.

If the Issuer elects to give the Trustee e-mail or facsimile instructions (or instructions by a similar electronic method) and the Trustee acts upon such instructions, the Trustee's understanding of such instructions shall be deemed controlling. The Trustee shall not be

liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The Series 2024 Bonds are being issued under authority of the laws and Constitution of the State of Florida, including particularly the Act, to pay the costs of constructing and/or acquiring the 2024 Project (as defined in the herein referred to Indenture). The Series 2024 Bonds shall be issued as fully registered bonds in authorized denominations, as set forth in the Indenture. The Bonds are issued under and secured by a Master Trust Indenture dated as of _____ 1, 2024 (the “Master Indenture”), as amended by a First Supplemental Trust Indenture dated as of _____ 1, 2024 (the “First Supplemental Indenture” and together with the Master Indenture, the “Indenture”), each by and between the Issuer and the Trustee, executed counterparts of which are on file at the designated corporate trust office of the Trustee in Orlando, Florida.

Reference is hereby made to the Indenture for the provisions, among others, with respect to the custody and application of the proceeds of the Series 2024 Bonds issued under the Indenture, the operation and application of the Debt Service Fund, the Series 2024 Reserve Account within the Debt Service Reserve Fund and other Funds, Accounts and subaccounts (each as defined in the Indenture) charged with and pledged to the payment of the principal of and the interest on the Series 2024 Bonds, the levy and the evidencing and certifying for collection, of the Series 2024 Special Assessments, the nature and extent of the security for the Bonds, the terms and conditions on which the Series 2024 Bonds are issued, the rights, duties and obligations of the Issuer and of the Trustee under the Indenture, the conditions under which such Indenture may be amended without the consent of the registered owners of the Series 2024 Bonds, the conditions under which such Indenture may be amended with the consent of the Majority Holders of the Series 2024 Bonds outstanding, and as to other rights and remedies of the registered owners of the Series 2024 Bonds.

The owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

It is expressly agreed by the owner of this Bond that such owner shall never have the right to require or compel the exercise of the ad valorem taxing power of the Issuer, the County, the State or any other political subdivision thereof, or taxation in any form of any real or personal property of the Issuer, the County, the State or any other political subdivision thereof, for the payment of the principal of and interest on this Bond or the making of any other sinking fund and other payments provided for in the Indenture, except for the Series 2024 Special Assessments to be assessed and levied by the Issuer as set forth in the Indenture.

By the acceptance of this Bond, the owner hereof assents to all the provisions of the Indenture.

This Bond is payable from and secured by Series 2024 Pledged Revenues, as such term is defined in the Indenture, all in the manner provided in the Indenture. The Indenture provides for the levy and the evidencing and certifying, of non-ad valorem assessments in the form of the Series 2024 Special Assessments to secure and pay the Bonds.

The Series 2024 Bonds are subject to redemption prior to maturity in the amounts, at the times and in the manner provided below. All payments of the redemption price of the Series 2024 Bonds shall be made on the dates specified below. Upon any redemption of Series 2024 Bonds other than in accordance with scheduled mandatory sinking fund redemption, the Issuer shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2024 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2024 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2024 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption

or purchase occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Optional Redemption

The Series 2024 Bonds may, at the option of the Issuer, provided written notice hereof has been sent to the Trustee at least forty-five (45) days prior to the redemption date (unless the Trustee will accept less than forty-five (45) days' notice), be called for redemption prior to maturity as a whole or in part, at any time, on or after May 1, 2031 (less than all Series 2024 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2024 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date to the redemption date from moneys on deposit in the Series 2024 Optional Redemption Subaccount of the Series 2024 Bond Redemption Account. If such optional redemption shall be in part, the Issuer shall select such principal amount of Series 2024 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2024 Bonds is substantially level.

(i) from Series 2024 Prepayment Principal deposited into the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account (taking into account the credit from the Series 2024 Reserve Account pursuant to Section 4.05 hereof) following the Prepayment in whole or in part of the Series 2024 Special Assessments on any assessable property within Assessment Area One – 2024 Project Area of the District in accordance with the provisions of Section 4.05(a) of the First Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2024 Funds, Accounts and Subaccounts in the Funds, Accounts and subaccounts (other than the Series 2024 Rebate Fund, the Series 2024 Costs of Issuance Account and the Series 2024 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2024 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

(iii) from any funds remaining on deposit in the Series 2024 Acquisition and Construction Account not otherwise reserved to complete the 2024 Project and which funds have been transferred to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account.

Except as otherwise provided in the Indenture, if less than all of the Bonds subject to redemption shall be called for redemption, the particular such Bonds or portions of such Bonds to be redeemed shall be selected randomly by the Trustee, as provided in the Indenture.

Notice of each redemption of the Bonds is required to be mailed by the Trustee by first class mail, postage prepaid, not less than thirty (30) nor more than sixty (60) days prior to the redemption date to each Registered Owner of the Bonds to be redeemed at the address of such Registered Owner recorded on the bond register maintained by the Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Trustee or the Paying Agent, all as provided in the Indenture, the Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Bonds or such portions thereof on such date, interest on such Bonds or such portions thereof so called for redemption shall cease to accrue, such Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Trustee or the Paying Agent. Further notice of redemption shall be given by the Trustee to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed. Notwithstanding the foregoing, the Trustee is authorized to give conditional notice of redemption as provided in the Master Indenture.

The Owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture.

Any moneys held by the Trustee or Paying Agent in trust for the payment and discharge of any Bond which remain unclaimed for three (3) years after the date when such Bond has become due and payable, either at its stated maturity date or by call for earlier redemption shall be paid to the Issuer, thereupon and thereafter no claimant shall have any rights against the Trustee or Paying Agent to or in respect of such moneys.

If the Issuer deposits or causes to be deposited with the Trustee funds or Defeasance Securities (as defined in the Master Indenture) sufficient to pay the principal or Redemption Price of any Bonds becoming due at maturity or by call for redemption in the manner set forth in the Indenture, together with the interest accrued to the due date, the lien of such Bonds as to the trust estate with respect to such Bonds shall be discharged, except for the rights of the Owners thereof with respect to the funds so deposited as provided in the Indenture.

This Bond shall have all the qualities and incidents, including negotiability, of investment securities within the meaning and for all the purposes of the Uniform Commercial Code of the State of Florida.

The Issuer shall keep books for the registration of the Bonds at the designated corporate trust office of the Registrar in Orlando, Florida. Subject to the restrictions contained in the Indenture, the Bonds may be transferred or exchanged by the registered owner thereof in person

or by his attorney duly authorized in writing only upon the books of the Issuer kept by the Registrar and only upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney. In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds in authorized form and in like aggregate principal amount in accordance with the provisions of the Indenture. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing. Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

The Issuer, the Trustee, the Paying Agent and the Registrar shall deem and treat the person in whose name any Bond shall be registered upon the books kept by the Registrar as the absolute owner thereof (whether or not such Bond shall be overdue) for the purpose of receiving payment of or on account of the principal of and interest on such Bond as the same becomes due, and for all other purposes. All such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer, the Trustee, the Paying Agent, nor the Registrar shall be affected by any notice to the contrary.

It is hereby certified and recited that all acts, conditions and things required to exist, to happen, and to be performed, precedent to and in connection with the issuance of this Bond exist, have happened and have been performed in regular and due form and time as required by the laws and Constitution of the State of Florida applicable thereto, including particularly the Act, and that the issuance of this Bond, and of the issue of the Bonds of which this Bond is one, is in full compliance with all constitutional and statutory limitations or provisions.
